

## Messages Compiled from December 2015

### Uphold My Honor in This Season, My Bride

December 1, 2015

Well, my precious family, I cannot withhold from you my weakness and the Lord's incredible kindness.

Today is the day after Cyber Monday. For the last few days, I've been hit with temptations to spend money on what I would call nonessential things. I have fought and fought and fought this off, but eventually... I blew it. While I was being stupid, I knew that black panther had me by the throat - but I brushed it aside to indulge myself.

Who needs five copies of the Bible Promises, all different editions? You can justify that by saying, "Oh, they're only two or three dollars apiece!" I justified that by saying "I'll give them away Lord, and just keep the one that works best for me."

Also, in clothing, it is very cold here in the morning in Taos in the Rocky Mountains, and I try to keep warm without a skyrocketing heating bill - it's a challenge. So, after several wasted hours, I found some fleece-lined pants that would fit me. Later, I felt convicted guys, that I didn't need several pairs, and cancelled and reduced my order. But the time I spent could not be replaced. I should have given that time to you, my sweet family. Please forgive me.

My husband Ezekiel is a very sensitive man and a wonderful, wise counselor and covering. He had been feeling grief for several days, and finally he spoke to me about my black panther. I was SO convicted. I knew I had hurt him and the Lord, so I went into prayer, because, you know - the medicine I give you, is good for me, too. And I always say, when you've blow it - don't run FROM the Lord - run TO Him. So, I went into prayer, and the Lord was right before me immediately. But He was weeping, and my heart was crushed. I had caused Him this pain by shopping and over indulging. Wasting time.

"Lord, I have nothing to say for myself, except I am very, very sorry for my weakness and sin and I'm sorry for hurting you and Ezekiel."

*He answered me and said, "My dove, you're just like everyone else around this time of the year. Sad, but true. Although in the past, when you were without a little discretionary money, it was easier. But I am very happy that you are spending money on others. In that regard, I am proud of you. But you're still a work under construction."*

And to explain that, if a donation comes in, we set a certain amount aside for other people, so that we have a fund. And some of you have earmarked some of the money that you've sent us for that very thing. We appreciate that - thank you so much. We're making quite a difference in the community.

"It just hurts so much when I see Ezekiel hurting and you crying, Lord. I guess I just don't know how weak I am until a temptation is put in front of me."

When we were living on \$300 a month, barely surviving, I thought I was over my black panther. But now that we have a little extra, I am discovering just how vulnerable I am. A woman may think she is honest, until she is presented with an enormous temptation. Then she can find out exactly how weak she is. God help us all.

He continued:

*"Moving along. To all My OCD Brides...(Obsessive/Compulsive Disorder) Understand that this time of the year is loaded like a spring bear trap to slam your foot into debt and tie you down with obligations you will have to struggle to meet for the rest of the year.*

*"Satan is behind this, as in all sins of the flesh. I wish for you all to be smarter than your adversary. I am not pleased with you going into debt in My Name. Rather, I would love to see you stay very simple and focused on My Birth. Doing little things with your children to make My Birth a memorable occasion, not joining hands with the harlot and turning it into an occasion of sin.*

*"Do not hearken to the naysayers who criticize this time of the year. There is much grace released from Heaven during this season if it is handled properly, with the right heart - and avarice and greed have not entered in. For instance, the plays that are reenacted at churches are wonderful for telling the real meaning behind the season. Do you know, My angels are present at those events to bring a sweetness and conviction, that a child will never forget? And even the adults are being drawn to Me. Oh, how glorious it is to see hearts changed as they ponder My incarnation."*

Here, I just want to share something with you guys - I just have to insert this. During the Christmas season, on TV over 30 years ago, they were showing the birth segment of Jesus of Nazareth. Franco Zeffirelli's film. This was five months before my conversion. I was deeply into the New Age, but watching this changed something inside of me. I felt SO drawn to Jesus, I felt God tugging on my heart. The REAL God. I didn't know Him yet, but I could feel the power of that grace, working through that movie. And that movie is anointed, it reveals a sweet side of the Lord, that at time - 30 years ago, was not popular.

So, I felt the Lord tugging on my heart when, just 5 months after that, He visited me.

But I was so steeped in lies and darkness, I couldn't sort it all out until that spectacular event happened on May 5th, that forever changed my life - when Holy Spirit descended from Heaven and set me on fire for 45 minutes. Guys, I was sitting under a copper pyramid meditating on the Mayan Tarot deck - that's how deep in darkness I was.

I was looking for Truth, really, sincerely from my heart looking for Truth and for the real Faith. My eyes were closed and all of a sudden, I saw in the spirit this black sky parting, and this lightening dove just descending out of Heaven, all the way down into my heart. It just set my whole body on fire for 45 minutes. It was so intense that my husband said, "What's going on? You are glowing!" And by infused knowledge God - because I didn't know who Holy Spirit was - God led me to know I was being visited by Holy Spirit.

So I said, "This is a visitation by Holy Spirit!" And during this visitation, I was deeply convicted of my sins. You know, if you're a New Ager, you don't have "sins" - just poor choices. And I was deeply convicted of my sins and repenting in rivers of tears as His Love embraced and forgave me...His love just

overpowered me. I mean, I saw myself worse than sewer excrement when I saw my sins, and to have Him embrace and love me!

I didn't see Jesus, I just felt the embrace of His love. It was an amazing thing. I didn't even know what it was exactly, word for word, but I recited parts of the 51st Psalm.

And these are parts that I remember:

1 Have mercy on me, O God, blot out my transgressions.

2 Wash away all my iniquity and cleanse me from my sin.

3 I know my transgressions, I have sinned and done what is evil

10 Create in me a pure heart, O God, and renew a steadfast spirit within me.

11 Do not cast me from your presence. Please don't cast me from Your presence - ever! or take your Holy Spirit from me.

12 grant me a willing spirit, to sustain me. Teach me Your ways.

I mean, I just sat there and recited that. And later I found - I think it was like 15 years later, maybe less, I found out it was the 51st Psalm, the Psalm of repentance.

So, whether or not the Lord was born on that day is totally irrelevant, He is using that day to bring an awareness of Himself to lost humanity that is sitting in such darkness. Of course Satan jumps right in on the heels of that with greed, avarice and partying.

At this point, the Lord started talking again, and He said,

*"Well said. That is exactly what has happened, especially in this secular, godless age, where man has become his own god, with no need for Me. So, I take this rare opportunity to focus on My Birth that the little ones might be drawn to Me. But even now the enemy has worked day and night to remove even that remembrance of My birth and meaning from Christmas, to the point where to display the manger is a criminal offense in this country!*

*"And for those of you who are naysayers, it should be obvious to you that this time of the year IS a threat to Satan or he would never work so hard to blot it out of the world.*

*"But you, My Brides, My highly honored ones, please - uphold My honor and do not fall prey to the world, giving into impulses to shop and take advantage of sales that are deliberately set up to make you fall into materialism. I have no problem with a modest list of things you've needed for your ministry or to help others, or a few personal items. But please do not allow it to get out of hand and trap you into immobilizing personal debt. Uphold my honor, My cherished ones.*

*"What you do for the poor shall be forever remembered and credited to you. But stay in My grace, not the unction of the prowling unclean spirits that seek to entangle you and take your hearts away from Me.*

*"I forgive you for your indiscretions. Go now and sin no more."*

## My Feast Day vs. The Feast of Trumpets & Give to the Poor

December 2, 2015

The Lord bless you and keep you, Heartdwellers. I'm going to publish the new message tomorrow morning, but the Lord gave me another message for today, a very short one. And I just wanted to mention a few things.

I heard the Lord begin the next paragraph, but somehow I forgot HE was speaking and I began to speak. When I came to my senses I realized, "I better backtrack and let Him say what He wanted to

say." So, this is what was on His heart:

"There are many people, many little children who are lacking the most basic necessities. I am pleased to bless them in this season, called by My Name. I wish for you to stop bickering over your personal ideas and consider that I instituted the holy days important for My people, commemorating important events in their lives.

"So, I ask you - was the birth of the Messiah a landmark event in Jewish history? Was His incarnation? His death? His resurrection? and the promise of His Spirit? Are these events of less significance than My people leaving Egypt? Than the feast of the in-gathering at the year's end, the Feast of Booths? Or the feast of the new year, Rosh Hashanah? The Feast of Trumpets? Is My birth less important than these feasts?

"Do you see how foolish all your arguments are? Is this not the product of pride and a wish to Lord it over others with your version of righteousness? I tell you it is. There is none that is righteous, not even one. All of you have been made righteous by My Blood. Therefore, I would ask you to consider your estate without Me and set aside these foolish, foolish arguments that do nothing but create contentiousness and empty disputes.

"Now, that said. It is My expressed wish that this feast day be commemorated by kindness done to the poor in My Name. It's just that simple. Wherever you find them, tell them I love them and this is a gift from Me, celebrating My Birth. There are many ways to give, look around you. I will send you special needs. I've put you where you are for My purposes, so you won't have to look far.

"And for those of you who refuse to contend over such foolish things, as Biblical celebrations, thank you."

And that was the end of His message.

Wow! that certainly puts things in a perspective I've never heard before. I wanted to just tell you all, I hadn't at all planned on this message coming forth.

I was just going to tell you that we have made a wish list for anyone on Amazon for anyone who wants to contribute gifts to the poor in Taos. You can access it through Amazon and the instructions are written out for you in the box below this video.

It's super easy: you log into your Amazon account, and at the top right, next to the shopping cart there's a thing that says "lists" - a drop down box. You click on that and you scroll down and it says, "Find a wish list." Type in Heartdwellers, one word, and our list for the poor will automatically come up.

We want to focus on creative or educational toys, nothing violent or occult and this list just gives you a few ideas. Also if you get something that requires batteries, these people are too poor to afford batteries, so please include the right sized batteries with their gift.

Just one other note. We have a Free Box shop in town here, they are needing men's clothing. So, if you are in the U.S. and you're cleaning out your closets, and you want to send us some men's clothing, please do and we'll pass it on to them. The name of the little shop is The Giving Tree - not listed in the phone book, they're way too poor for that. But they're reaching people out on the mesa, Two Peaks and Carson and the reservation, they're reaching a lot of people that are very poor. Our address is also in the box below.

Thank you so much for your kindness to this ministry. And the Lord bless you with His peace in this sweet season of His birth.

## **Rapture - We Are Approaching The Point of No Return**

December 2, 2015

Well, this is an alert today, Heartdwellers. God bless you and the Lord be with you as you ponder this directive from Him.

He began this message: *"There isn't much time left."*

How do I take that Lord?

*"In faith."*

You know what I'm struggling with, that's even why I got clothing.

*"You know Me well, you know My Heart of Mercy, but I tell you the truth, we are heading towards the point of no return."*

And what about if we rise up and pray for more time - can it be forestalled?

*"Oh, Clare, you're impossible! I have a message and you're niggling with Me."*

I'm sorry. Go ahead.

*"Thank you !! I am wanting a deeper level of preparation from My waiting Bride. I want her heart emptied of useless worldly things. This message is not for everyone. It is only for those who are longing for a greater depth in Me and detachment from the world. I am imparting this grace to those who are listening or reading, in this moment. That means, if you read this message six months from now, from when it was written, It still carries that grace for those who are earnestly seeking it and longing for it with all their hearts .*

*"You wonder how that grace can linger? Just as My Word accesses grace from Heaven in present time, so do words authentically spoken by Me that carry My promises. When they are received in faith, from any source, they still access that impartation as when it was spoken. I am the same yesterday, today and forever. My promises stand forever to those who truly desire them, with their whole hearts.*

*"There are constant little worldly treasures and perks and treats that pass before you everyday. What I want you to understand is that the less significance you attach to those things, the less time you spend on them, the more I can fill you with My Spirit, and those things that truly matter to Me. Isn't that wonderful?"*

Yes, indeed, it is, Lord. I have known this freedom before. Oh, glorious freedom from vanity, fine foods, worldly entertainment! Oh, those days so full of Your Spirit and so precious to me, like none other.

*"Isn't that what you cried out to Me for this morning, a pure heart: 'Burn the dross from my heart, Lord. Burn it all away.'"*

Well, Lord, that can only happen by Your Special Grace.

*"That's the exact point: I give the grace, you correspond. When I say I want My Bride's heart emptied, I mean, less attention on every little facet of life apart from Me and My will. For instance, vain things...like manicures, and hair, cosmetics, stylish clothing, and matching outfits and accessories. These things, unless they are necessary to your work, occupy space in your hearts and minds that could be dwelling in the abundance of My Spirit.*

*"You see, when you attach significance to these things, you may not be actively thinking of them, but you are easily snagged by all that relates to them. These are some of the distractions that make prayer more difficult for many. But when you cast off the yoke of your pleasures to make room for My Pleasure, then your communion with Me goes deeper, much deeper as matters of the flesh melt away. That's what I'm getting at.*

*"Not everyone is ready to let go of earthly pleasures to have more of Me, but as they seek Me in their own ways, eventually they head in that direction. I have sublime patience with all those who reach towards Me.*

*"I know what a struggle you have Clare, having a great attraction for order and beauty. Those who don't care about those things are freer to contemplate Me. We are always going back and forth about these things aren't we, Dearest?"*

Oh Lord, that is hard - if not impossible for me. If I were blind...well, that has its own serious problems. At least I wouldn't get distracted into arranging things to my liking.

*"Believe Me, you would find other things not to your liking - it is part of the obsessive/compulsive nature. But remember: when you offer yourself to Me, withholding nothing, and study your actions and thoughts to deliberately exclude those things...you are so much freer."*

Lord, I know what you are saying is absolutely true. I remember when I threw that yoke of beauty totally off for functionality, without regard for aesthetics and did the same with food, and I felt so much more alive in You. How do I get back to this place?

*“That's what I'm trying to give you here, My Sweet Bride. That's what I'm calling your attention to. It's not going to happen suddenly, unless circumstances override your life. But each day you can make progress in that direction. Choosing a bowl of oatmeal over a piece of cake, leaving the last piece of chicken to someone else. In fact, denying yourself at table is one major way to put your flesh into a subservient position. Simple clothing with worn edges over new clothing, finding your satisfaction in less and less and even in substandard things.*

*“Your mother was totally eaten up with external things, that is why she never had any peace. There was always something more needing to be done, something out of place before she could relax. So many things to take care of, so many trivial cares that kept her continually occupied. You know this, Clare, you broke from it in your younger days.*

Yes, I remember a room I was renting in Berkeley, California. It was just a plain room with a mattress on the floor, nothing homey about it, and I remember having a craving for simplicity. I had just moved out of a large flat in San Francisco that was extravagantly decorated, and I was so refreshed by the utter simplicity of this room.

*“And I was there in that room, speaking to your heart, to bring you to a new level of freedom.*

*“You see, attention to one detail leads to attention to yet another and another, and soon you're chasing your tail and never catching it. It all depends on how ambitious you are in having things in your environment just to your liking. You have fought much, long and hard, and gained a true measure of improvement - but there's always, always room for more.*

*“What I am trying to say to My Brides, very simply, is that the more exterior things matter to you (and that is a choice in your control) the more you will be vexed in spirit, wanting perfection in your environment. And as a consequence, the less you will have of Me.*

*“Deny yourselves these little pleasures more and more each day, and soon you will realize I have taken over your thoughts and I dwell in you in greater measure. Postpone your need for order and beauty, My Love. In Heaven, all will be to your liking. But for now, postpone this driving compulsion and live more and more simply from day to day.*

*“Understand, My Brides. Your worth is not in beautiful clothing, houses and cars. No. All those things will be stripped from you, and the only thing left standing will be your virtues and what you did for others out of pure love and no other motive. I have taught this to you all many, many times before.*

*“But now truly, we are nearing the point of no return and I counsel you: buy of Me fire-tried gold and leave the ashes behind.”*

### **WW3 & Pride/Condemnation Teeter-totter**

December 3, 2015

The blessings and the presence of our sweet Saviour, Jesus our Lord be with you.

What happened this morning when I came to prayer, there were certain things that I really was not willing to give up from yesterday's message. And I struggled with them and I noticed that I was getting into...wow...a head-to-head conflict, like two stags with their horns locked, you know? And that was extremely distracting, and I thought, 'Well, this isn't good fruit! I don't know what to do about this.' So, I kinda dropped the whole idea of struggling to give some things up, and went back into worship.

Well, when I came for the message, this is what the Lord said to me.

First I said to Him, "Here I am Lord battered and torn by my passions. Am I any use, really, at all to you?"

