SWAP MEET THIS MONTH

February! Phil didn't see his shadow, so winter will be over early if we aren't washed out to sea by all the rain. This is the most rain in memory. 5 inches in Pasadena in one day! The local lakes should be filling up!

This month features our semiannual **SWAP MEET**. Bring your gear in so you can buy sell or trade. Come early for best deals.

Our trips are open and beginning to fill so get your money in so you can be aboard when the fish start biting. Our trips this year are:

1. Sunday April 14, 2019 Pacific Dawn, Pacific 9 spots open 1500 Anchors Way Drive Ventura, CA 93001, 805-676-3474. The boat usually loads about 7-8pm. You take your gear down and get a bunk. The boat departs about 10 PM or if everyone is there sooner. White Sea bass, Halibut, Ling Cod or best fishing available. Galley is provided and no coolers on the boat.

MEETING LOCATION

Mimi's Cafe
500 W Huntington Drive
Monrovia CA 91016
626-359-9191

Meetings are held the second Wednesday of the month at Mimi's Restaurant in Monrovia. Mimi's has accommodated us with separate checks, an open menu, and they start

- Continue to support and expand finfish hatchery programs
- Continue to fight for artificial and restoration reefs
- Support programs to increase fishing opportunities

The *Coastal Conservation Association* (CCA) was initially created in 1977, after drastic commercial overfishing along the Texas coast had decimated redfish and speckled trout populations. A group of recreational anglers gathered to create the *Gulf Coast Conservation Association*. Only four years later, gill nets along the Texas coast were outlawed and both red drum and speckled trout were declared game fish.

The successful conservation movement that started with the "Save the Redfish" campaign got the attention of anglers across the Gulf and by 1985; chapters had formed all along the Gulf Coast. CCA continued to grow within the South- and Mid-Atlantic regions in the 1990s, and now have chapters formed up and down the West Coast. There are now 19 states with 226 local chapters that have a growing membership of 126,000 members.

CCA will be operating a kid's ocean trip this April aboard the Monte Carlo out of 22nd Street landing on Tuesday April 16, 2019. The boat leaves at 6am and I'll be asking for volunteers to help with the kids.

CCA also has a fundraising Bar B Que the Third Saturday in May at the Long Beach Rod and Gun Club. More information will be made available as it is received. May 18, 2019.

Well members, this gets our year started. Time to get out there and fish. Send your pictures to Warren for the Whopper Board and your pictures and stories, fishing, vacation, etc., to Sam for the newsletter.

Bring your friends and fellow fisherperson to a meeting and on a trip. I'd like to expand our fishing and membership in order to expand our opportunities

Thank You

taking orders as we arrive. (As early as 6PM sometimes.) We want to keep this in balance. Please continue to purchase dinner during our meetings. If you are unable to purchase dinner or prefer your wife's cooking, please consider dessert and a beverage at least. Remember that your check does not include the tip so you need to add on the tip. And please be generous in your tip. We are not the easiest group to work.

2019 Membership Drive

The 2019 Membership Drive is on!!!!

Sam will have **pre-printed forms**.

Just bring your check or cash and validate your personal information on the pre-printed forms. The data on the pre-printed forms comes from the club database. This is the best time to verify and update your information. (Please make every effort to use the pre-printed forms rather than fill out a blank form. I have had instances when people supplied "new" or "revised" information (or I couldn't read their writing), only to have to change the information back at a later date! Thanks for your consideration and cooperation.)

The dues for 2019 are the same as last year: \$45 for an individual and \$60 for a family membership.

Membership Card Reminder

All members are reminded that your club membership entitles you to a 10% discount on NON-SALE fishing tackle items at Turner's Outdoorsman stores. This discount is not available for guns or ammo. You are also reminded that after January 1 2019, your 2018 membership card is void. In order to receive the discount, a current 2019 membership card will be required. All store managers are aware of this and there are **NO EXCEPTIONS**.
