**MATTERS ARISING FROM MEETING HELD ON 23<sup>RD</sup> OCTOBER 2019**

In the absence of the Consultant it was deemed appropriate to review the research undertaken by those present. CS distributed a chart showing the community facilities, leisure & sport available in Mirfield. The team suggested amendments & additions. CT has contacted the Police regarding the crime situation; but the relevant person hasn't replied. MB supplied an alternative contact. He has the Kirklees paths & bridleways information along with the Climate Energy Policy. CT has consulted JN re proto-conservation.

Action Points

*CT to pursue research into Crime*

*MB to send Footpaths & Bridleways info held by Kirklees to Consultant*

*MB to forward KMC Climate Energy Policy to Consultant*

*CS to update community facilities, leisure & sport chart and forward to Consultant*

**PUBLIC CONSULTATION**

Further to the previous decision it was agreed that the Consultation should take place at Trinity Methodist Church Community Rooms Mirfield WF14 8AD on 18<sup>th</sup> January 2020 from 13:30 to 17:00hours because the facilities are better, and it is cheaper. CS showed a video of the room. It was suggested that we have a Powerpoint presentation of Mirfield scenes on a loop. Music to be added. The two boards can be used for the map and the responses. The Consultant to be asked to offer some convenient dates for a further meeting to organise this.

Action Points

*CS to ask for suitable meeting dates before 18/01/20*

*IC to make a large copy of a Mirfield Map in time for next meeting*

*DG to prep a flyer for next meeting*