*"What a foolish question, is there anything too hard for Me?"*

Don't you just love it when He answers a question with a question?!

He continued, *"Let's do this step by step. You forsake yourself in the little things day by day and don't be caught into a loop of condemnation. Give Me what you think you can, thank Me for that and each day it will get easier. Sacrifice many times is built slowly, step by step, like a staircase - not all at once. Grace builds upon grace. When you backslide and give in to your weaknesses, just repent, get back up and carry on, praying that next time you will conquer yourself...because your heart is more riveted on My will than anything else. And I will make it worthwhile, I will flood you with My Love and caring. Do not obsess about anything. That only locks your mind into combat, which is what we don't want. The truth is, the more you love Me, the more you will forsake the world. It is so simple and I am here to help you.*

*"My Brides, you are not to get caught and embroiled in a struggle. Give with a cheerful heart...for it is written the Lord loves a cheerful giver. The point is this: whoever sows sparingly will also reap sparingly, and whoever sows bountifully will also reap bountifully. Each one must give as he has decided in his heart, not reluctantly or under compulsion, for God loves a cheerful giver. 2Corinthians 9:6-7*

*"This move of My Spirit is to give you the freedom to enter into Me more deeply, not to have you struggling day and night about this or that. If you get caught up in such useless battles, you cannot possibly be effective for Me. So, don't allow that. Move with the grace of the moment.*

*"I do not want a Religious spirit to enter in here. If you are able to sacrifice more of the world for Me, do not grow proud or vain, you simply have more grace. If you fail, do not grow despondent, you simply over-reached yourself. Go back to what is comfortable and start there again. It takes a while to get used to denying your flesh, it's a continuing work. In Heaven, you will have no flesh to deter or distract you, everything is under the control of your spirit. Isn't that something to look forward to?"*

It surely is Lord! It surely is!

*"Well for now, know that I am grateful and appreciative for every little thing you offer Me in love. Oh, I am SO grateful.*

*"For some fasting and self-control become an idol or a means to show everyone how holy they are. By doing that they cancel out any good that was done and fall into a worse sin, Pride. I know you struggled with that, it's a powerful delusion...but wasn't I faithful to deliver you, Clare, and show you your true state before Me?"*

Oh, Lord you were so kind, truly You delivered me from a serious sin in that area. I know I'm still being formed and sanctified by Your gentle hand, but at least You revealed my sin in that area. I much prefer this very lowly place You've put me in! It feels so secure and warm and I'm free to enjoy the holiness of others without getting jealous. I don't feel threatened...but I feel privileged. You have placed so many exceptional souls in this ministry, it is an absolute wonder to me. And I know they are here because of You! Oh, how safe and simple this lowly place is to me.

Sometimes I can feel when pride begins to manifest in me and my knees become weak and I beg you to purify me. But, please don't let it hurt too much before it goes any further.

He continued, *"And I am always watching over you and all My Brides who are willing, always. That's why you feel conviction so swiftly, I'm not letting it escape your notice. In one second you can fall from grace to the absolute pits. But if you are vigilant and refuse to raise your head to judge others...you will be safe."*

*"I am wanting to encourage you, My Heart Dwellers, to go slowly and be very aware of that teeter-totter. On one end sits Pride, on the other Condemnation. Don't let either one get ahold of you, give cheerfully what you can. Later, with more grace, you can give cheerfully what before you were unwilling to relinquish. There is no condemnation for those who are in Me."*

One last note, Lord. Everyone is now wondering about what You said, that we are approaching the point of no return.

*"Yes, the signs are there. Yes, what I said is true: things are escalating and I am permitting it. I've told you before, there would be a time when I could no longer forestall the judgment. Clare, we are approaching that time."*

Jesus, it seems so incomprehensible to me that life as we know it is going to end. Forgive me, Lord, but I really, deeply felt we had a bit more time...like 5 years. You told me months, but something deep inside told me years.

*"We still do not have a date, but as you can see things are beginning to come to a close. The atrocities I have seen every day are beyond your comprehension, but know this - I am merciful and many never experience the torture; rather I remove them from their bodies. They see from above, or they see Me and I spare them. It is those left behind that are scarred and demoralized for life."*

*"Your president is a clever man, quite the deceiver. Now your country is postured to allow Syrians in, because of the inhumane treatment they have received. Understand though, that is merely a Trojan horse for more terrorist cells in this country. Very soon they will be called into action. This, too, is forward movement towards the inevitable judgment upon this nation."*

*"My Brides, I am coming very soon. Do not be deceived or lulled into a false peace, the time of mercy is coming to a close. Pray, pray very much and very hard for your nation and the world. I am so touched by the caring and tears of those on this channel who have prayed for the victims of ISIS. I am so touched and moved to tears. I promise you, your prayers have delivered many; they have reached the throne of the Father and He has dispatched angels to protect many who are innocent. All glory and honor is yours, Almighty Father."*

And I felt the need to quote the Scripture from John 12:27-28 "Now My soul has become troubled; and what shall I say, 'Father, save Me from this hour '? But for this purpose I came to this hour."

"Father, glorify Your name."

Then a voice came out of heaven: "I have both glorified it, and will glorify it again."

## **When you see the Dome of the Rock Destroyed, Drop To Your Knees**

**That is the beginning of the end.**

December 6, 2015

Well, my precious family, the Lord is talking about the Rapture again tonight and about world events coming to a head.

Today I had a foolish moment - I was going to buy some Christmas lights and I realized the Lord didn't want that - and I put them back down. We'll just have to make do with the ones that have gone out from all these years - or not at all, because our minds shouldn't be

focused on decorations right now, He already told us that.

This is a time for us to really, really get ready.

So, when I came into prayer, He danced with me for the longest time. I had a beautiful, deep-midnight blue, intense blue but very dark, gown with stars on it. It was just beautiful! We danced and danced and danced. And I never was out of breath...that's a new one.

Anyway, He took me aside and sat me down on a bench, and I knew immediately He wanted to speak with me, so I turned the music off, the worship music off.

He said, *"I'm so happy with you for putting those Christmas lights back. My Love, you are nearing the finish line, stay on the straight and narrow. Time is winding down, and events are winding up. The enemy is closing in on the Nation of Israel. You remember what I told you about the turn-key event, the destruction of the Dome of the Rock?"*

Yes, Lord - I do.

*"When you see that, drop to your knees, that will be the beginning of trials such as this nation has never seen or dreamt of. Even those planning the events will be shocked at the repercussions. Do not be afraid, Clare, I tell you ahead of time, do not be afraid. Drop to your knees, give thanks, for your redemption draweth nigh.*

*"It will be a time of unsurpassed wailing and travail. Nations will crumble before your very eyes and all eyes will be upon Jerusalem. There will be no more time left for preparations, no time at all - only prayer, do you understand? Do not go out, do not leave your houses, drop to your knees and pray. The Divine Mercy Chaplet is second only to prayer in My Spirit. The last drops of mercy will fall from the Goblet of Hope, the very last drops. Those who have turned to Me will be saved, some as going through the fire.*

*"But you and your family, your true family, the precious Brides I have drawn under your umbrella, you will all be taken care of. Fear is useless, only prayer, trust. 'Jesus, I trust in You,' over and over and over again.*

*"I will take care of the children of your womb. They will turn to Me, one by one, acknowledging and repenting of their sin."*

Lord, can I have an iPad in Heaven? (What a blonde question, huh?)

*"Oh My Love, you are going to have so many forms of communication it will boggle your mind. Once you think of a thing, it will be done for you,"*

Jesus, I wish I could see the Ark.

*"And not only will you see it, but you will walk through it back in the time of Noah, and enter into the experience."*

Oh, Lord that would be too scary...but with your grace....

*"Clare?"*

Yes Lord...

*"There is no fear in Heaven."*

But won't I be back on Earth with them?

*"You will feel so much peace and wonder, that no fear, even if fear could exist in Heaven, no fear will enter in, only wonder."*

O Jesus, I can't wait. I really want to do that! I really do!

Just as an aside, I've been watching this documentary on Noah's Ark and oh, the evidence is absolutely staggering for the Ark! Many eyewitnesses, many people have seen it and every single scientific - supposedly scientific objection that it couldn't have existed or carried all those animals, or survived in that sea with the fountains of the deep being opened...every single one is scientifically explored. Every single one is proven that it WAS possible for the Ark to survive to carry that many animals and food for that amount of time. It's absolutely a stunning documentary! I'll leave the link on this for you. The title of that Youtube, by the way, is Noah's Ark and the Biblical Flood. In parentheses, 2005-full movie. And it's put up by 2028 END. Just amazing. Really, really well done.

Anyway, I've been so interested in the Ark lately, I just can't get it out of my mind. It's really been gnawing at my insides. I want to know as much as I can about it. This documentary was pretty fascinating, but it kind of whetted my appetite.

The Lord continued:

*"Time travel, or should I call it more immersion in the time line, is not just a spectator sport...rather it is a live event, where you are present with Me. I would not leave you alone for one moment. Partly because I will derive endless amounts of pleasure and joy from your reactions."*

And the other part?

*"To remind you that you are in Heaven, so you do not react in fear."*

I thought so.

*"Well, you thought right."*

I still want to go there. Oh Jesus, it's so exciting. Why am I so intrigued and drawn to the Ark now?

*"Because soon the ark will come to get you?"*

Not the literal ark, but the mini-ark and because as in the days of Noah....

*"Oh, Clare - you know the answers to all these questions, but this is not just idle curiosity. I am whetting your appetite for the things you will long to see in Heaven. Start dreaming!"*

I really want to snuggle with my kitties, all of them, and especially my tiger, Simba.

*"And they eagerly await your arrival. All of Heaven is eagerly awaiting you. There is so much more significance to the homecoming of My Bride than anyone understands. This is the beginning of an Epoch, it is the transition into the Millennium, and shortly after that the Epoch of eternity begins, where all things are reconciled to Me forever."*

I answered Him, and I said, "Well if that film was correct, and Adam's body was removed from the Ark in an alabaster sarcophagus, it grieves me deeply that such wonderful relics have been stolen by the governments and suppressed. I am deeply grieved by that."

*"You know what I am going to say, don't you?"*

I think so.

*"Well that's correct, the relics of Earth will be translated into Heaven, accompanied by great hosts of angels. Nothing, not one particle, will be missing. Besides, Adam will be resurrected."*

Wow, I hadn't thought of that. DUH!

*"Uh huh."*

How could I miss that?

*"My Love, your mind is just a little earthbound right now. But soon, we will cut the cords to Earth and your mind will be stunningly transformed and glorified. Oh, I can't wait. No more temptation for My little Bride. You will be so immersed in glory and worship... Oh, I'm so happy for you, you ARE coming Home. Stop doubting, stop grieving, My Heart. Steady as she goes and soon you'll Home, Clare...soon. Isn't that wonderful!??"*

I'd better not say too good to believe!

*"No, you'd better not. Do you trust Me?"*

I do.

*"Well then, relax. Do what you can while you are here, drop to your knees when the Dome of the Rock is destroyed.*

*"Do you have any presents for Me?"*

Lord, I'm sorry - I've been pretty stingy.

*"Well, make it up to Me. I am longing for those little marks of affection...when you do violence to your taste-buds, as well as your desire nature. More and more. Please Clare, I will give you the grace. Can you just try?"*

Yes, Lord, I will try. Can I have the grace to be willing to be willing to try?

*"You can.*

*"Make ministry your number one priority and let the rest fall by the wayside.*

*"And to you, My Brides, I say the same. Let your witness be as little wedding gifts to Me. Soon the scorn and contempt you have endured because of your faith will turn to rejoicing. Soon, very soon. Though you've been scorned as Noah and his family were scorned, the entire time they were building the Ark - you will be vindicated. Back then, I shut the door and opened the fountains of the deep, and screams of all those who held them in derision resounded through the walls, only to fade away into the distance as water began to engulf them.*

*"Yes, Noah and his wife were grieved, deeply. But soon I gave them the peace that passes all understanding that they had done all that was humanly possible to save the others. It was not My will to bring them into the Ark, because their lives had become seriously contaminated with sin and the Nephilim.*

*"Let me say this much: in that hour, much mercy was given. It is beyond the understanding of man, My Nature, it is incomprehensibly sensitive and fair. The problem with your culture is that your consciences are distorted. May I say, as bad as they are now, they still have not matched the depravity of the Nephilim men and women. Not yet... although that is coming."*

(Please forgive my kitty snoring in the background, guys... Judah IS snoring...)

He continued, *"There is no fear of God, not true fear, but there will be. And I am not talking about threats or brutalizing people. I am talking about the kind of fear that lies profoundly beneath the Love of God. This fear must be established: the understanding that I am not a man that approves or winks at sin. The understanding between My idea of righteousness and man's idea.*

*"That young man was given a great grace."*

His name is Natan - I don't know how to pronounce it, the 15-year-old Jewish boy who was taken to Paradise and held. Boy, if you want an understanding of how the Jews were given the law and how it relates to God, that's an amazing interview to listen to. And I'll leave the link for you on this.

*"That young man was given a great grace, that My people may be prepared for My coming.*

*"Clare, when you study what he was taught, you will begin to understand righteousness and see how depraved mankind is. I had to die on the Cross to pay for your sins, I HAD to. It was impossible for you to pay your own debt... impossible.*

*"But now, My Love, I know your heart and I so desire for you to be with Me. I would die all over again just to have you by My side for Eternity.*

*"My Brides, that applies to each of you. That is why I weep and intercede before the Father when you sin, even the littlest sin, and what hurts the most is willful disobedience. Oh, trust Me, My Brides, I ask only what is best for you. Will you trust Me?*

*"Come now, we have work to do. Souls are waiting and crying out to Me for deliverance. Be My Ambassadors of truth and love, answer their call. I am with you in this endeavor - simply help where you can, don't fret over what to do, just help when you see the need. Rest in that. I will quicken your heart to act.*

*"I'm coming, and I'm coming soon. Rest in that, too."*

## **Prophetic Rapture Dream & NWO**

December 6, 2015

God bless you, Heartdwellers. The Lord is truly leading and guiding us. I have a very, very special message today, confirmed by two different signs, independent signs from the Lord, that this is truly Him, this is the real deal.

*"I am so glad you are now taking Me seriously." (He means about the world winding down and the Rapture)*

Lord, I really want to check the news, in the worst way.

*"You won't see much until the moment it happens. I will send you little snippets that are faith builders...to encourage you that your thinking is on the right track and you really are hearing from Me. But please, Clare - stay out of the news."*

Lord, You're killing me! I want to see the news.

*"What can I say to such a stubborn self-willed Bride?"*

There is hope for you, Dear?

*"It's growing dim. If you don't trust My judgment on things after all these years...."*

But, my curiosity is killing me.

*"I will send you what you need to know... but you - stay out of the news."*

It seems that all these terrorist cells are entering countries as refugees.

*"Not all but many, enough to make the difference when Islam is declared the world religion."*

How can that happen? People see how horrible it is.

*"The government will force the issue. Your faith in Me will have to be denied in writing, in order to keep 'world peace.'"*

But even factions of Islam kill each other.

*"That, too, will come to an artificial end during this time of scripted and contrived peace. This will be touted as the solution to all men's ills: a religion that does not offend Islam. All will sign this document or be beheaded. It's just that simple."*

*"There will be a coup in your government. Suddenly Islamic candidates will rise to power just as your president did, by stealth and intrigue, coming from nowhere and preaching a platform of world peace. Prosperity and progressiveness will be touted as the banner of the day, even as it was in Hitler's day - and those who wish to be fashionable and accepted will easily fall into line, for their glory is their shame."*

But Islam does not allow for homosexuality?

*"It will. This new brand of Islam will; the Mahdi will be a homosexual."*

No! That can't possibly be! But of course, if it were Obama, that would be the perfect candidate.

I had an experience with the Lord where He took me to a Mosque in the middle east, there were cobras coming out from behind the central worship area and when He took me back there I saw a throne covered with an awning at the end of a very, very long narrow room where men were seated on the floor cross legged, talking to one another. At the left hand of the throne, seated on the floor was Osama Bin Laden. They were all waiting for the Mahdi. Along with that I saw who I would one day recognize as Obama, at the Capitol rotunda appearing at a gala in his honor, and being introduced as our Savior. "Our savior is here!" And then he introduced Obama.

The Lord continued, *"Oh yes, it can. The agenda is total corruption and everything laid before the world will lead only to debauchery, even molestation of children. Oh yes, Clare, it is coming. Believe Me, it is already established in the groundwork of this government. It will soon be legalized and fact. Do you see*

*now that the whole world is one sewer of corruption before Me? Do you understand...there is no more time left?*

*"Anyone who does not agree with the articles of this new government in the world - anyone - will be coerced, persecuted and executed. It's just that simple. Pledge your allegiance or die."*

Lord, a lot of people will run and seek out the wilderness.

