Professional Membership Category Additional Benefits

Professional members receive a listing on the STNM storytellers page, STNM publicity for their storytelling events via e-mail, quarterly newsletter and the STNM website, as well as the opportunity for STNM to co-sponsor and/or endorse an event, serve as umbrella for grant applications, etc.. Promotion of a storyteller's events must meet these criteria:

- Storytelling event must be in keeping with the mission of STNM (See website for mission);
- Storytelling event must not discriminate on the basis of race, creed, color, national origin or include content that could be interpreted as lascivious, in poor taste, or inappropriate;
- The web master makes the determination as to whether submitted events are appropriate for listing; if denied posting on the website/newsletter or through member e-mail, the submitting party may submit a petition to the STNM board to have this decision reversed. Requests for endorsement or serving as umbrella for grant applications is approved by the STNM Board.

Please make checks payable to Storytellers of New Mexico and mail to:
