Scene prep for scenario

**Police securing scene**

**Simulation for a intubation**

**Police and EMS triaging and transporting victims**

**Casualty in hallway**

Thank you to all  
the volunteers!

**We were so impressed with the drill and how the Police, EMS and Crime Scene investigators preformed during the drill.**

**Thank you to the MRC volunteers for giving their day to be victims!**

**By giving your time to participate in this drill you helped the active shooter response teams play out realistic scenarios that will prepare them to respond to a active shooter incident.**