*"Yes, they will. But the wilderness will not be safe, either. Day and night it will be scoured for dissenters trying to escape the government. Day and night. Only My supernatural protection will keep men safe. If they totally rely on Me to protect them, I will. If they try to outsmart the enemy, they will be eventually found out. Protection must come from above, not from the intelligence of man. There is now technology that can penetrate deeply into the Earth and return an image of what is below. As a consequence, bunkers and caves will not provide the protection people are expecting. They will be discovered."*

As He was talking, I saw families being discovered in underground bunkers and taken captive. And I looked up capabilities of sensing devices on the net. And what is publicly known is, anything ten feet deep can be discovered by heat signatures. This is public, declassified information. Just imagine what is classified! Also, a certain network of satellites covers every point on Earth every 15 minutes. Can you imagine that??? So, it is possible that any change in a location can become a point of interest as the government scours the Earth for dissenters. Even heat signatures being emitted from the mouth of caves and vent holes in the Earth will also be analyzed.

*"Yes, you have discerned rightly. Technology is far beyond what is publicly known...consider inter-dimensional travel done by demon-aliens. Oh yes, technology knows very few boundaries. "Another reason for Us to commence the Tribulation. (When He says, "us" He's talking about the Trinity, the Father and Holy Spirit.) Many, many frontiers of science have been conquered and many, many experiments and offensive weapons have caused Us to intervene and frustrate results. Many. It is truly time, Clare. It is truly time. We have checked evil so many times supernaturally, and continue to do so even in this moment, for the sake of My children and this Earth. You see, Satan has so corrupted the minds of scientists that they have very little regard for human life or the health of this planet."*

*"No, they are far more interested in supreme intelligence and conquering every single law of physics. Lust for knowledge, greed for power and status has taken hold of these souls and pushed them into ground-breaking experiments...and for each one, angels are assigned to frustrate their foolishness. They are not looking at the good of Earth or mankind, they are only looking to conquer the unknown and control what should only be in My control. I alone have the wisdom to draw lines. They seek the glory and have no moral boundaries. That's what we are talking about."*

*"Oh, My Love, if only you could see what is being done, what liberties are being taken over the innocent! It is atrocity after atrocity, and at some point in time I must say, 'Enough is enough!' Do you understand?"*

Oh Lord, truly I do.

*"Yet I will be accused of wickedness for allowing man to reap his own fruit. Yes! The Accuser of the Brethren will find ways to twist the consciousness of man into thinking I am the guilty one."*

*"This is why it is written that in the end times, plague after plague after plague will hit the Earth and still, men will not repent. Rather they will curse Me whom they never knew, as it is written in the sixth trumpet:*

...the rest of mankind, who were not killed by these plagues, did not repent of the works of their hands, so as not to worship demons, and the idols of gold and of silver and of brass and of stone and of wood, which can neither see nor hear nor walk; and they did not repent of their murders nor of their sorceries nor of their immorality nor of their thefts." Rev 9:20-21

*"In that one verse," He continued, "so much can be summed up: the love of money and luxury is just as much an idol as Baal worship - men still kill their babies in the womb to save money. The murders that are taking place daily, because medical science in this country is profit motivated, therefore they sell useless cures that will only kill in the end... and that's not even to mention what is done to the environment to slowly destroy the masses. They are killing, stealing and destroying, just like their father, the devil.*

*"This is all by way of saying: time is up, the point of no return is on the horizon. Prepare yourselves, prepare those who you can touch. Do not fall into stressing about what you must do, lest you miss the forest for the trees. Allow Me to bring those before you to pray for, to help, to listen to, to counsel, and to give. Let everything proceed peacefully. I want you prepared - not utterly worn out. I want you connected to Me always, not over-reached with a to-do list that is beyond what I am asking of you.*

*"Each of you has run the race and fought the good fight, I am bringing your reward soon. Do not grow despondent, lazy or foolish with your time and resources. Do what good you can and I will make up the difference merely from your heartfelt intentions. Truly the time is coming upon us, My Bride. Wake up. Stay awake. Behold, your Bridegroom cometh."*

And that was the end of His message.

And talk about confirmations, Ezekiel just had a powerful dream right when I was finishing this message and about to record. As he was relating it to me, I got warm and went to open the window. Out side in the sky was a perfectly formed chemtrail in the shape of an upside-down cross, which I just photographed.

This is the dream: We were on a boulevard in a convertible with the top down, going west. All of a sudden strong winds started blowing from behind us from the east. I turned to see what it was and there were dark clouds rolling and swirling in the sky. At first they were grayish and overcast, then they turned to dark, black storm clouds with loud rumbling that saturated and totally overtook the air - it was SO loud and ominous, almost like it had a life of its own. Screams were heard. This blackness swept up everything in its path.

The sky above us and out in front of us was clear and sunny like a typical southwestern day.

As the clouds continued to churn and roll they started to take a strange shape and began forming into the well-defined image of a skull. All the clouds in the image were moving at a high speed, almost as if it were going to overtake us. You could hear people screaming behind us as this thing cloaked them in darkness.

At this point, we were accelerating and driving very fast to try and get away from it, along with several other cars around us. Suddenly, from the NE, you could see a large white horse galloping in the air. It became very clear and there was a chariot behind it and many other horses and riders. As it got closer, you could see that Jesus was in the chariot, wearing all white with a crown on His head. He outran the clouds and the skull and came in behind us. He was waving His arms almost like He was herding sheep and getting us grouped in and moving forward. You could still hear the awful screams and shrieks from behind the Lord's army where blackness was overtaking them.

The Lord and His army had formed a barrier between us and the devastation and we were gaining some distance ahead of it, moving really fast. I had the sense that we were either up in the air or that we were about to be up in the air. That's where the dream ended.

Well, what can I say except the Lord is confirming without the news! His little curiosity-seeking Bride, without the news, is finding out what's going on. He's giving me confirmations, guys.

So, it looks like we're on another Rapture watch, and it looks pretty serious. Because if you know anything about things that are going on in the world you can see - armies and peoples and presidents are locking horns and coming into a position, being readied for combat. And we've seen this many, many times before, and the Lord forestalled it. But in this particular message, He's saying He's not going to forestall it this time. So, all we can do is what He's asked us to do - and that is minister to whoever He sends to us and prepare our hearts before Him.

Love you all, God bless you. I pray for you every day. Thank you so much for the beautiful gifts you've been sending for the children. If you want to send anything else, that's wonderful. Anyone who hasn't sent anything for the children, the poor children in this area that are living out in the desert - I'm thinking that easy-to-read Bibles might be a good thing, after all the toys.

Easy-to-read Bibles.

And if you would please do us a favor and giftwrap them, or have Amazon giftwrap them? That would save us a lot of time. And by the way, put the age on them, a boy or girl and the age. And by the way, for those of you who don't know about it, on Amazon if you log into your account, and look at "lists" it will say "find a list". It's up on the top hand, right corner, a drop down box. Type in Heartdwellers and they'll bring up the list that we have for the children, the poor children out here.

Thank you so much, everyone. God bless you and keep praying. The Lord is on His way!

## **Guilt Dams Your Living Waters**

December 8, 2015

The Lord is with us, Heartdwellers. Today He wants to address the issue of guilt, the guilt we carry around when we blow it...

I wanted to start out by telling you, I did a meditational video, My Child You Are Forgiven, several months ago with music, and today the Lord asked me to listen to it. I'd been struggling with certain character flaws and habits that were not appropriate for the high calling we have in Christ as Brides. The Black Panther made his

entrance again and I was growing weary and not knowing how to strangle him.

I am seeing now that guilt is a great tactic of the enemy to stop up the living waters springing from within, or even pollute them. During the forgiveness meditation I watched as opaque shadows of bundles of sin flowed downstream in the crystal clear waters, and I realized that when our desire natures are at odds with what we know would most please God, and we are at a point in our lives where our Love for Him *still* does not equal our Love for ourselves - we allow ourselves things He has advised us we would be better off - more spiritual, less carnal - without.

That reminded me of Galatians 5:16-18 'So I say, walk by the Spirit, and you will not gratify the desires of the flesh. For the flesh desires what is contrary to the Spirit, and the Spirit what is contrary to the flesh. They are at war with each other, so that you are not to do whatever you want. But if you are led by the Spirit, you are not under the law. Those who belong to Christ Jesus have crucified the flesh with its passions and desires.'

We all have something we struggle over - and should I think otherwise, in no time at all will the Lord reveal them, lest we perish through pride and judgment.

So, when we indulge ourselves anyway, we create a bundle of guilt and remorse that we were not strong enough in our Love for Him to deny ourselves. That bundle begins to form a dam, and just like the beavers that cut down a tree to stop up the waters, that bundle begins to form a dam that holds back the flow of living waters from within ourselves.

Jesus led me through the Forgiveness Meditation. And what was really anointed for me was that He wanted me to know that I really am forgiven. He wants me to accept that. But how can I accept that when I know I am still not strong enough to avoid the next occasion of sin? How do I deal with repetitive sin? Many of you on the channel have been very candid and written in about your struggles with repetitive sin, so I know that the Lord is going to use this flaw of mine to help you as well, to get a perspective on how to handle it.

Now, I call it sin, because the Lord said many things are permissible - but not all of those things are expedient or God's perfect will for you.

I said, "Lord how can You forgive me when I keep on sinning? I'm so sick of my carnal nature."

He replied, "*Yes, but ALL is forgiven. Clare, you are not free, you are bound in guilt. I wanted to free you tonight.*"

"But how can you free me when I feel like a dog that returns to his vomit?"

*"Even vomit can get old, and in a hurry. But when you don't forgive yourself, you're chained, bound and useless, in the sense that what is clear and clean, gushing from inside of you is dammed up by the debris of your sin. Let it go."*

"Lord, I want to but I'm not getting encouraging readings from You... they are all pinpointing my weaknesses. Just more readings that make me feel guilty. Can you give me something that will set me free?" I began to cry.

Well, I opened the Bible Promises and this is what I opened to:

"I will cure them of their unfaithfulness. I will love them freely. I will no longer be angry with them.  
Hosea 14:4

"Now may our Lord Jesus Christ Himself and God our Father, who has loved us and given us eternal comfort and good hope by grace, comfort and strengthen your hearts in every good work and word."  
2 Thessalonians 2:16-17

"I have loved you with an everlasting love; therefore I have drawn you with lovingkindness." Jeremiah 31:3 (How do you like those numbers? Pretty neat, yeah?)

But God, being rich in mercy, because of His great love with which He loved us, even when we were dead in our transgressions, made us alive together with Christ (for by grace you have been saved), and raised us up with Him, and seated us with Him in the heavenly places in Christ Jesus, so that in the ages to come He might show the surpassing riches of His grace in kindness toward us in Christ Jesus.  
Ephesians 2:4-7

The Lord continued here, *"Now if that doesn't convince you My Darling, nothing will. Don't worry about this tendency to sin..."*

Now, before you get all angry with me, and say that I'm not hearing from the Lord for that remark, He's not talking about ignoring the fact that you are sinning. What's He's trying to do here is get you not to focus so much on the sin, as on His love for you, and His promises that He's faithful to deliver you from the sinful nature.

*"Don't worry about this tendency to sin, locking horns with it. Rather divert your attention away from its suggestions. Change the subject, radically. Get on something else and leave that demon hanging in the air without any satisfaction.*

*"The minute you lock horns with it, your focus goes from Me to the sin which is overpowering you. Keep your eyes on Me, and confess the fact that I will finish what I started in your soul. We are going to have the victory. In other words, pay more attention to Me and MY promises to you to cure you, than to the momentary battle."*

Here I'd like to insert, the Lord isn't saying not to repent - I'm taking that for granted and He's taking that for granted, because we're dealing with some VERY repentant people on this channel! To the point where they're constantly condemning themselves for things they're innocent of... So, yes of course repent! Yes, of course tell Him you're sorry and ask for the strength to go on. But then move on with Him, changing the focus from yourself and your sin to His power to deliver you.

The Lord continues here: *"Make a fast offering, 'Jesus, I offer you this temptation which I have chosen not to follow, for one sinner at the brink of Hell, that they will be reached with Your love and redemption. Rather I am choosing out of love for You, that which I know will please You.'*

*"You'll be surprised how quickly they will cease and desist hammering you with temptations. They will be throttled by Satan if a soul feels conviction because you prayed for them. Basically they will be told, 'Go find someone else to torment, this one is too dangerous.' or 'Wait for a time when she is weaker - then return and surely she will fall.'*

*"Remember Satan took leave of Me saying he would wait for a more propitious time. When the devil had finished tempting Jesus, he left him until the next opportunity. Luke 4:13*

*"Try it, you will see how well it works. There are plenty of people to torment, those who will not turn it around and use it as a weapon against the tormentor.*

*"I am giving you this advice because I, too, grieve when you sin and both of us are hurting. Oh, Clare, I want so much to make your heart perfect before Me. But it doesn't happen overnight. Remember you are to be a 'good' example to others. And yet your weaknesses... I use as well.*

*"The issue is the sting of guilt that is left behind and causes those living waters to trickle instead of gush. Do you want those living waters to flow at full force or trickle?"*

Wow. I see your point, Lord.

*"I know you do, and for that I am happy. So, try to remember that: in the presence of temptations, the guilt will block the flow of ministry. Right now you could be operating at a much higher flow. Come, let us walk this through together.*

*"And My Brides, the exact same thing applies to you as well. Do you want more of the Spirit? Crucify more of the flesh. Not on your own, but when I inspire you to abstain from things that are harmful to your walk. If you are faithful to follow My instructions, it will take only a little time to get to the summit - not years wandering round and round in the desert, as it has taken My Bride, Clare.*

*"Yes, for years she has struggled. And many of you, too, have struggled for years. All of you have different issues, or slightly different versions of them. These are allowed for your perfection.*

*"As James says,*

*Consider it pure joy, my brothers and sisters, whenever you face trials of many kinds, because you know that the testing of your faith produces perseverance. Let perseverance finish its work so that you may be mature and complete, not lacking anything." James 1:2-4*

*"So, there is a point to being exercised in self-control and self-denial. By My grace, you ascend on high to the throne I have prepared for you in Heaven. You say, 'But Lord, I don't care about a throne.' Ah yes, I understand. But do you care about justice and righteousness, healing the sick, feeding and clothing the poor, teaching the uninformed?"*

*"Yes, of course you do. Do you wish to give wedding presents to Me? Do you wish to make Me ecstatically happy? Do you see My point? These offerings will bring you into a greater degree of authority and with that comes the privilege of doing more good for the Kingdom. Don't you know the Bride looks after the Groom's welfare and happiness?"*

*So, make Me happy. Throw off this harness of guilt and condemnation. Let these little self-indulgences - which the enemy makes light of before you commit them - but afterwards hammers you as with a maul... Let them fall away. Walk away from them. Leave those demons hanging in mid-air, with no results.*

*"I love you. I'm with you. Remember: leave those demons hanging. Pray for the lost. And offer Me your fast from self-will for those who stand on the brink and have no other soul to pray for them."*

## **Binding Demons Teaching**

December 10, 2015

The precious blessing and love of our Lord Jesus Christ be with you all, Heartdwellers.

I've been led to revise the Binding Prayer. Well, there's been a couple things on my mind. There's been a few occasions when it DIDN'T work to get rid of what was plaguing us. There's been more feedback from our Family, our Heartdwellers family and volunteers and prayer warriors about things that needed to be strengthened. And I really felt this morning that the Lord wanted

me to revise this prayer and share it with you, so that you could have more protection than we've had in the past.

So, I'm going to go over a few points with you, and then I'm going to make a separate video right after this with just the Binding Prayer on it, so you don't have to listen to all of this explanation every time you want to use the Binding Prayer.

Okay. So, the first thing is to forgive and bless our enemies from the heart. Oh, this is so important! I can't tell you how many times the Lord has protected us when we forgave people who were working against us. Not only has He protected us, but He's chastised them. Not that I'm praying for chastisement, but I remember one time on the mountain we had some Satanists who cursed a horse, and our horse, unfortunately, did die. There was an open door there with one of the people on the property. Then, as we went back and looked at the situation, well, about a month later the people who had done that to our horse came and told us that they had lost their favorite horse. It's like - you just can't, you can't attack a Christian who is loving and caring and praying for you and get away with it scot-free. There's going to be retribution. We don't pray for retribution, we pray for blessing BUT the Lord is also interested in the salvation of their souls, and what goes around, comes around.

