Mission Statement

The mission of the Hocking Township Fire Department is to serve the citizens of Hocking Township with professional rapid emergency response and other services that save lives and protect property.

Core Values

Safety

In striving to protect the lives and well-being of our community and our co-workers.

Professionalism

In people who are dedicated, compassionate, trustworthy, and who act with honesty and integrity.

Respect

For our community and ourselves, while consistently exhibiting courtesy and compassion for those in need.

Innovation

Via an environment that allows new ideas and positive change to better serve our community.
