## 1.0 Introduction

The objective and philosophy of the league is to teach the basics of soccer, a sense of fair play, and the meaning of a team concept through participation, individual and group instruction, to Acushnet residents and surrounding communities. In accordance with this philosophy, some rules and standard practices will be modified from the original FIFA Rules and Regulations and take precedence over all other rules and regulations.

## 2.0 General Structure

The overall breakdown of the AYSA shall be in accordance with the following bylaws tailored to accommodate the specific needs of each season.

- **2.1 By-Law Rules**

## 3.0 Roster

Each year after registrations have been received, there will be a roster maximum set depending on how many registrations are received and how many players are actively on the roster. Upon registration closure all registrations will be put on a waiting list. All players on the waiting list will be placed on a team on a first-come first-served basis. The coach may only request the next player from the waiting list after one of the following occurs:

1. parent chooses to remove the child from the league.
2. A child is injured and cannot finish the season.
3. child is ejected from the league.

In any event, a player will not be placed on a team until it has been confirmed and authorized by the division director. The coach cannot cut any players currently on a roster. If a parent chooses to remove their child, and place them into the draft, that player must sit one season before returning to play. In the event an

injury occurs; the division director must be notified within 48 hours. If a player is injured for part of the season a doctor's note will be needed to return to play. No cast or splints are allowed at any time. A player must be actively on a roster for 50% of the season to be eligible for the end of season tournament.

#### **4.0 Playing Time & Periods**

The playing periods shall consist of four, 12-minute quarters for the U6 division, two 25-minute halves for the U8 division and two 25-minute halves for the U10 division, all with a 5-minute halftime and a 2-minute break after each odd quarter. Within U15 division regular season games and competitive tournament championship games will consist of two 30 min halves, with a five min half time.

#### **5.0 Substitutions**

All substitutions must be made from midfield, or the centerline, with permission of the referee. Substitutions may be made at the beginning of the quarter/half or when play is stopped due to a goal kick, goal scored, throw-in, or injury. Throwing in subs are only allowed on your own team's possession unless both teams are subbing. On injury subs, only the injured player may be substituted. If and only when the referee calls the coach onto the field, the coach may enter the field to tend to the injured player, and the injured player must exit the field until another substitution opportunity comes about unless it is the goalkeeper.

#### **6.0 Uniforms**

The AYSA will issue a jersey, shorts, and socks to every registered player and must be worn during games. No alterations are allowed to any league issued uniforms. Goalies must wear a different color jersey or pinnie to distinguish them from their own as well as the opposing team player's colors. Shoes with any kind of metal or metal studs are not allowed.

In the event a major injury occurs, of which medical personnel are required on the field, the division director must receive a report from the game official within 48 hours.