Now, some of you might disagree with me on this, a curse landing on a horse up there. But the Lord made it clear that there was a serious, deceptive open-door going on and it was one of the things that opened the door for this to happen. You know, the enemy waits in line. I mean, in the spirit I see them wrapped around the block and almost as far as you can see, with a sheaf of papers in their hands of curses that they want to lay on us. And the Lord just doesn't allow it. But every once in a while there's an open door - or there's a situation where He allows a curse to land for a certain, specific reason.

So, this is what we've found in 30 years of ministry, that it can happen.

So, the first thing I want to do is forgive and bless our enemies from the heart. And that prayer is, "Father, I forgive and bless my enemies from my heart, those people who have chosen to be my enemies, and pray that Your love would heal and convert them. Father, forgive them, they know not what they do."

Now, the reason I say "those people" instead of my enemies is because some of our enemies are demonic and I'm not about to bless them! It's the people, the unsaved people that are practicing evil that we want to be blessed and we want to come to the Lord.

Okay, and you will notice that I do not have a prayer of repentance at the beginning of the Binding Prayer this time. And that's because all of us DAILY, like the air we breathe, we need to repent daily for everything we do that is offensive to the Lord. So, repentance is a given here, that's why it's not mentioned.

Okay, and then we entreat the Lord for His protection. "Lord, You promised that no weapon formed against us would prosper. I humbly entreat You to fortify the globe of angelic protection surrounding us, and to send Your holy angels to make a complete sweep, removing every demon and evil practitioner, disabling every projection, cursed object and devise of evil. And fortifying this globe beyond the ability of the enemy to penetrate, sealing off every portal: air, earth, fire, water and inter-dimensional."

Now, to explain this to you and to break down. First of all, we address the elements because Fire is the electricity and things can enter through the portal of fire. They most definitely can - they can enter through the portal of Water, they can come up from the Earth. And they can be sent through the Air. So, we mention those things as well as inter-dimensional things. We mention these forces and we pray against evil entering through these forces, deliberately.

I know the ancient Celts would do the same thing, as a matter of fact. Some of their prayers include all the elements.

And rather than having a Dome of protection, we prefer to use a Globe of protection, so that nothing from under the Earth can come up through the ground. And, I begin by asking the holy angels to make a complete sweep, removing every demon and evil practitioner, because people astro-project onto the property, and demons as well.

And so, what we're asking the Lord to do here is to make a sweep, the angels to make a sweep through the globe of protection and to make sure nothing evil stays here. And to disable every projection that is aimed at us, to disable every cursed object placed on the property and every device of evil.

So, that's what that prayer is about: "Lord, You promised that no weapon formed against us would prosper. I humbly entreat You to fortify the globe of angelic protection surrounding us, and to send Your holy angels to make a complete sweep, removing every demon and evil practitioner, (ones that might be astro-projecting, that kind of thing.) disabling every projection, cursed object and devise of evil. And fortifying this globe beyond the ability of the enemy to penetrate, sealing off every portal: air, earth, fire, water and inter-dimensional."

And then you have people who come and go off the property. "Please send Your angels to stand guard and stop our enemies or cursed objects and forces from entering."

And then we leave our angelic globe of protection, to go out sometimes. "I ask that this globe of angelic protection would be duplicated and cover all that pertains to us: animals, volunteers, friends with their families and resources. Our cars, our house, wherever we go. And Father, please cover us and our families with the Blood of Jesus: mind, body, soul and spirit and all that pertains to us and is necessary to our work."

And this helps especially when demonic influences try to upset people or cause misunderstanding. If the Blood is covering them, it can't enter.

Then I ask that "every dark-matter weapon aimed at us or anything pertaining to us: our volunteers, supporters and families, animals would immediately be destroyed by Your holy angels." We want to protect our animals and our families, because they can get attacked and cause tremendous disorder, because we have emotional attachments through our families, our animals and our friends when they are under attack. That can cause a lot of disorder. So, we're asking for protection for them.

And then, finally "Lord, deliver us from evil, from the tyranny of memories and sever the cords of the wicked." The tyranny of memories is an important thing to remember, because when the devil wants to throw us off balance he sends memories of our past failures to us. He tries to saturate us in failure and what we've done wrong, and our flaws. And to draw our attention away from Jesus and away from the work that He has for us to do. Those things have been forgiven, they're under the Blood and they're gone. So, if they're brought up, you have to know it's from a demon. The Lord doesn't bring those things up, the demons bring them up, though.

So, here we're saying, "Lord, deliver us from evil, from the tyranny of memories and sever the cords of the wicked." Any kind of cords that would be attached to us, our families our volunteers and our friends.

Alright, now you know those times when you feel so distant from the Lord, it's like you're praying to a brass wall? Or the Heavens have just disappeared, every thing's bouncing off the ceiling? Well, those are times when the enemy is blocking, spiritually blocking us in some way. And I don't claim to have all the answers there, but I do want to share with you some of the suspect, some of the suspects - spirits of Apathy, Compulsion, Isolation and Unbelief.

You know, one minute you can be on fire for the Lord and the next day you can wake up in the morning and think, 'ahh..what am I doing? What am I thinking? I don't really know what this is all about!' I mean, you can be in utter confusion. So let's add confusion to that mix. So, here is a prayer against that particular force.

Now, mind you - if you've been running around at malls, surfing on the net, shopping, following the news and just being busy and filling your mind with the world, it's not the devil who's causing that isolation - it's you being out of touch with all that business. So, this prayer will NOT work in that situation, you've got to repent, first.

"In the Name of Jesus, I disable and bind every spirit force causing Confusion, Repulsion to God, Slander against God, Apathy, Isolation and Unbelief, along with their leaders, their backup and retaliation." And later on we'll deal with them going to the Abyss.

Now, one thing I wanted to cover was the spirits of Deception, because that's a biggie. When we're all trying to do the right thing and we get deceived, that's really hard. So, we're going to address that.

"In Jesus' Name, I bind all Jezebel, Lying, Religious, Pharisee, Bigotry, Beguiling, Hindering, Deceiving and Seducing Spirits sent against us your backup pools, your leaders, and forces of retaliation, as well as all those who provoke any manner of sin against us."

Okay, so here when we're talking about Jezebel spirits, we're talking about spirits that are sent to hinder prophecy, hinder prophetic gifts, gifts of knowledge and moving in the spirit. It's not just some woman trying to rise up and take authority. No, it's a spirit that suppresses the gifts of the Spirit, through different nefarious means.

Okay, we also want to do away with Lying spirits, because they're constantly telling us lies! Colin Burpo had mentioned that he saw demons on people's shoulders, and his dad asked him, "Well, what are they doing?" And he said, "They're lying. They're telling them lies." I mean, all day long, if you're sensitive spiritually, you're going to hear lies. So we want to bind that, and also be able to recognize it.

A Religious spirit, that finds fault with other people or finds fault and makes an argument out of doctrine. A Pharisee, a bigot - so a Pharisee is someone who is very legalistic, and is picking you apart with a microscope, trying to find your flaws. And totally missing the forest for the trees.

Bigotry - that's opinions, pride and opinions about other people. Judgment. That's one of the fastest ways to get clobbered by the demons, is to have some kind of opinion about another person. Oh boy, that is just a given. You go ahead, and someone comes in and they say, you know, "So and so is this and so and so is that" - they just opened that door of protection for the demons to flood in. And it's personal opinion most of the time, 99% of the time it's not knowledge, it's personal opinion and condemnation.

And I have to tell you, I feel badly for people who have off-handedly attacked us for nothing, because I know what happens when you attack other people. Your protection comes down and then the Lord allows that demons to sift you - so be careful with that, guys.

Beguiling. Seducing, trying to throw you off course by clever arguments and things that YOU want to hear. Vanity, building you up and tearing other people down. Wooh, that's a Beguiling spirit, Hindering spirits saying, "You can't do that! No one can do that... Oh, God's not going to help you with that!" Hindering and Deceiving - "Oh, you know - someone is talking about you right now..." And tries to get you to act against or judge someone else. BIG open door!

And Seducing spirits: "Oh, don't you think you could be more effective if you did this instead of what the Lord's telling you to do? I mean, this would be so much more effective for the Lord." That's a Seducing spirit.

And now we want to be sure to pray against their back-up pools, because once you've bound them, they're going to send reinforcements, so you bind that back-up pool and you bind the leaders that sent them, AND retaliations that provoke every manner of sin against us.

Now, I've made a change in this particular prayer here that I'd like you to just take note of. There was a whole list of preferences of different things, you know - sickness and infirmity, mental illness - a bunch of different things. So what I did is I put that list at the end of the new Binding Prayer, and you can pick and choose out of that list to find the things that you can feel are opposing you, and put that in this place.

So it says, "In Jesus Mighty Name, I disable and bind" (and put your list in there, I've got on the prayer "choose your personal preferences from the list at the end" ) And then the prayer continues: "I disable and bind these forces (your list) from acting against us, our volunteers, friends, pets and families." Now, just to make sure we covered everything, in the next line it says, "In Jesus Name, I bind all forces of Opposition, Mental, Emotional, Spiritual, Physical as well as all dark matter from affecting us. From sending reinforcements, or retaliation against our friends, volunteers, families, pets, resources. And in any way, hindering us. "And in Jesus' Name that every demon force associated with or named in this entire Binding Prayer be dispatched by the holy angels to the Pit, never to be released."

Okay, the next prayer down here, "Curses, Hexes, Spells, and Strongholds" Here's a prayer I took from Francis McNutt and I added to it. And he had a world-class deliverance ministry, he's retired now. But he established a group that delivers people.

I remember once they prayed over me and they bound a spirit of stomach cancer. I'd been having trouble with my stomach and I hadn't told anyone that I was having problems. And they broke that off of me, that curse. These are the words that he has found to be most effective. "I break and forever disable, every curse, hex, evil wish, spell, seal, link, restraint, assignment, devilish wile, and stronghold against us, in Jesus Name, for it is written, that no weapon formed against "us" will prosper." And we say that three times because Francis McNutt said it three times, that was his advice. I don't know why he said it three times, but he had such an incredible reputation, that I'm just going to take his word for it. And then I'm going to add to that, in parenthesis underneath it, it says, "generational curse and soul tie. Add this to the above prayer maybe once a month or so."

Next comes "Healing From Our Sins and Attacks" You know, guys - when we sin it damages us, it damages others and it damages us. And when we're attacked, we're damaged. So, here we're entreating the Lord, Holy Spirit: "I pray Holy Spirit that you would pass over our whole beings, body, soul, and spirit with Your Glory and increase and restore love for others, health, vigor, endurance, focus, faith, peace and joy to the places the enemy, the world and our own flesh have defiled."

Now, that prayer is important, because the longer you're a Christian, the longer you're a human, the more times you're hurt. And when we're hurt we tend to withdraw, and our charity begins to cool down. So, the first item on that list is to restore Love for Others, because that's the most important thing that we need. We can be sick, but love others and it's still powerful. We can be weak and love others and it's still powerful. We can have courage, but if we don't love others, it's useless. We can have focus and faith, but without love - it's not effective. Purity. We can have a pure heart, but no love. And we can be fractured and damaged, rather than whole. We can have peace and joy, but no love for others - and some people might dispute that and I might agree with you - but the point is: without love, we're USELESS. We're like clanging gongs. So, there you go. Restore love for others is a number one item on that list. Then health, strength, vigor, courage, focus, faith, purity of heart, wholeness, peace and joy to the places the enemy, the world and our own flesh have defiled.

So that's the reason for that prayer.

And then I take the time, and you can do or not do this, "Thank You Jesus for the power of your Name. Lord, please cover and sanctify us with Your Blood to be conformed to You in humility, selflessness, obedience, charity, purity and courage." Obedience is HUGE, just HUGE. Humility and obedience are HUGE. You can cut some of the other things out if you want.

This real sweet Church of God lady sent us this prayer. I asked the Lord about it and I opened the Bible Promises to Holy Spirit. This was a prayer that was sent to us as a blessing, so I'm including it in here. That's Favor. "I speak Divine and Supernatural favor, Double favor, Additional favor, Abundant favor, Extended favor, over us and all our works for the Lord. Amen"

And then the next is Glory: "Lord, I humbly ask you to release the glory and protection that You sent with Your People Israel, fire in the midst of them wherever they went and to restore seven fold, all the enemy has stolen from us." And those are Scriptural prayers, to be restored what the enemy has stolen.

The Lord has promised that, but "we humbly ask you to release the Glory and protection that You sent with Your people."

This is interesting, because Ezekiel just had a dream about this black cloud coming from the east and going to the west, and the Lord swooped down from Heaven with all His angels. He swooped down on a white horse, this is message from two or three days ago. And He came between us and the black force. So, that's definitely Glory, coming in between us and evil.

And then finally, the sweetest thing that you can ever say to Jesus, besides I love you, is "I trust in You." And so we say that three times, and say it once if you want, "Jesus, I trust in You. Jesus, I trust in You. Jesus, I trust in You, I really do."

And then after that at the end are the forces of opposition, that you can choose your own personal items from: fear of man, PTSD, codependent behavior, overwhelm, bullying. I mean, there's spirits behind all these things, so you can say, "you spirits that cause all these things."

Panic, confusion, fight or flight chemical and emotional response. And Lying symptoms, lukewarmness, weakness, avarice, pride, rebellion. Those are pretty important. Spiritual deafness and dumbness, twisted communication, divination, seduction.

And then the final sentence there after you've chosen those things: "I declare all of you, coming against us, your leaders and replacements and those attached to or used by you, bound and permanently disabled in Jesus Holy Name, never to return. Amen."

Okay. Well, having said all of that, I have one last note to make. And that is: your authority. You have this authority in the Name of Jesus because you know Him, because you belong to Him, because you serve Him. And you've given your life to Him. So, it's the same as if you would sign off on a check, that you had authority on a banking account. All the money that you need is in that banking account, you just have to sign off on that check, hand it to the cashier and the rest comes.

In the same way, you sign off on that prayer and you hand it to the Lord, and His power is what backs it up. But I've got to tell you: the INTENTION has GOT to be there, the FAITH has got to be there. So, when you pray this prayer, you can envision these different forces in your mind's eye, on the screen of your mind. You can envision these different forces and speak directly to them with complete and total confidence that they HAVE to obey. And if you don't have that total confidence and that faith, that they have to obey, because of the Name of Jesus, you're not going to get the same results. And to make it just a little bit more simple, for us living out in the country – I remember when we were having forest fires, the coyotes would come down into town, all the animals would run and move around, trying to get away from the fire. But, let's say you've got a cabin in the woods and the doors open, you're enjoying the sunny day and taking it all in. All of a sudden, a coyote comes in and starts lifting his leg on your kitchen cabinet. Are you going to just stand there? Or are you gonna grab a broom and make him leave? That's what these are: dirty dogs, dirty coyotes and that broom is the power and authority of Christ. And you wield it at them until they are GONE. And they don't have a choice! Because you're not giving them a choice. They HAVE to go!

So, that said, pray with confidence, pray with intention, pray with focus.

So, that's the new Binding Prayer, guys and that's the explanation behind it.

The Lord bless you all and send us your praise reports when this starts to work for you, please. We'd love to hear that.

## Restoring Hope To Souls in Crisis

December 12, 2015

May the sweet blessing of Holy Spirit and our Lord Jesus be with you all. I want to thank you all for the beautiful presents you've sent for the children on the reservation and the mesa. Hopefully we'll have some pictures soon. Right now we're just sorting through things and getting lists - it's just amazing! It's really beautiful. Thank you so much!

And just a little head's up for those of you who still want to contribute something - we lengthened the list a little with smaller items, like stocking stuffers and that kind of thing, and again you'll find that, the list for Heartdwellers on Amazon.

Okay, well.

The Lord began:

"I want to talk with you about purity - purity of intention, purity of thought, purity in action. Most move with the flow of the world for personal gain, but when you belong to Me, your whole life is about My personal gain. There are those who pretend to work for Me, but truly they are in the flesh more than they are in the Spirit. And I'm not talking about errors, but a way of life."

Oh, Lord. I feel convicted.

"You are aware of your flesh, Clare, and the poison it contributes to your life. But I'm talking about faking it. People who pretend to be Mine, but in reality belong to the world. You are seeing a tremendous increase in pastors and prophets that are not for Me, but for themselves. They teach what is pleasing to the ear. They withhold serious corrections and people who rely on them are stumbling around in the dark.

