

DECORATIONS

1. No planting of any vegetation (flowers or shrubs) is permitted on graves.
2. Funeral flowers will be removed ten (10) days after the funeral. Holiday decorations will be removed ten (10) days after the holiday except those placed on monuments or in monument vases. Flowers and other decorations placed on graves are periodically removed for grass mowing and other maintenance. All ground decorations will be removed annually after March 15 in preparation for the first mowing.
3. Arrangements designed for attachment to markers are permissible but shall be removed without notice when they detract from the general appearance of the cemetery.
4. Boxes, shells, toys, bric-a-brac and similar objects placed on graves are inconsistent with the proper keeping of the grounds and are not permitted and shall be removed without notice.
5. Glass containers, shepherd's hooks, whirligigs, trellises, fencing, etc. are not permitted and shall be removed without notice.
6. The Township reserves the right to prevent the placement of any floral designs, structures and objects of any kind in the cemetery, if in the judgement of the Cemetery Sexton, they shall be deemed injurious to the general good appearance and maintenance.
7. The Township does not assume responsibility for flowers or other decorations on a grave site within the cemetery.
8. No food items left on a grave shall be permitted and shall be removed without notice.
9. No decorations shall impede on any other grave, lot or access area.

MAINTENANCE AND ENFORCEMENT

1. Cemetery maintenance work and other related labor may be performed only by Township employees or by duly authorized outside contractors. All maintenance work is performed under the supervision of the Cemetery Sexton.
2. The Township shall have the right to remove any tree or shrub situated on any lot that is deemed to be dangerous, detrimental or inconvenient, provided the owner shall first have due notice if possible to locate the owner.

3. Employees of the Township are charged with the responsibility of enforcing cemetery rules and regulations.
4. Anyone violating the cemetery rules and regulations contained herein is subject to loss of visitation privileges and legal prosecution.

VISITATION

1. Visitors to our cemeteries are welcome. Every courtesy will be extended to cemetery visitors who conduct themselves with the appropriate decorum. Please remember that a cemetery is the last resting place of the departed, and the dignity and tranquility of the cemetery must be preserved and protected.
2. Children must be at all times under immediate and strict adult supervision. Children are not permitted to play on cemetery grounds.
3. Pet animals are not permitted in the cemeteries unless they remain confined within the owner's vehicle. The only exception to this rule are animals used to assist the visual or hearing impaired.
4. Visitors must enter and exit the cemeteries only through the gates designated for those purposes.
5. No person is allowed to drive, ride or park on any part of the cemetery grounds except on roadways provided.
6. Absent the permission of Cemetery Sexton, visitors are prohibited from removing flowers, decorations or other objects from graves other than those of their relatives.
7. All persons are prohibited from plucking any flowers (either wild or cultivated), breaking or injuring any tree, plant or shrub. All persons are prohibited from defacing or breaking any monument, vault or other structure.
8. The Township is not responsible for any accident which may occur on Township property.

PURCHASE OF GRAVES

1. Available cemetery graves may be purchased at the Wayne Township Hall, 6320 St. Rt. 133, Goshen, Ohio 45122, during normal business hours. Purchase of a deed to a grave is not a real estate purchase but simply a right to bury someone in the cemetery. All land in the cemetery remains the property of Wayne Township.
2. Prices are listed on the Rate Schedule and are subject to change.
3. Residents may purchase graves at Residence rate. A resident is not permitted to purchase a grave at the resident rate for a non-resident. A non-resident is anyone not residing in Wayne Township.

4. Any lot owner may grant permission, by written order, for the burial of other than immediate family members in his/her lot.
5. Control of the graves may be transferred to the heirs of the deceased but for continuance of ownership, the heir that has the deed in his or her possession controls the use of the graves. At all times the records maintained by the Township are binding, unless the Board of Trustees determines otherwise.

Upon death of the recorded owner, the control of the unused or undesignated grave(s) shall go to the legally designated beneficiary(s). proof that a person is the legally designated beneficiary will need to be provided to the Township in a reasonably satisfactory form. If there is no beneficiary, it will follow the natural order of spouse, to children, to parents.

6. The Township may, at its discretion, repurchase grave spaces as the Board may approve.

BURIALS

1. A "Burial-Transit Permit" for the deceased person must be provided by the funeral home. The Township may require the lot owner to sign a "Permit for Burial".
2. Funeral arrangements must be coordinated through the Township Office. The Township must be notified a minimum of 48 hours before interment.
3. Interments are done Monday through Friday from 8:30 a.m. to 2:00 p.m. and Saturday from 8:30 a.m. to noon. No arrivals will be permitted after these times. Overtime fees apply to arrivals after the scheduled – no exceptions. No funerals are allowed on Sundays, Holidays or Holiday week-ends.
4. Charges for services are shown on the Rate Schedule and subject to change. All charges must be paid at the time of interment. No burial will be allowed until the time of purchase of the grave and all other fees are paid, except with the approval of the Cemetery Sexton.
5. All internments must be placed in a concrete vault (one piece lid is required). The Township requests the use of the top-seal vaults. The size of the container shall not exceed the dimensions of the grave. No "Wilbert-way" set-up shall be permitted.
6. Only Township employees under supervision of the Cemetery Sexton are permitted to dig graves.

7. One cremation may be buried in one grave or one full-size grave can hold up to two containers of ashes. One cremation may also be buried in an occupied grave.
8. One infant may be buried in one grave or one full-size grave can hold up to two infants.
9. The cemetery personnel shall exercise due care in making a disinterment, but shall assume no liability for damage to any casket, outer container or their contents incurred while making the disinterment or removal.

FOUNDATIONS

1. The cost of a foundation is shown on the Rate Schedule and is subject to change. Payment must be made at time of order.
2. Foundations must be installed by Township employees and are placed in line to conform with existing markers.
3. Foundations for new graves are not poured until twelve months after the burial to allow the ground to settle. Foundation for established graves are poured periodically based on scheduling conditions.
4. Absent the permission of the Cemetery Sexton, no broken or defaced markers will be erected.
5. All grave markers must be commercially marketed.
6. All grave markers must fit the lot or single grave(s) in which they are intended. It is the responsibility of the purchaser or their agent to check with the Cemetery Sexton as to the proper size and location.
7. Vases or urns are allowed upon permission of the Cemetery Sexton. A foundation is required.
8. The Township is not responsible for damage to monuments, markers or stones in the cemeteries caused by the ordinary care of the cemeteries nor any other accident which may occur on cemetery property.
9. All foundations are poured with two (2") inches added to both the length and the width. The foundation fee is figured on this adjustment measurement. (For example, the fee for a 12x24 marker would be based on 14x26 dimensions.) No marker will be permitted in the cemetery without this two (2") inch border. Any new marker installed will be removed until this requirement is met.
