NYC LEATHER FAMILY

Erotic Hypnosis Specialist – Submissive, Bottom/Top

M. F. Harrell

Submissive for five years of Mr. Kalm

Erotic Hypnosis Specialist, 20yrs combined BDSM experience.

Shenanigatrix, best having been described as “sincere..powerful, loyal and sweet”, has had submissive sexual leanings all of her life that culminated in her discoveries of BDSM and erotic hypnosis. The NYCLF (New York City Leather Family) inducted her into their ranks in 2010, where she informally apprenticed under the president and vice-president She started her career in kink as an independent fetish-party bartender and party promoter, bringing great results to the infamous event SubSpace – an event which sadly declined immediately after her departure to Reno. Having spent years in the hypnokink scene, she met her Master Mr. Kalm at an erotic hypno-fetish site. After her arrival in Reno to be with him, she and Mr. Kalm finished creating the first professional dungeon in Nevada – Masquerade Reno. Over the next two and a half years, Shenanigatrix created hundreds of meetups and events, as well as setting up business relations with local fetish groups and dungeon-goers as far-flung as Germany. Shenanigatrix enjoys her position as President and CEO of Masquerade Spaces, LLC., managing & directing the social media structure of Masquerade, and encouraging new & scene-returning kinksters into safe, sane, & consensual spaces.