"My heart is to bring them into the true light of the Gospels, the True Faith. True love of Me, purity of heart from which all issues flow in the life of a soul.

"Many of these who've been stumbling in the darkness know deep down inside that something vital is missing. Something is wrong with their walk, and I am drawing them to Me with My love. That's why they're coming, Clare. They feel My love. When they are loved, they listen. They learn. They grow. Something inside clicks and they know it is authentic.

"Even if you didn't teach anything but that, still you would be immensely effective. Yet there are questions in the hearts of these souls. They're tired of pat answers and euphemisms. They want Truth. Something solid. Even if it violates the comfort zone. But it must be done in Love. And humility.

"Your flaws are many, My Dear Spouse and people are comfortable with the imperfect, because they're SO tired of trying to put on a face of perfection. Eventually that face comes down and the true brokenness and sinful nature of that soul becomes apparent.

"Yet the most important lesson for you to learn is that you are loved in your insufficiency! You are loved with your flaws. You don't need a mask. You don't need a title or facade. All you need is to be genuine.

"I know this doesn't seem important to you. It's all been said before in other messages. But it IS important, because your society is about to fall apart at the seams. And everyone's mask is coming off. Things will be so desperate in this nation that people will seem more like animals than humans, and it can happen overnight. It can happen to you. Your desire nature can grab you by the throat and bring you down - easily, I might add, were it not for My Grace.

"I'm telling you all of this because of the shock that is about to hit this nation. Everything has been running on the surface: social norms, order, etc. But when people are stripped of all they own, stripped of what they based their human dignity upon...things become desperate indeed.

"That's what I want you all to understand. It's going to be a shock that will tear away that civil layer and throw people into complete confusion and despair. They will lose their sense of identity, lose their sense of morality and lost their sense of Me.

"The greatest good you can do for anyone is convince them of their ultimate worth: My Blood. When they cling to worldly things that are taken away in a breath, devastation sets in. Thoughts of suicide, 'My life is not worth living anymore.' Even Christians fall into this.

"I wish for all of you, Heartdwellers, to comfort others with these words: I love them and they are just as special now, stripped down to nothing as they were with all their trappings. Remind them that there are no U-Hauls behind a hearse. Sooner or later they will appear before Me with no earthly goods - and My Joy is in their being, their love for Me, the purity of their hearts before Me. When men are stripped to nothing, then the gold is separated from the dross. That goes for you, too, My Love. Whether you be on foot or a bike or your truck, your worth is in who you are to Me - not in your vehicle.

"I know this seems so elemental and simple. But when it happens, there will be nothing simple about it. I am telling you now - the most important thing that you can do for people during this crisis is to restore their sense of worth. They have two options: act like animals and survive. Or be creatures of honor, fashioned in My image. Trusting in Me.

"Yes, things like food, heat, shelter are very important. But for some, despair will overtake them, because they will see they are not who they thought they were. As they are paralyzed and taken down with the rest of the world. Preachers and their congregations that have been teaching prosperity will be especially hard hit.

"The real chaos will hit after the Rapture. These messages will be an anchor in the storm, Clare. Many will find solace and relief...AND their faith again."

Oh, Jesus! Thank You so much for using me this way. Thank You, Lord.

"My Brides, you have no idea what is waiting for you in Heaven. Keep up the good work. I'm coming soon - MY soon, YOUR soon...SOON.

## The Lord Savors His Time With Us

December 12, 2015

The Lord is with us, Heartdwellers - and MIGHTY to save!

Well, as you probably guessed, because I've been a little bit spotty on getting messages up on time, the last two days have been extremely intense - or four days! - and I've been wading through a lot of gunk. Finally, thanks to all of your prayers, I made it out the other side - in one piece. And the Lord gave me this Rhema.

"Let us flee for she is not alone, the Almighty is with her."

Isn't that awesome! It really is awesome...

Well, He began:

"My little Clare...My very, very little Clare...I am so pleased with you. I miss our times together. You know you distract Me away from the world, just like the song I asked you to pay attention to the lyrics of, because it's what you do for Me."

And that song would be All of Me, by Christ for the Nations. And at the end of this video I'm going to leave a link up on the screen, because I would really like you to listen to it, and just on the screen of your mind, place your favorite image of Jesus in front of you and let Him sing this song to you. The artist was singing it to Him, but He has sung this song to me so many times. And that's what this message is all about.

And the lyrics are:

When I'm captured by Your gaze,  
The whole world fades away  
And the troubles I once knew  
Dissipate in Your embrace

When Your beauty I behold,  
In my heart one thing I know  
Earthly things are counted loss  
Just to know You even more

And then the Chorus is:

So let me pour my love on You,  
Like fragrance from my heart  
And feel Your love surround me as  
You wrap me in Your arms  
Take me to Your chambers where  
Your beauty's all I see  
The place where nothing matters,  
But to give You all of me.

WOW! Isn't that beautiful??

You know, there've been a lot of people who have criticized our intimacy with the Lord, but they're really dragging way behind what God is doing right now. Because there are so many musical groups who are being anointed to minister Love to the Bride, and to bring the Bride into His arms. There are so many wonderful, solid Bible teachers who are now teaching this. The Lord has anointed this for this season, and folks that take exception to it and criticize - you guys, you don't know what you're missing! Please, please - this is a huge movement, this is not just Heartdwellers. This is a huge movement all over the world, with pastors and prophets and teachers. And ALL of them are solid. Solid Gold.

So, please. Consider what you might be missing out on, because you haven't been able to accept this teaching. And I'm no-one. The Lord IN me has taught me this, and He's teaching this very same thing to people all over the world right now. So, don't miss out on this movement of God.

So, THAT said - after I read the lyrics, I said,

"Shall I tell Your Brides Lord?"

"It would hardly be believed, but yes, tell them. Tell them to distract Me away from the violence, abuse, genocide and atrocities I must witness every day. Tell them I wait for them to come and sit before Me, with nothing in mind but Me."

Oh, Lord that is SO hard! You know our minds are like garbage cans spinning around tossing out this, tossing out that!

"Well said. Nevertheless, just the sight of one of My Brides sitting quietly with Me on her mind, though it be interrupted by a thousand and one thoughts... still, it brings Me much comfort and pleasure. Here is an analogy you will all understand. When I have been hard at it all the day and night long...though My energy is without limit, My feelings are enormous. And like a pebble thrown into still waters, it vibrates all through My being. What do you run for when you're really hurting?"

Oohhh, and I thought, 'Lord, don't ask me that - do I have to tell everybody??'

"Umm...Chocolate? Dark...chocolate? The darkest chocolate you can find?"

"And what happens when you eat it? "

"Well, at first the flavor grabs hold of my attention and distracts me, and there is much pleasure from the texture, too. And then my strength returns and I feel more normal and less burdened."

It's weird. I don't know if...I don't think it's just a blood sugar thing. I know that chocolate is very useful for depression, dark chocolate is. And of course, it has caffeine in it, so that boosts your feelings. So, anyway, I had to answer "chocolate."

And then He continued: "Well, it certainly is a poor analogy, but your presence infuses Me with such joy, the fragrance of your presence reaching out to embrace Me immediately changes the subject and I allow Myself to bask in your presence.

"Here is another analogy - a better one. Imagine that a front has come in with dark, heavy clouds. And you look on the radar map and you see it's for miles and miles around, it's going to hang on you for days. And it does, and everything is so dark and gloomy. And then, all of a sudden, the storm breaks! And the sun comes out. That's what I'm talking about. I bask in the breaking sun of your presence. Scanning the

Earth for those who are reaching out in Love for Me. It's so dark, and when I find one that does - it's as if the sun finally came out! And I bask in that presence.

"Yes! I derive true joy in your presence. Not that I am ever without joy, but do you understand? You amplify it. I search the whole world for devout souls that love and honor Me, and they all emit a sweet fragrance, especially when they are worshipping or waiting to be with Me.

"Do you understand?"

Lord, I accept what you are saying as a little child, but please pray our Heartdwellers will be profoundly touched by this dynamic between You and us.

"Oh, that's a given. I've prepared their hearts for this. The world is a dark and painful place, but when My Bride 'walks in the room,' so to speak, the whole world lights up with joy. Oh, My dear ones, please take Me seriously. How I love to be with you! There is nothing in this whole world that brings Me the kind of joy I experience with you. Right now, I need a lot of this - a whole lot of this. Please - distract Me away from what I must do. Bask in My presence as I bask in yours.

"While everything around you is falling apart, you are pillars of light and hope. You are the redeemed of My Creation that came back to thank Me, while the other 9 lepers kept on walking, with not even a nod of acknowledgement. When all feels dark and gloomy, I think of you. Your angel taps you on the shoulder and reminds you to come into prayer, and soon we are together again, in a way you can truly feel. Or sometimes, when you are so preoccupied with the world: baking, cleaning, shopping - I come and stand before you and you sense My Presence. But I long for you to be alone with Me at that time. Oh, it is Heavenly for Me.

"I'm just telling you this to encourage you. So often you duck and dodge Me because you failed in charity or overstepped your bounds or didn't give Me the sacrifice I was expecting from you. Because you love Me, it hits you hard that you failed. Then you tend to withdraw. Come. Just come at those times,. Tell Me you're sorry and next time you will try harder. See if I don't wrap My arms around you and hold you to My Heart.

"Yes, as I hold you there the deep love, power, endurance, and all the grace you need will come pouring out of My Heart into yours. Yes, it is the kiss of My Grace on your soul and with it you are strengthened for the journey which has been so very wearying.

"So, that is your lesson for today: come to Me! Bring Me joy, let Me infuse you with My grace. Soon this veil of tears will come to an end for all of you, and what you have suffered so willingly for Me will be rewarded beyond anything you can possibly imagine.

"Even Walt Disney would be in shock with what I have in store for those who love Me."

And I would ask you at this point, guys, to please listen to this song and allow Him to sing it to you. It will not accept a link from another site, so I'll spell it out for you, with spaces, and then you just enter that in. Get rid of the spaces and type that in to your browser. You really need Him to minister to you, just as He needs ministry from you.

## Avoiding Holiday Quarrels

December 14, 2015

This is a season that has the potential for great joy or great sorrow, and it's really been on my heart the last few days to touch in with you and just share some experiences I've had during the holidays. I wish I'd done it a little sooner, 'cause some of you won't get this in time.

But I know that those who hate Christianity pray against families so they'll be broken, and their favorite time to do substantial damage is during the holidays. I can't tell you how many times spiritual battles have been brought up that we had to fight on holidays, and how we've had to cover EVERY family member with prayer, to allow God to bring together a healing time of rejoicing and thanksgiving.

What a difference it made!

We noticed this tendency for trouble around the holidays many, many years ago - and also came into some knowledge of the different satanic feasts and savots. So, we noticed and implemented the plan for protecting the house, the vehicles, the attitudes, feelings, potential use of alcohol - old injuries flaring up between family members. We noticed all of this coming up around holidays. It's amazing how the Lord has protected us when we deliberately prayed against spirits of division, jealousy, misunderstanding, lying, accusing, lust and pride.

It really works, guys. Binding these monsters ahead of time, or if you even notice something starting to come up, where there's some friction. Praying, going into the restroom or whatever and praying against it. Praying that the holy angels will keep the trouble-makers out. It really, really works.

We all come together to celebrate and to love each other. And what better opportunity for the devils to drive a wedge into the family than when we're all together? You know, some of us travel for hundreds of miles to be together during that time, some of us have saved money and spent it for special things around the holidays.

So, the devils love to disappoint. But the Lord warns us ahead of time to pray carefully over our families so that these things don't happen. Those ugly opportunists love to take advantage of our vulnerable feelings, to sow discord.

I believe we can pray against them, but there's no weapon like Virtue and ESPECIALLY Humility to put the enemy to flight!

We have unsaved loved ones who don't have a CLUE about how they're being used. So the only way we can disarm what could turn into a bitter experience is for us to exercise extreme, heroic Charity, Humility and yielding. Bending over backwards to please one another. Going out of our way to yield to someone who wants it their way. And laying aside our own ideas and egos to create a sweet, nurturing environment.

One way to accomplish this is to lay all our wants aside, to minister to the weaker ones who don't know Christ. Or just make it an especially joyful time for our spouses by doing what he or she wants instead of what we want or what we'd planned.

We're only going to be together for a few hours with all our family members, so let's make the most of it. So that they remember that time as sweet and bonding, something they can hold dear in their hearts.

This can be a time of extreme turbulence for families when there's a drinker who's gotten out of control. Here, too, we need to be as patient and kind as our poor frames will allow. The shelters fill up during the holidays, but forewarned is forearmed.

I pray that this will be a time of healing and comfort for all in Jesus, that we can celebrate His birth and coming into the world, leaving behind memorable times with each other and locking out all the elements of division and discord. We've got the tools, guys! Let's use them!

The Lord bless you all! And pray for us as we pray for you.

## **The Coming Revival, Authentic Worshippers, Arc of the Covenant**

December 14, 2015

The Lord is with us in a marvelous way, Heartdwellers!

The past two days I have been utterly captivated by the discoveries of an amateur archeologist. The Lord has chosen the foolish people of the world to confound the wise. Not really "Smithsonian credible" credentials, but certainly using the latest in technology for exploration, he's been falsely accused before men.

His name is Ron Wyatt, Wyatt Archeological Research. I prayed about this man and the Lord confirmed that he was indeed telling the truth. We are to know one another by the Spirit and just because he comes from Tennessee, not Massachusetts, and didn't belong to any denomination Christians acknowledge, my spirit bore witness to his honesty. He claims to have found the Ark of the Covenant, 20' beneath the very place the Lord was crucified and that the earthquake split the rock and the stone covering to the box holding the ark, and His blood stained the 20' crack in the rock and landed directly on the Mercy Seat, where Jeremiah had hidden the ark before Nebuchadnezzar conquered Jerusalem.

I highly recommend you watch his documentary videos, they are SO inspiring. I'm going to leave you the link at the end of this video and I ask you to please watch it tomorrow instead of my channel tomorrow because we are changing equipment and we will be out of commission for a day or a day and a half.

And how amazing is his discovery of Mt. Sinai!!! Oh how tremendous, so many verifications that it was THE mountain the Lord descended upon, including it being a blackened peak amongst all the other peaks that were just tan in color, and finding where the earth split open and made a stream running into the valley where the Israelites were camped.

By the way, please don't jump on me because you don't agree that he's authentic, any comments like that will be deleted. We may not agree on his background or training but the Lord has already confirmed that he IS the one who found the Ark of the Covenant.

<http://wyattmuseum.com/>

I already had an interest in Exodus because the Lord had commissioned "Exodus" for me to compose and record. I got to the first plague and didn't finish. I had also encountered Moses during one of my episodes in Heaven. He had a meek and humble demeanor and hardly spoke a word, but such a sweet and 'little' presence. A big man, with a very, very humble presence.

I could hardly sleep after I watched Ron Wyatt's research. His whole heart was to prove that the Bible was true. When I came into prayer this morning, one of the first things the Lord spoke was, *"All those thing you are longing to see, all of them...we shall visit together. How would you like that?"*

I answered Him, "I'D ABSOLUTELY LOVE IT!!!!"

*"I am so touched by your interest, and discernment. He (Ron Wyatt,) was a holy and dedicated man, not a spark of self-interest. He, too, was under the anvil of correction many, many times. He humbled himself before Me, Clare. He repented for moments of vain-glory. I rewarded his dedication and his whole life's work with this crowning achievement, because his heart was totally for Me and he sought My will before doing anything.*

*"There are those who have lifted themselves up to denounce him, like the ones that oppose you. Concocting lies, they seek to undermine what I did through this man. Yet someday, all will be proven. I am a rewarder of those who diligently seek Me."*

And just a note on that, one of the things that they were arguing over was that the Lord told Ron that he would be a part of disclosing the law and the Ark of the Covenant to the people when they returned to God, the Hebrews and the Israelites, when they turned to God. Of course, he's gone on to be with the Lord now, but what's gonna happen when the graves open? I mean, come on - we all know that the dead in Christ are going to rise. Probably that's when the Ark of the Covenant is going to be exposed to the Jews to help them to see that Jesus IS the Messiah!

So, there are a lot of just empty arguments that people put up about him, I took a little look at them. I didn't go into them terribly deeply, 'cause the Lord had already told me the man was authentic.

Okay... He was an anesthesiologist for a living, so he had to earn the money to go out on these explorations. And it cost him his whole life, really, to be able to do the things that he did. Sometimes using very high-tech equipment and very capable people.

