Electronic Components

Baknor - Printed Circuit Boards

www.baknorpcb.com

- Rigid PCB's (Double-Sided, Multi-Layer), Flex Circuit, Rigid-Flex Circuit, Flex Heater, and Backplanes.
- Prototype, QTA and Production Capabilities
- Extensive Base Material Capabilities including Aluminum
- Single to 52 layer
- Maximum board size 24" x 48"

Baknor Thermal

www.baknorthermal.com

- Heat Sinks & Thermal Management
 - Natural & Forced Convection
 - Phase Change & Liquid Cooling
 - Thermal Assemblies
- Engineering
 - Thermal Design, Analysis, Simulation
 - Electro Mechanical Design
- Custom Metal Fabrication
 - Machining, Extrusions, Castings, Forging, MIM
 - Custom Faceplates & Panels
 - Electro Mechanical Assemblies

Elinco International JPC, Inc.

www.e-jpc.com

- AC and DC Fans & Blowers
- Brushless DC Motors
- PMDC Motors and Gear Motors
- Slotless Brushless DC Motors
- Stepping Motors & Drivers:
 - 2-phase and 3-phase.
 - HB-type, Unipolar and Bipolar driving.
 - Basic step angles of 0.6, 1.2, 1.8, 3.75, 7.5 and 15.
- Value-Add Services Including but Not Limited to:
 - Custom Solutions, Encoders, Gear Boxes, Special Shafts, Cable Assemblies & Connectors.

IEH Corporation

www.iehcorp.com

- Military, Medical and Commercial Hyperboloid Connectors & Contacts
- All but Impervious to Shock & Vibration
- Current Carrying Capacity 1.5 to 3X the competition
- Duty Cycle Exceeding 100,000+ (Mate/De-Mate)
- Extremely Low Insertion Force, Low Contact Resistance
- High Speed, High Density cPCI & VPX Connectors
- Custom Connector & Contact Solutions

Screenprint Dow

www.screenprintdow.com

- Graphic Overlays
- Membrane Switches
- Rubber Keypads
- Digital Graphics
- Ultra-Dome Labels
- Labels
- Value Added Electronic Assemblies

Sheehan International

www.sheehanintl.com

- Asian Products at local convenience, by bringing offshore business solutions to meet your local manufacturing needs.

Techfind

www.tech-find.com

- Supply Chain Service Provider
- Reduce component cost 10-20%
- Semiconductors
- Passive, Interconnect, Electro-mechanical & other popular electronic components.
- All components are 100% original
