After 22 years as a licensed agent and office manager at the Denniston-Birrittella Agency, Katie Pullen purchased the business in July of 2021.

The Katie Pullen Agency cares for about 1800 local families. Our extended hours and digital services allow us to help serve you on your schedule.

We will help you find the right fit for all your insurance needs, through Allstate or one of our brokered carriers.

We would love the opportunity to earn your business and welcome you to the agency family.