I continued here:

*"Oh Lord, my heart burns with the magnitude of Your power and glory. How awesome...oh, those words are petty and over-used. But the majesty and glory revealed in these discoveries thwarts my intellect. All Power, Awe and majesty to You, Lord."*

*"You see how far man has come...now he can enter into the Holy of Holy's and speak with Me as Moses did, without fear of instant death. Oh, that was My heart, Clare, to open the veil, that My precious little ones might enter! How I longed to fellowship with My people. They were so remote at those times, but out of necessity - because they had not yet learned the fear of God.*

*"But then I came to Earth and walked among them, dispelling the terror and revealing My true Heart of mercy for them. Yes, I have broken down the wall that divides. I have truly rent asunder the veil, and*

*offered more privileges than ever. I open My arms to embrace each one of My creatures and speak with them as to dear children. Oh, so much was accomplished on the Cross!*

*“As the reality of Who I AM has been revealed through the New Covenant, intimacy is given. Yet men have always been intimidated by what they cannot control. And they cannot control the working of My Spirit in the minds and hearts of men. Therefore they set forth rules, regulations, boundaries on My workings with men.*

*“I laugh at those rules and seek out the solitary souls that adore Me and want nothing more in their lives than to make Me happy: to know, to love and to serve Me. Yes, this is the time spoken of in Joel:*

*“... I will pour out My Spirit on all mankind;  
And your sons and daughters will prophesy,  
Your old men will dream dreams,  
Your young men will see visions.” Joel 2:28*

*“Things will intensify in this arena as world chaos intensifies. I have taken many by the hand and led them out of denominations that were crippling their walk with Me. I have brought them to My banqueting table in the Spirit and lavished My understanding of things they so desired to know. I have calmed all their fears of being close to Me and done away with the barrier of lies they were encapsulated in, keeping them from My arms.*

*“Now they are walking in My Spirit and reaching out to others with My Love, and breaking every yoke of lies the enemy has placed on their backs. So much freedom for those who have diligently sought Me. So much liberation and deliverance from the norms of men that have chained them down. Now they are free to worship Me in Spirit and in Truth, and so many have fallen under the influence of My Spirit, being filled to overflowing, going out and pouring this upon the broken and lonely.”*

He reminds me of Heidi Baker...

*“Yes, order is important, otherwise you have chaos. But there are boundaries even in order; one must not compromise the conscience of another soul or oppress them. The line is fine and difficult to balance, because discernment is not keen in many places. People are condemned and silenced because discernment fails. In these days before My coming, I am turning loose an unprecedented number of true believers, that they may have My mind and not the mind of men.*

*“I am making an all out effort, Clare, to reach people with My authentic Love and Intimacy, and laying the foundation for revival that will break forth after you are Raptured. Many, many are the authentic lovers and worshippers that I have chosen to bring forth teachings for the left behind. Even now, they lament the small number they reach, not realizing what is about to break forth in the near future. At that time, the knowledge of Me will far surpass the boundaries religious leaders have set out.”*

Oh, Lord I heard a Rabbi say that it was absurd that a woman scantily clad in red could immediately enter Heaven after she repented. I couldn't believe my ears.

*“Do you know, Beloved, this is why the leaders missed Me? They were so stuck on the laws, with its external trappings, they could not recognize the heart of the law. They felt they had spent a lifetime living by the rules and surely they deserved Heaven. And some repenting harlot that slept around and*

*made a living by immorality could never, ever, conceivably be pardoned in one moment and enter Heaven the next.*

*“What they are missing is My atoning sacrifice. It's not by sheep, nor goats, nor their good works. It is by My Blood, an atrocious and unspeakably foul thing to them. But this is what atones for and allows access to the Holy of Holies. Yes, the idea of eating My Flesh and drinking My Blood was the most noxious thing they could imagine. But when the Mercy Seat is shown with My Blood upon it, their confusion will be turned to incredulity. Some will renounce it as a prank. Others will be deeply smitten, falling on their faces in utter brokenness for having slandered all these years. For their blindness and persecution, some will not rise up from that place for days and even weeks, so troubling will this discovery be to them. And so deeply repentant.*

*“Yes, My people are stubborn, but once they know the truth they will be stubborn for Truth - and thousands will be martyred, dying happily for My Name's sake. I have sent them confirmations because I love them, because some of them have been very diligent. Yes, in the young man. Yes, in the highly respected Rabbi, who is now with Me. Yes, in the Ark of the Covenant... yes, yes! Endless confirmations will I shower upon them. Their minds will be opened and I will drop My understanding in the place of their blindness and confusion.*

*“Oh, how wonderful it will be to see My People repenting and turning around 180 degrees, back to Me. Oh, how comforting... glorious indeed will be their genuine contrition when they return to Me! And then they will rise up into the teachings I have left behind for them, plus the new many new revelations and understandings as they make connections between the old and the new covenants.*

*“What a glorious time this will be, the fulfillment of all their dreams. Finally they will have their Meshiack!”*

## **Why the Need for the Blood Sacrifice**

December 18, 2015

The blessing of our sweet Lord Jesus be with you all.  
Sorry for the long delay in computer upgrades and everything, but I'm back!

Today's message, this morning, began:

Here I am Lord.

*“I am here, too, My Love.”*

Do you have a message for our hungry audience?

(after three days of being away from you guys!)

I believe in You. Jesus.

*“I believe in you, too.”*

*"I believe in you, too."*

Is there an echo in this room?

*"No. But there are angels."*

Wow!!! I saw one on the left in front of me with a pen and one on the right one with a sword?

*"That's right. Your faith has opened your eyes. (I can't tell you guys how long I've been waiting to see my angels!) They are protecting our conversation."*

Thank you, Lord. Thank You!

*"You have eyes in the back of your head, you know..."*

I DO? And then I realized I could see angels behind me in the spirit. The one on my right, held a shield - the one on my left held a thunderbolt!

*"Well done. They have your back."*

As He said that, they turned around facing outwards. The pen and the sword are still facing me. The angel with the sword touched my head with it... 'Wow, that must be the sword of the spirit!' I thought to myself. And the one with the pen came over and handed it to me. How beautiful. Thank you, My angels.

*"You began praying for them - that's why you can see them."*

And then He gave me a short message for a suffering soul. Someone who's just really been suffering at lot and was feeling really alienated from the Lord, and I'll share that with you because some of you out there may be experiencing the same thing.

He said, *"It grieves Me that you do not believe you are loved and forgiven. Just bear up under this trial as an offering for those who never hear Me, never see Me, never believed in Me. It is for the salvation of souls soon to die that you are carrying this burden."*

Now, let me explain that to you. He's not saying that WE are saving souls. This has to do with fast offering, to bring the gospel to them.

*"Time is short. I will give you respite, but for now, bear up under this burden cheerfully, knowing that I am well pleased with you. I just want to see your sunshine again. It blesses Me to see your smile in all kinds of weather, to feel your touch, and sense your concern for Me. Know too, My Love, that I am suffering far more now than you can ever imagine, because of those I may never again see with Me."*

And then the Lord confided to me, *"They've driven and driven him, Clare, don't be impatient with him. I understand his pain. After all, were you in the same place, you would be suffering, too."*

*"Yes, I do have a message. Stand fast in the storm. Do not be distracted by the howling wind, the banging shutters, the creaking house. I will not allow you to suffer beyond the strength I am endowing*

*you with. When you can no longer stand, I will lift you up into My arms and carry you the rest of the way.*

*“Satan would have you get discouraged, telling you that you just can't do it. That's a lie. You can most certainly do it, for My power is perfected in your weakness. I have not abandoned you, I am not chastising you. I am desperate for love offerings, fast offerings and those who would follow in Simon's footsteps, carrying the cross all the way to the top of the hill.*

*“Those of you who have been carrying My cross will be rewarded beyond your imagination to comprehend with the sweetness of My presence. Those of you who cry out for more strength to carry it, will be supplied with more strength. Those of you who cry out for respite, I understand and I will comfort you. Just do your best, I will take it from there.*

*“I am sorry that it is a spiritual law that suffering and sacrifice must accompany your prayers and Mine for the lost. It is a dynamic that I will explain to you.*

*“Everything that comes from the Father is LIFE and the life is in the blood. The blood represents the life of the creature and so what is given...LIFE, originally from the Father, must be atoned for when it is wasted.*

*“When you sin, you waste life. You waste the precious LIFE that came forth from the Father that all things should work together well, in order, in holiness, by divine design. Sin introduces corruption and steals from that life, what is necessary for the spiritual ecology of things to run.*

*“If you were to see this as an enclosed system, (which it is not, by the way) then you would understand that, when you take, it has to be replaced. The life force itself must return to the sender, so to speak, to be recycled as new life given forth, new graces imparted. NO, it is not reincarnation. You are born once and die once; reincarnation is a perversion of this truth I am imparting to you, My Love. Yes, it is still Me (I had my doubts at this point) and I have long wanted to explain this to you.*

*“The offering part is man's responsibility for the losses others, or even self, has incurred. Redemption is covered by My Blood, but redemption is not just a one-time event; it is a continuing process of sanctification. You being redeemed once and for all from the Law of sin and death was a one time event. But the ongoing cycle of grace and LIFE is man's part in repairing for the damage done to what the Father sent forth...remember the analogy of the closed system.*

*“That is why the blood of animals was required. It was to replace what sin removed from the closed system. But of course, never could the blood of goats and sheep replace the life. It was symbolic for the LIFE within them, that returned to the Father in the 'closed' system.*

*“This does not imply any lack on Our account because we are infinite in being and in resource. But you could call it more of an allotment to this system, that man is called upon to maintain and repair.*

*“It truly is a mystery, and someday you will comprehend it more fully.”*

So, I thought this for a while, and I talked to Carol about it. She explained it somewhat like on the Earth, the way water is recycled, how it evaporates and then it rains. Evaporates and goes up into the clouds

and it rains, saturates the Earth then it evaporates again. And with that analogy I can somewhat understand it.

But, I had to stop at that point and perhaps the Lord will give me more on that. I don't know. I think there's probably more that can be given in the future, but I was constrained by time because I had an appointment, so I had to stop.

## **Preparations for War Hidden From Us, Jesus Reveals**

December 20, 2015

Well, everyone. It's December 19th, 2015 and I really thank you for your patience. The last four days have been just as hard for me as they've been for you, because I haven't been able to get a message up. Boy,

I'll tell you. Doing a major upgrade with the recording software like Protools...I just won't go into it. Needless to say, there were problems at every turn and my computer was not really...it's an

older computer, so upgrading it and upgrading Protools and everything else was just not easy.

But I had some good help and we got it done and I'm back. And my apologies - I am so sorry for being gone this long!

Also, I wanted to tell you, we look like a Toys R Us over here! The garage where we're wrapping all the presents is FULL of toys and Bibles and art supplies and musical instruments. You have all been so generous! You've all been so generous! And boxes - we got a beautiful box of hand-croqueted scarves and clothing.

And everybody on Taos Pueblo Indian Reservation - ALL the children have new coats - every single one that we know of, that we heard of and we went to the Tribal elders to find out who the families were. And we've got an arrangement with them, they're going to be delivering the presents to each family. Each family has their own special gifts, we made a special list, and we paired it with the needs of the child and the children in the family and the ages.

Out on Carson we've got beautiful gifts for people out on Carson, for out on the Mesa, and Carson and Two Peaks, which is the poorest area around. We have all kinds of things for them, too.

So, I mean really, it looks like Santa's sleigh full of stuff! It's just amazing, a Toy's R Us and a Bible Book Store! And an Art store and a Music store...all together! So, thank you so much for caring about these children. I know the Lord will reward you.

I have some pictures of the presents, I have pictures of one family. But unfortunately, we needed releases from the parents on the Pueblo to photograph the children and we couldn't get that. So, we don't have any photographs there. But suffice it to say, they are very, very happy - the children are going to be VERY surprised when they get these presents, too.

I did get a whole bunch of thank you letters from the children from Taos Day School, and I'm having those copied and put into a PDF, which I'll let you know when it's ready. It'll be on our website. Thank

you for your generosity, guys. The Love of the Lord is really showing through you. You did it for the least, and you did it unto Him. I know you know that, but thank you.  
We're just so honored and glad to be able to make a difference in Taos at Christmas time.

And a lot of people don't celebrate Christmas but the Lord wanted these children to have something to remember Him by. ALL the cards say From Jesus with Love. So, that's beautiful.

Okay. And the Lord has been speaking, I've been tied up trying to make changes, trying to get everything upgraded that I use with this new system, so I haven't had as much time for messages as I normally would, and I feel a little disconnected there. But we're getting back in the saddle!

Last night I began with the Lord, and I just told Him I was so totally overwhelmed with how He's moved in your hearts, that all of you have sent so many things. And by the way, we have enough things now! I can tell you that, we are LOADED!

I also discovered, just by accident - well, nothing's an accident by Holy Spirit. I discovered a wonderful new way to worship, to allow the Lord, allow Holy Spirit to pick the songs. If you make a playlist with all your favorite songs on it, and put them in any order, it doesn't matter. And then click on "shuffle", the shuffle option in I-Tunes, Holy Spirit can pick the songs He wants you to worship to, the things that are on His heart. And I've tried that a couple times now and it's wonderful. It's very edifying. Because I know when a song comes up, it's what's on His heart and mind. And He surprised me with a few things - really sweet things that I just wasn't expecting. So, that's for...that's a head's up for all of us who use I-Tunes and have that shuffle option.

It began with me having problems again feeling that the Rapture is near. I've just been really, really having a problem with that. When I came into worship, the song that He chose - twice - was How Long by Terry MacAlmon. "How long will it be until we're turned into Your likeness." It's all about the Rapture!

So I said to the Lord, "That's twice you've played this song, Lord."

And He said, *"Well, that should tell you something."*

Lord, we've been waiting so long...

*"Not as long as others."*

Well, I know...some of them have died waiting.

*"Yup."*

Forgive me Lord, but...

*"But...you just don't believe I'm coming THAT soon."*

Right, that's true.

*"Well, you are wrong. I know you are having fun with your new toys, ('cause I had an iPhone, too...) but communicating in Heaven will be much, much easier. No upgrades necessary, seamless understanding and seamless execution."*

Yeah... we haven't had a camera for a long time, so when I got the iPhone to go with this system, I got photographs of the presents and everything - it was really nice to be able to do that finally, so I could share them with you. So, yeah - it's a toy of sorts...

Then I said, "Oh Lord, these upgrades have been a huge frustrating Grizzly Bear, snarling at every turn."

He replied, *"I've heard YOU snarling at every turn."*

Yeah...I have been snarling...I confess it...

*"How can you lead others to be prepared when you STILL don't believe?"*

Lord, everything I know is a gift from You...I don't think You've given me that gift?

*"Oh, really now?"*

Well, I don't have that sense of urgency I normally have at Your approach?

*"True. But you've really been wrapped up in the world with intensity and that hasn't left you time to sit and settle and understand how I am feeling, what I am thinking."*

I'm sorry, Lord.

*"Well, circumstances have conspired, at least you recognize what's going on. Yet, this is your work, Clare - and sometimes it's harder than others, you know that... You know that you can offer this difficulty up as a fast offering...?"*

Yes, I do know.

*"I want you to work harder than ever before to set up and finish off all I have entrusted to you. With the shortness of time comes a responsibility to move a little more swiftly in accomplishing all that is left for you to do."*

Please, help me, Lord. You're going to have to pinpoint what you want done, and when, 'cause there're so many different things I could be doing.

*"There is yet a little time, that is why you are not feeling the urgency. We've been through this so many times before."*

Oh no, not another Rapture drill.

*"Not quite. More like packing it all up for the journey. Leaving it all in good order, well equipped, laid out in front of you. Orderly."*

Lord please help me, I'm not doing too well in that area.

And at that point, I was getting tired, I had had a really full day. And He reminded me that I am on a new schedule, so He wanted me to go to bed. So, I got up this morning and we sat down together and He said,

*"I know you don't 'feel' Me, but I am speaking to you Beloved. I understand even better than you do what troubles you. Right now we are at odds over the Rapture."*

True.

*"May I take you by the hand, and explain it to you?"*

Yes, Lord. Oh please, by all means, how sweet to be holding hands with You.

*"First of all, you don't really get it that what you hear in the news is bogus. What would be important for you to know is merely foreshadowed in obscure language and signs. The 'rest' of the world, as you are well aware are kept in the dark about the days proceedings. It's all a matter of manipulation for control."*

*"When the heavy things go down you will know strictly by observance. But because you are My Beloved Bride, I tell you these things beforehand."*

So, at that point, I found myself hovering over Israel, and I saw the borders being carefully observed by ready-for-action any time forces. They were wearing hats...that go lengthwise on their heads, you know the kind that you can take off and fold. On the front of one man's cap was a medallion, which seemed to be silver and gold. Also red and black embroidery of some kind, which I couldn't read. I believe he was something like a Special Forces commander. Well I did see a lot of red berets. And it seemed like they were marching together. I am on Israel's northern border where there is a great deal of tension. They are on some kind of alert.

