Opinion:  Would Serve for a Special Occasion.

Other Comments: This is the first Rabbit Ridge Sangiovese I have had since the 2010 and WOW! has it matured. What was a pleasant, young-tasting wine has morphed into a deep Nuovo Italian style with intense cherry/blackberry/raspberry fruit that plays very well with chewy tannins and a little oak. This is big without being a tannin monster or over-alcoholic (15.4%) Winemaker Erich Russell told me that comes from 4+ weeks of skin contact and pump-overs five or six times daily. A solid value at \$20.
