FROM THE PRESIDENT

I hope everyone is enjoying their class break. The dogs probably are. Summer has been hard on them with the heat and humidity all the time it seems. Hopefully, that will be ending

As the notes say, the parking lot project is moved to the end of September. That week of the 26th of September classes will be off. (At least that is what is happening at the present time.) They could be made up at the end of November if you want.

Also the UKC Agility trials have been cancelled for Labor Day weekend. Unfortunately the judge is having surgery and there wasn't another judge available to take this assignment. Maeriann and her committee tried, but the best was to cancel it.

At present not much else is happening except the Club's Picnic is coming up on the 1st of October. The flyer is in this newsletter and at club. Joe and Sue Kugel are taking charge of it and making it a Halloween Affair. Hope we get a good turnout. Lisa Twitchell and Lisa Kutschera are working on the Dog Jeopardy game which everyone enjoyed last time. They will be having all new categories.

Hope everyone has a good training vacation and we will see you the first week in September.

Happy Heeling
Joan

CLUB BITS AND PIECES

PARKING LOT REPAVING CHANGED

As this newsletter comes out, the arrangements for the parking lot repaving have changed. It will now be done the week of September 26, 2022. Due to work constraints from the contractor, weather considerations, etc. this had to be changed. The plan now is to do it all in that week.

'Looking forward to this project as it has been about 20 years since it was first put in. It certainly will look great when it is done.

FALL SESSION

The Fall Session starts on the 6th of September. Classes are filling fast. If you haven't signed up yet, the form is at club or on line to be sent to Kelly Rehwoldt. We have a bumper crop of club members wanting to get into classes.

ANNUAL CLUB PICNIC—October 1, 2022

The Annual Club Picnic will be Saturday, October 1 at the Club. Lisa Twitchell and Lisa Kutschera have come up with a new version of Dog Jeopardy so that should be fun. Sue and Joe Kugel are in charge of it and the flyer to sign up will be at club and is attached to this newsletter. Let's have a great turnout for this again this year. Always a fun time to get together with fellow classmates

BARK RIVER DOG CLUB UKC OBEDIENCE/RALLY TRIALS—October 15 & 16,

Again BRDC will be hosting Obedience & Rally Trials for UKC. This is always a good time to get your dog out doing something a little different in obedience. Kris Kerr is Chairperson and Deb O'Brien is the Secretary. Premiums will be out soon. Watch for them on the website and at Club.

AKC VST TEST—October 16, 2022

Our annual Variable Surface Tracking (VST) Test is almost upon us. Jan Plagenz is in charge and it always fills. This is the last of the road to a Champion Tracker title by AKC. Held in the Delavan Industrial Park in Delavan. If you want more information on it, contact Jan at dobrmin@aol.com

because they are priceless!"***

RAFFLE FOR NOVEMBER 25, 26 & 27, 2022 OBEDIENCE/RALLY TRIALS

Claudia Sonnenberg, Betsy Sande and Sue Kugel have graciously volunteered to put together the raffle that we do and donate all proceeds to the Jefferson County K9 Unit. We thank them for taking this on.

So now the planning begins and getting it organized so that all the baskets will be made for the trials. There will be a few changes this year in hopes of helping organize this as the AKC Scent Work trials are on November 12 & 13 and they use the storage areas for set ups, etc.

So we ask that you watch for the new rules and directions for the classes. Claudia will be putting up a sign up board soon along with the new procedures. If you have any questions, please feel free to contact her.

We hope to have another banner year with the raffle as we did last year.