On the eastern border I see masses of troops building up, getting ready for an invasion. Looking off the coast of the Gaza, I see four submarines; they are Russian.

It seems strange to me but not much seems to be happening on the Egyptian border. It almost looks deserted with small forces scattered here and there throughout the area with deep concern. The Egyptian air force seems to be active on that border with Egypt. People are milling around the temple mount as if nothing significant was happening.

I see Putin in an office standing and answering telephone calls, he seems excited or very busy. I sense very deep strong confidence coming from him. It seems like he is the main player in all of this. People are coming and going from his office, the atmosphere is charged with expectation.

Now I see the White house, and Obama is in the oval office, he and Putin had been on the phone, communicating. There is a real sense of team players talking, although Putin seems to be the senior of Obama, who I sense to be hollow, and empty, like a puppet. I see one very tall man to his right, Obama is handing him papers. They are orders to be executed.

I see the Lord now, high in the clouds towards the North East along with His armies behind Him as far as the eye can see. He is on a white horse, wearing His Crown, with a sense of readiness. His horse keeps prancing back and forth. I also see the Canadian prime minister on the phone with Obama.

The Lord began, *"You see how they are grouping together? You sense the excitement in the air, they are all together in what is going to happen. Scripted, planned out, unified solidly committed to the New World agenda."*

*"This is not play time, you are not imagining this, I am showing you the reality of what is going on."*

All up and down the eastern coast of our country. I saw that things are calm and not expectant. In fact I am seeing an officer with his feet up, leaning back in his chair. I am reminded of Pearl Harbor. There is one military general or commander just north of San Francisco that is pacing back and forth anxiously. He knows something is up. Somehow, he is informed. Someone also in Seattle is aware. Somewhere along the northern border in the mid-section, I see a group of men, patriots that are on alert. Right now they are playing cards, but they are acutely aware that something's up.

"Lord You said that we had a little time."

*"We do have a little time. But it's a very little time. That's why I want you to make the very best use of it."*

I asked Him, "Would you please send me a confirmation. Lord I'm still not connecting here..."

*"I know this is a time and a season for family...however disordered it may be, (yeah - we know about disorder in the family, huh...) but I am asking you, My Bride, not to let your guard down. Be on the lookout for occasions of sin and be ready to go into serious prayer when you are called."*

*"Many of you are extremely faithful and obedient in a timely way. You are so very important to Me. Through you I have stopped many serious things from occurring, as well as bringing many home to Me. I appreciate your watchfulness, My Bride."*

*"I appreciate your diligence and covering for My servant Bride, Clare and Ezekiel, because they have become the target of many unsavory characters and those who are seriously committed to evil. Thank you for standing guard over them, your hope will not disappoint. They are much hated and much ridiculed in certain circles. Both her and Ezekiel have been delivered out of harm's way because of your faithfulness. Carol and her family, too, is a target."*

*"I know things are more intense for you all right now, but it won't be much longer 'till you are delivered from this corrupted and dark world. In the meantime, know that I am highly pleased with you for your faithfulness to this, your generosity to the poor. Great is your reward in Heaven. Stay faithful."*

*"I STILL am coming soon."*

## Ark of the Covenant Found Sprinkled With Jesus' Blood

December 21, 2015

The Lord is with us, Heartdwellers.

In His tremendous kindness He's been revealing so many secrets to us, so many beautiful secrets of His blood, His sacrifice. And I wanted to share with you a message that He had given me about Ron Wyatt and the Ark of the Covenant, the discovery of it. Just for your edification. And the Lord confirmed that He indeed had found it. And this is what He had to say.

Lord, I just can't get over what You did when you sprinkled Your blood on the Mercy seat?

And for those of you who are not familiar with this, Ron Wyatt discovered the place where the Lord was crucified and hewn out rock where three crosses were. And twenty feet below that, deep under the ground, without anyone knowing about it, he discovered the Ark of the Covenant, which Jeremiah had hidden there when Nebuchadnezzar was coming to destroy Jerusalem. And the interesting part was, he came in from the back side where the quarry is, and spend all these years - I think it's three years searching, 'cause he just knew in his heart and his spirit that the Ark of the Covenant was hidden somewhere there.

So, he explored these numerous cave systems with his two sons, and he finally found it. And when he found it, the stone covering for it, the stone box was broken, and there was some dark-red substance that had sprinkled on the top of the box where the lid was broken and down onto the Mercy Seat. And it was the Lord's blood. What had happened was, when the Earth quaked it was split asunder, and the Lord descended into Sheol. Then the blood, which was pooled up in His body, was released by the Centurian's spear and the blood went straight down, 20 feet, landed on the cover for the Ark of the Covenant, and since it was broken, continued on down and landed on the Mercy Seat, on the left side of the Mercy Seat.

Really amazing. And I've been pondering this for days, I haven't been able to get away from it - it's just fascinated me and it's just so eloquent. So perfectly eloquent, and so like God. And so amazing - I just couldn't get over it. I said to the Lord,

"Lord, I just can't get over what You did when You sprinkled Your blood on the Mercy Seat.

He replied, *"I didn't sprinkle it, Clare. The Father did."*

Wow. That's even more amazing. Imagine, Father loving You with all His Heart, knowing what You suffered, taking that blood and sprinkling it on the Mercy Seat. Oh, I cannot even imagine You doing that, Father and saying "It is finished!" Oh Lord, contemplating that 20 foot drop onto the Mercy Seat... it is so beyond my comprehension. I am weak inside every time I meditate upon this incredible miracle so like You.

He answered me, *"So perfect."*

Yes, so very profoundly perfect. Jesus, I cannot fathom this kind of perfection and yet I know it is merely a droplet of Your unfathomable wonders.

He continued, *"You see, I could not allow a carnally-minded man to make this discovery. It had to be a devout servant. Besides, those who have not been baptized and forgiven their sins would immediately react the way the young man who was helping him reacted, for My power and eminence radiated from that place."*

Yeah, he was having a young man help him, and when he got close to the Ark in one of the caves, he got scared silly and came running out and said, "I don't know what's in there, but I'm not going back in!" And that's when Ron knew that the Ark was in there.

Jesus continued, *"Clare, it took years and years of preparation, breaking and reforming before I could even allow him this find. Years and years and years."*

*"Being an anesthesiologist gave him the opportunity many, many times to witness death. A holy fear rested in his heart, the good kind of fear. The reality of eternity was something he witnessed firsthand, so many times; it really helped to prepare his heart."*

*"When I died, the Earth shook and rent asunder. That is when I descended into Sheol. When the Centurion came back to thrust the spear into My body's side, the blood and water pooling and waiting to exit just naturally poured down the crack in the Earth."*

*"Angels lined the entire way down that crack, Clare, the entire way. None was lost. That sealed your redemption, My Love, once and for all. Were it necessary, I would do it all over again just to have you with Me in Heaven."*

Oh Lord, that is so incomprehensible!

*"I know. It is to Me as well, but that only scratches the surface of My Love for you. I feel this way about every single human being ever created. Do you understand? The leper, the thief, the murderer, and rapist - the babies born deformed without limbs, sometimes hideously grotesque and painful to look at. Oh, how precious the soul in that deformed little body!"*

*"Do you know, that soul is entering into the mystery of Redemption along with you and Me and all others ever created in My image. Not synthetically formed, human look-alikes. No, I have no part in them. But these who come into the world deformed are the product of man's sin, and as such are suffering the consequences of that sin. They are very special souls, born to a lifetime of suffering, but in Heaven they will shine with extraordinary beauty and I will complete their appearance. These deformities, Clare, are the face of hatred, Satan's hatred for mankind."*

*"With these hideously deformed faces and little bodies, Satan laughs and flaunts how ugly he can make what I made beautiful. Yet to Me, these souls are precious and I know what they will someday be transformed into."*

So you are saying that these souls are in agreement to reflect the sins of their people and to suffer in expiatory prayer for them?

*"That's right. Can you see how special they are?"*

I'm dumbfounded.

*"I know." He said. "Take your rest."*

And that's when I had to stop. Two beautiful messages, explaining much of the Lord.

God bless you Heartdwellers and that you so much for being patient with me. Sorry it took so long for the upgrade, but it was rather complicated.

## **Desire, Self-will and Consequences**

December 22, 2015

Well, my precious Heartdwellers, the Lord is truly leading and guiding us and teaching us. And He always makes good out of our mistakes. We can trust Him to be a turn-around specialist that corrects things when they go the wrong way.

So, the blessing of our Lord, our sweet Lord Jesus and the Holy Spirit be with you all, and I'm so glad that I'm able to do this recording after struggling with all these upgrades. You wouldn't believe - wave after wave of frustration. That's part of this message. We don't have a cell phone, and we hadn't had a cell phone. And it was becoming very inconvenient not to have one, and I also needed a camera that was compatible with my Mac system - so we decided to get an iPhone...I decided, not Ezekiel. He didn't have anything to do with this, thank the Lord. He has more wisdom than I do. Because this had to do more with functionality, being used for my work, it wasn't something that he really wanted to weigh in on - rather I should use my own judgment.

Anyway, I decided to get an iPhone with the computer so that I could use the two things together - I could take pictures of things I needed to show you and I could stay in touch with Ezekiel, and do a lot of other things that make an iPhone very convenient for.

I sought the Lord about it, and I asked Him, 'cause it was kind of a big step forward. And there was a sale going on, so I thought, 'Well, you know I've wanted to get a cell phone for a couple of years now. But, the Lord's coming soon - I don't know if that makes sense, to get a cell phone?' And then I went back and forth with myself: "But, what if He doesn't come soon?"

So, I'm sure all of you have had your own reasoning over things, and in my particular case I sought Him and He would NOT give me a really clear answer! He did give me one reading about Money and the World, and I figured, "Yeah, I know. I know it's the world...but I need this piece of equipment, so that I have more flexibility in what I'm doing. It is equipment, it's not a toy. It has a very serious function for us. And I made the decision to that, and I went ahead and got it. And then it wouldn't work with my computer! So, I had to get an upgrade. A HUGE upgrade...

Not only did I have to upgrade my computer but I had to upgrade my recording software, which is Protools, which is industry standard. It was just one problem after another. Just...I mean, just one headache after another. Just wave after wave of frustration and headaches!

Every time I went to open an application, it didn't work - because the upgrade was so big. Every single time. So, you can imagine: writing was very hard without an upgrade, editing was impossible, iMovie 10, which is the new iMovie - very complicated and doesn't have some of the easy features that iMovie 9 had.

But rather than burdening you down with all this technical talk - the basic, bottom line was that every time I turned around to do something...I had a problem. And it frustrated everything I was doing. At some points I thought, 'I'm never going to be able to get this message up!'

You guys remember the message that came up without sound right? Oh, that's just the tip of the iceberg!

So, I came into prayer feeling pretty awful, because I really have decided it really wasn't God's will for me to get this iPhone. And the Lord began instructing me:  
Lord, I am understanding more how worthless I am.

*"Not to Me, Clare. You are of inestimable value to Me, although in this life I don't think you'll find that out. It's your foibles that get you down. "*

Forgive me Lord.

*"I forgive you, but still there are consequences. Let me ask you, what ever happened to offering this up? All this suffering? You know instead of being under condemnation (making you self centered), you can do some real damage to the enemy by simple confession, repentance and offering the sufferings to Me as a fast offering."*

Help me Lord, I'm too little, too weak, please help me! I Just get swallowed by frustration!

*"I will never stop helping you. Ever. I am guiding you by your right hand, I am leading you. It is when you pull away to do your own thing that things turn sour. The enemy has had a large part to do with this. When I don't give you a really clear and direct answer, you can rest assured, it is a test. You see, I stand back and watch what you will choose and this tells Me what your next lessons are. Do you see? I always bring good out of your mistakes, But when I am silent it is because I want to see if you have My Heart, My Mind about the situation."*

I'd like to take an aside here. I made a huge life decision 15, 20 years ago. Just huge. And I could not get a written confirmation about doing it. But I had such a sweetness in my spirit, that I decided to follow that. A sweetness in my heart. And it was the right choice, although it was also tremendously complicated. But it cleaned up a lot of things in me that needed to be cleaned up. It's when I disappeared up on the side of a mountain in the Poconos and just lived strictly for the Lord and homeschooling my children and my husband.

So, there are times when the Lord wants to see your heart. He wants to see what you will do. Now in this situation my heart was in having this convenience...right. *I thought* it was a convenience... I would

have been better off to just get a camera. In this situation, He withheld a solid confirmation from me, because He wanted to see if I still had some avarice and pride in my spirit. And I did! So, I let go of His hand and I went running off to get this gadget - and wow, I'm still paying for it.

But at least I can offer up my fast offerings to Him for my stupidity. Part of it goes to correction, and part of it goes to other souls. We've seen that over and over again through the years that, when I do something foolish, that I shouldn't do - the Lord corrects me. And I have to live through that correction, or life corrects me. And what I suffer in that correction - part of it is taken as a fast offering for souls that are in deep trouble or about to lose their souls, and the other part is taken, more or less, as payback for my silliness and teaching me wisdom. It does fulfill a certain function that's important in the economy of things. And when I made that decision to jump off and out of the world on to that mountain, the Lord WAS leading and guiding me in that situation. But He wanted to see if I would do it from the heart. He wanted to see what was in my heart.

So, going back to what the Lord said:

*"You, My little butterfly, still have some sturdy little wings that love to fly about...here and there...and taste the pollen of different flowers in the world. It's part of your adventuresome and curious nature. I have a hard time reining that in, but I must say, you are way more self-controlled now than you were even 15 years ago.*

*"Still you have moments of weakness. And...when I see pride raising it's obnoxious head, (yeah, I started to feel that the other day. I thought, 'Oh, man - I'm in for a fall, I can feel it coming on...') I am obliged to humble you...so I stand back just a very little bit and allow you to go off on your own. I always get good results with this. You should know by now, when you feel insecure about doing something, a good rule of thumb is 'don't do it.' However, your desire nature trumps your wisdom and off you go. It still is all about self-will, self-love, pride and avarice.*

*"When you are totally dead to yourself and the world and you love Me more than anything or anyone...well, you won't go flying off. Something inside, a governor will check your action and your desire nature will be left in the dust to rot and disappear, as it should.*

*"This is that fateful time of the year when everyone is getting the very same impulses. There is much evil behind it, but a truly meek soul walks through it as if it were nothing. I don't care how many demons are or aren't tormenting you - the bottom line is that virtue is a steel wall they cannot penetrate. They may try to torment you, suggest, flash with passions for things, and trip you in a million different ways. But if you have wisdom and self-control, as well as Me in mind at all times, their most powerful weapons against you are worthless.*

*"So now we are in the cleanup stage."*

And right around that time, my email went off and one of our prayer warriors sent me a link to The Priestly Bride by Anna Roundtree and told me to listen to the minutes between 40 and 50. Wow, did that ever nail it - and it was funny, because I'm sitting in here listening to the Lord, and all of a sudden she came to mind as someone I needed to share this with, personally. And Bingo! There comes the email. And I listened to Anna Roundtree for 10 minutes, I listened to that segment, and it really nailed it. I just felt a lot of conviction. And part of it had to do with seeking the Lord for Himself rather than seeking the Lord for the anointing or for the message. And we've talked about that before - that's super important for the Bride.

And the Lord began again,

*“Clare, you do seek Me for Me...you do. But you still don’t trust Me. That is why in some challenging situations, you prefer your own will, even though you sense it is at odds with Mine. So, can we fix this? Of course, with your cooperation we surely can. It can take days, weeks or years, depending on your willingness. (Not that we have years, guys. We don't have years!) We have been at it for years. That is something others can ponder and derive hope from.”*

Yeah, don't feel bad, guys. He's been working on me in this area for years.

