

# ANTICHRIST YEAR - ISAIAH 14 MATIX

The purpose of this illustration is to investigate the numerical indices ascribed to the Hebrew Holy Scripture based on the Strong's Hebrew concordance. It appears that certain Hebrew words are prophetically associated with certain word-to-year coefficients. This evaluation will be based on a word study from the Old Testament book of Isaiah 14. This is the chapter exposing the identity, quest and nature of the Fall of Lucifer, or Helel. The primary supposition is that there are several key pivotal words specifically from verses 12 to 15 that have such words as Lucifer in Hebrew that interestingly has the Strong's Concordance Number of 1966. Another Hebrew words that will be evaluated will be what the encrypted 'I will Ascend' that Lucifer extolls. The other word that has a peculiar Strong's Number indexed at 2022 is the word 'On the Mount'.
