

The Month Ahead - February 2019

It's February and the kids have a great month ahead.
What checksheet should your child be on this month in order to complete their grade level by May?

Checksheet #6

Keep up-to-date with your student's progress. Our educators will be happy to go over this with you.

Progress Reports for On-Campus Students

Progress Reports for grades 3rd to 12th will be emailed Monday, February 11. Progress Reports for grades preK to 2nd will be available for pickup on this same day.

Please keep up-to-date with your student's progress and feel free to speak with your educator about it at any time.

**Progress
Reports**

PBL The Civil War Grades 3 to 6

The adventure continues.

Phenomenon-Based Learning is one of the most exciting learning models today and homeschooling is flexible enough to deliver on it.

Make sure your child does not miss out on this month's continuation of Ken Burns PBS series and discussion on the Civil War, February 12, 19, & 28.

PBL Lincoln Grades 7 to 12

The critically acclaimed Steven Spielberg movie, *Lincoln*, is the subject of this month's Phenomenon-Based Learning for grades 7 to 12, February 14.

All home-bound students are welcome.

Graduation Ceremonies Enrollment Deadline

Is your Kinder, 8th or 12th grade student up for graduation this May?

The deadline to sign-up to participate in this year's Commencement Ceremonies at the beautiful Wyndham Hotel & Resort (Airway) is February 14.

If something is not clear to you about this event, please give us a call and ask for either Alex or Crystah. They will be more than happy to answer your questions.

Valentine's Day Parties

Individual classrooms will be hosting a Valentine's Day party for their students on February 15, beginning at 11 a.m.

Spread the joy, encourage friendships, and share the treats. Your child's Valentine's Day cards are very welcome!

President's Day - No School

We will be closed on Monday, February 18, in honor of President's Day.

Classes resume on a normal schedule on February 19 and we'll be delighted to welcome you back.

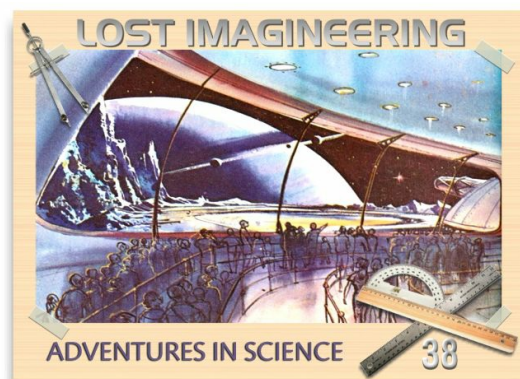

All Day Science & Exploration

Students in all grades will enjoy another full day of Science & Exploration on Thursday, February 21.

Home-bound students, we would love to have you join us for this day of hands-on adventures in the world of Science.

Imagination fuels the world.

Other Things You Should Know

We Need Your Help

We have received a number of reports regarding parking jams at school days end. Namely, when picking up a student, some parents or family members are leaving their unattended cars behind other cars that are properly parked, making it very difficult for properly parked parents to leave after picking up their student.

Please help keep the parking flows grooving and use appropriate parking spots. **DO NOT DOUBLE** park behind another car.

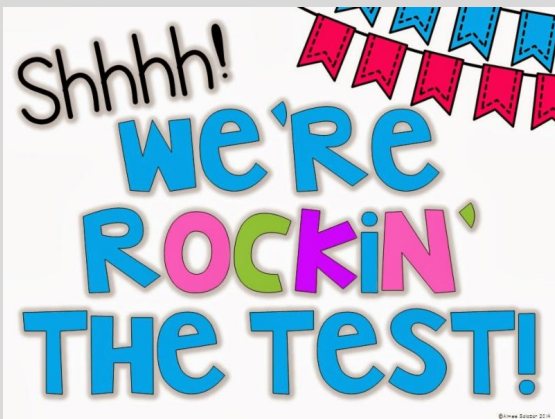

Save BIG!

Planning on re-enrolling your child for the 2019-2020 school year? Perhaps you should also plan on **Saving BIG** on your tuition expenses.

Did you know that if you pay for an entire year of tuition by March 31st you can save 20%????!!

That means you get 10 months of schooling for your child for the price of 8 months. What's more, you also save the Enrollment Fee because it is waived.

Call us for more information. 915-856-7243.

Stanford Online Testing

Ever wonder how your child is progressing and where they stand nationally.

NHSA offers Stanford Online Testing on a one-student-one-testing proctor basis. No stress. No pressure. Just straight-up information on how your child measures up subject-by-subject.

If you are interested in having your child assessed, the cost of testing is \$145.00. Please visit us at the office or give us call for more information.

OUR MISSION

To create an educational experience that cultivates well-informed, well-educated, socially-aware, and success-oriented students that love to learn.