*He, continued, "Oh we are close, so very close, but there is still that vestige of 'I' in your heart. And it steers you off the road of sanctity. Someday you will see this and not permit yourself that anymore. Someday. I am not saying you have not made progress, you have made wonderful progress, but, there still is a bit to go...and I am going with you, hand in hand. I will not abandon you to the will of your enemies: thieves, brigands and murderers, waiting behind the bushes and rocks as you walk this road with Me. I will not abandon you to their will. I will defend you so long as you stay to the straight and narrow. And not let go of My hand - not even for a moment.*

*When you stray, My love, I must allow the lessons that go with self-will. I must allow you to suffer the consequences...so it will be deeply embedded in your heart and mind. My way is always the Best Way. Even if you have to guess at it, and deduce it by your own reasoning, it is still the best way. You know Me, Clare, you know what I think about most things pertaining to you, so it shouldn't be difficult to make the right decisions. It's all a matter of crucifying your flesh, My Love - yes, putting that old man to death, buried deep in the earth he is from. Then you will be free to glide and soar with Me, and nothing shall be able to knock you off track.*

*“Your life shall become simple, plain, easy. Wouldn't you like that?”*

I most certainly would, Lord.

*"Well then, trust Me, trust My judgment, Trust My wisdom, trust that My entire heart for you is blessing upon blessing, not burden upon burden. And not deprivation. Then you will stay free, My little dove, and not be captured so easily in the enemy's snare.*

*“So now, trust Me, put your hand in Mine and we will negotiate this wilderness road without further casualties. And yes, that which was meant to harm you, has become a lesson for all My Brides...with the added unction of your sufferings offered to Me for them. The wicked ones always lose. The greater the difficulty, the greater the lesson, the greater the graces spread abroad to all My Brides. Satan cannot win. Even if he should succeed in causing physical death, ten more will spring up in the place of that one. He never wins. Put your fears away. You're not going to die. I'm just using that as an example.*

*"I bless you now, Precious. And all My precious Brides, with the anointing to put to death the Old Man, that he may not raise his head again and drag you off the path of righteousness and sanctity.*

## Leave Sweet Memories Behind

December 22, 2015

The Lord be with you Heartdwellers. Well, it's nice to back in the saddle here, moving along with messages. And today I asked the Lord what was on His heart as usual, and He said,

*“Meekness. This is the time of the year when people have agendas, they rush around focused only on their goals, they forget to look out for others. In fact others are truly in their way. I wish for My Brides to reflect My kindness, meekness and yielding to others when the opportunity presents itself.*

*“The beauty of My Bride is that she reflects My nature. She is never pushy, harsh, demanding or calculating. She is tender, looking around her for others who might need a hand. She is on the alert to defer to others and is endlessly patient. I accompany her gladly because she behaves the way I would and it is truly a pleasure to be in her company.*

*“I whisper things in her ear and she listens. She hasn't closed Me out because she's in a rush, irritated with others, focused only on her worldly needs. Rather her heart is open to My inspirations, she is full of charity for the poor and regards her own estate as being very lowly. For this reason she is never rude or harsh, never judgmental and always, always on the look out for virtue in others. If she catches herself in a fault, she immediately repents and looks at the good in others.*

*“Let's leave behind the best possible impression, because this may be the very last Jesus they will remember after the Rapture. Do nothing to wound or injure, do nothing out of selfishness, do not manipulate or demand your own way. These things should be far from you My Bride. Your heart should be the sweetest paradise on earth. Leaving that impression with others will do the most to bring them to Me. They will recognize Me in you, if you behave with meekness and mildness.*

*“This may be the very last time you see certain relatives. Leave them with a sweet taste in their hearts, avoid quarrels or heated debates. You may win the battle but you will lose the war. What is more important to Me than anything right now, in this moment as far as you are concerned is to keep peace and leave a loving memory behind. Love is the language of souls, love is My signature. Patience, humility and meekness, will honor Me more than clever arguments or attempts to make a point.*

*“Understand that the demons will do their very best to incite division and leave a bitter memory behind. Be prepared to disappear into your prayer closet for a few moments to clear the air. Above all, do not look down on your loved ones who have not as yet received the grace of knowing Me. Had I not given you that grace, along with another grace - that of corresponding, you would be as they are or worse. Self-righteousness is the number one killer with the unsaved. They hate it with a passion and will instinctively be combative and sarcastic if they get even a whiff of that attitude.*

*“Do not take offense but love one another deeply, from the heart. If you must remove yourself because someone is being belligerent or ugly, make a good excuse and leave the room without even a hint of irritation.*

*“My Brides, I tell you the truth, Satan is cruising for you. He has assignments on all of you to ruin this*

*holiday and perhaps the last time you will see some of your loved ones. Forewarned is forearmed. I am telling you so you can take control of the situation in the Spirit and not be snagged by your flesh. Of course, pray ahead of time, anoint your table and chairs and be prepared to deflect situations that could lead to a confrontation. You know how you do with little children - their minds are made up about something but you distract them out of that place into one that is healthier for them.*

*"Pray also for the safety of family members who are traveling, bless their vehicles. If any difficulties should arise, in spite of your best efforts, call upon Me to deliver you. I am with you always. This time is very important to Me, do you understand? There are some you will not see again in this life. Leave them with an exceptionally sweet memory of you.*

*"I bless you now, to overcome the wiles of the enemy, to be one or more steps ahead of him, and to exercise great charity and meekness. I love you all so tenderly. We will be together soon. You are My ambassadors of love."*

## **You Will Have Peace Amidst Chaos**

December 24, 2015

Well, dear Family, we are getting major opposition! I have a beautiful piece of equipment from digidesign, the 003 Rack, which is NOT working all of a sudden - isn't that interesting...

Well, this is a very important message.

So, the Peace of the Lord be with you. And He is instructing us on how to keep our peace.

It began tonight - I've been struggling with a temptation all day long. TWO days! Something I wanted to buy, which I absolutely don't need, and especially because the Lord is coming back.

So, I have been struggling with my black panther. And because the Lord is coming back, I've just denied myself, and I'll tell you right now, you're going to hear some things in this message that are "extra" sounds that I normally edit out. But since my Protocols recording system went down, mysteriously, I'm going to have to leave it in.

The Lord began:

*"I see you are believing."*

Well trying...as well as trying to honor You, Lord. What good is my love without obedience?

*"You are learning, Clare."*

Lord, this self-denial thing is painful.

He replied, *"Disobedience is more painful in the end."*

Yes, I know.

*"Well done. I know you are really fighting on a deep level. Let Me help you, Clare."*

Oh. Please do, Lord.

At that point, my head was a little downcast.

*He said, "Little Clare...please lift up your head. Don't be downcast. I know it is hard but purifying your heart is never easy. So little time left...this is the best thing you can be doing. Bear with Me. Your heart is enlarging the more you fight off temptations."*

Ok. (I uttered from a truly quaking heart.)

So, He began by saying what the topic was going to be, which is "Peace."

*"When the world goes into turmoil, you will have peace. You, My Brides will all be prepared for what is coming. Not a one of you who has followed and obeyed My instructions will be terror stricken like the rest of humanity. Especially in the United States because terror will break out everywhere."*

*"I have instructed you to stay in your homes because the turnkey event will incite the Moslems so horrifically that every cell will be out for blood. If you must go out, go out anonymously, remove your bumper stickers and jewelry and just be anonymous."*

But, Lord, isn't that cowardice?

*"No, it's called wisdom. Do you wish martyrdom? Then go ahead and be visible. However, remember, anyone who kills you sins, and you do not want to be responsible for their sin do you?"*

Okay...! That's a perspective!!

*"What most don't realize is that there are Muslim groups EVERYWHERE. And I do mean EVERY where. They have mapped out your country and when a cell migrates or crosses your border illegally, they are assigned the empty spaces not occupied by other cells, according to population. Just like that tribal police officer in the middle of the wilderness, near the mountain, who knows the area like the back of his hand. They are EVERYwhere."*

That particular officer, I remember a few years ago, he looked at me and said, "I'm a Muslim." And I answered him with what Mother Theresa used to answer the Hindus, and I said, "Well, be a GOOD Muslim." And he looked at me again and he said, "I don't think you understand: I'm a Muslim!" And I said, "Well, be a good Muslim!" He was a little dumbfounded by that, but I guess being a good Muslim means "cut my head off!" Anyway, I wasn't aware of that at the time, I was pretty naive.

The Lord continued:

*"This is why I am asking My Bride to lay low. I am coming to rescue you, rest assured, but until then, keep a low profile, do good where you can, pray for the world and prepare your hearts for Me."*

*"Even now I am preparing your hearts to love Me more and more. Even now, I am pouring the fragrant graces of love for Me into your hearts, in preparation for My arrival. Oh, My Bride, sit and bask in this fragrance. Let it fill you to overflowing. The more the better."*

*"I will keep you in My peace when it all begins. Do what you can to express to your families what is taking place - perhaps some will repent at the very last moment. Do not be swayed by the news. In fact, STAY OUT OF THE NEWS, it is poison. Rather come to Me for rhemas. Pray and My peace will penetrate the most fragile of souls and bring you steadfast confidence, joy and expectation amidst world chaos.*

*"Don't thrash about seeking relief here and there. You will only find more confusion. Rather stay in an attitude of prayer, intercession and worship. Yes, pray the Divine Mercy Chaplet often, it is powerful in times of crisis and will even cause a certain peace to descend into your house.*

*"Answer the questions of your relatives, but do not allow them to draw you into their panic. Politely excuse yourself from the phone if they begin to affect you. Better to send e-mails than to talk face to face. Yet, if there is repentance going on, face to face is better...that is if you still have service in your area. The government will intervene to try and interrupt communications in many places, or to use it to cause more fear. You know Your God. Cleave to Me and so not be swayed by man.*

*Pray Psalm 91 frequently, over and over again. I will inhabit the praises of My People and bring much comfort to you from My word."*

And this is Psalm 91:

1 Whoever dwells in the shelter of the Most High will rest in the shadow of the Almighty.

2 I will say of the Lord, "You are my refuge and my fortress, my God, in whom I trust."

3 Surely he will save you from the fowler's snare and from the deadly pestilence.

4 You will cover me with his feathers, and under Your wings I will find refuge; Your faithfulness will be my shield and rampart.

5 I will not fear the terror of night, nor the arrow that flies by day,

6 nor the pestilence that stalks in the darkness, nor the plague that destroys at midday.

7 A thousand may fall at my side, ten thousand at my right hand, but it will not come near me.

8 I will only observe with my eyes and see the punishment of the wicked.

9 If you say, "The Lord is my refuge," and if you make the Most High your dwelling,

10 no harm will overtake you, no disaster will come near your tent.

11 For he will command his angels concerning you to guard you in all your ways;

12 they will lift you up in their hands, so that you will not strike your foot against a stone.

13 You will tread on the lion and the cobra; you will trample the great lion and the serpent.

14 "Because you loves me," says the Lord, "I will rescue you; I will protect you, for you acknowledge my name.

15 You will call on me, and I will answer you; I will be with you in trouble, I will deliver you and honor you.

16 With long life I will satisfy you and show you my salvation."

He continued, *"There is so much truth and grace with the prayerful meditation and recitation of this Psalm. My Loves, truly - terror is coming to your world, but I will lift you on high, far from harm's way and you will exult in My Presence.*

*"Go now and do good in the time left to you. I am right behind you, your rear guard. And no harm will overtake you, no disaster will come near your tent."*

## **Christmas Eve 2015**

December 24, 2015

The Lord is preparing our hearts, Heartdwellers.

But before I get into the message this Christmas Eve, I want to say thank you to all who made it a really special, special time for the poor children in Taos. I've sent Carol two pdf's which will be available on the website, where you can read the letters from the children and see some of the faces when they received their gifts - it's just really a tiny, tiny example of the children here in Taos that have benefitted from all the good you've done.

And I just want to let you know that, if we haven't answered you by email by now, you probably won't get an answer by email, because we have been absolutely covered up. But we are recovering ourselves.

And speaking of that, my 003 is working again. Just mysteriously, after I sent the request last night for my equipment, it just started working. So, who knows? It's the Lord's doing, I'm sure.

I wish I had a bright and shiny message for you this Christmas Eve, but I'm afraid the Lord is truly suffering and the message is far from being cheerful.

He was very present to me tonight in worship and we spent a long, long time together. As I had told you about a few days ago, I set my computer's music list on shuffle - that's allowing the Holy Spirit to lead as to which songs to play, when.

The Lord's love inflamed my heart, until I could hardly bear to be in His presence, and I know that when He strengthens me like that, it means there's a trial coming.

I noticed He was wearing black slacks, normal shoes and a white shirt with pleats, and a black bow-tie. Then I also saw Him in a full Tux.

I'll never be able to communicate the tenderness and glory that He imparted to me today. And I just want to tell you that anything the Lord does with me, is also for YOU - because I am merely one of His thousands of Brides and Queens. And He wants you to know the kind of treatment that you are going to get when He takes you into His Home in Heaven. So, He shares it with me. He gives me a glimpse of what's going to happen ahead of time, so I can tell you what to expect. There's nothing special about me. The only thing special about me is the Lord. And He is with you, too. And that makes you just as special.

So, when I read these things to you, I want you to understand - these are only for YOUR edification, because YOU'RE going to be doing these things with Him.

So, He gave me a beautiful red-velvet, royal cape with ermine trim, and we walked down this long aisle towards the Throne. He danced with me, holding me so tenderly. He was wearing His ermine-trimmed, red velvet cape and gold crown. And then He placed a gold crown on my head, also - a very ornate one and said, "A perfect fit!" And we lingered there together, forehead to forehead.

And now the Lord is sobbing.

He began:

*"Oh, how I dread what I must do. Oh, how I dread it! All of humanity will be in shock and totally disoriented. All but the most remote, to answer your unspoken thought, My love."*

I was thinking of those who live in the wilderness and don't ever get any news, and they're far away from the influence of people.

He continued, *"This moment that must come to pass. The glory of having you in My presence for ever must first be preceded by this horrendous trial upon the Earth. No, it shall not come nigh your dwelling, but the terror and confusion all over the world will be inescapable. My sorrow and mourning for the lost - this will hang heavy upon the Earth, like a thick, dark mantle of agony. Tormented souls who cry out as their blood is shed will cover the Earth with their sobs, with no one to comfort them, as many descend into Hell.*

*"And My Bride? What shall she do? She shall behold the consequences of what has been done to ravage the Earth. But then she shall accompany Me into Glory, where every tear will be blotted out. Where we will celebrate her Homecoming.*

*"But before that moment, I must suffer My Passion, all over again, Clare. Remember in these moments in the Garden when all was revealed to Me, what I was about to suffer for. The physical suffering was and never could be comparable to the mental, emotional anguish of those screaming and crying out for mercy. Yet mercy will be denied them, because the hour of mercy has vanished. The time has come when My mercy must be swallowed up in judgment. And Oh, how bitter that is for Me!"*

I wrapped my arms around the Lord and held Him tightly, hoping to bring Him comfort. Only a little drop in truly a vast ocean of misery. And He wept bitterly. My very little part was to hold Him, almost as if I were holding Him upright, because He was slumped over me in utter despondency.

*"Yet I will have My way with this world." He continued. "Yes, suffering will abound, but Glory will follow. Once the Earth is purified, it will rise again out of the ashes. And those who inhabit it will be trained in the ways of holiness from sea to sea. Yet that kernel of evil must be forever purged from the Earth, and for that reason I will allow the Earth a time of rest."*

Here He is referring to the 1,000 year reign.

*"For those who are Hell-bent, I will give them time to rise up again until the Purification is complete. Yes, this second time of purifying will bring forth the evil and corrupt seeds of Satan, once and for all to be destroyed and stripped of their influence. And you shall stand by My side, and behold it with your own eyes, My Clare.*

*"Yes, the time is coming when evil shall no longer have a voice. Oh, the mysteries to be revealed! So many mysteries. And you will come to understand all things. No longer will you have any question. Rather you will be fully enlightened as to the "why" of everything.*

*"Do not despair. You've been strengthened. Stand strong! This is your time of vindication. It is at hand. No longer will they say, 'Where is your God?' No, rather, 'THIS is YOUR God?? The Mighty and Powerful One? No wonder you love Him!' Yet, they will not understand My love.*

*"Be prepared. Be strengthened. It is coming."*

## **I Will Clothe You In My Lowliness**

December 26, 2015

The Lord is with us, Heartdwellers.

My equipment is giving me fits, so here I am again on Quicktime. So, if I sound a little funny, that's why.

So, the Lord began tonight:

*"To all My Blessed ones: I know this time of waiting is difficult for you all. Limbo is never pleasant, but allow Me to fill you with My*

*Love each day and walk about looking for opportunities to pour it out on others. In this way you will not get bored or anxious, but rather stay fresh, alert and above all else, keep oil in your lamps.*

*"I know some of you are chafing at the bit to get at the news. Please, drown that desire and stay tuned to Me. The news will do nothing but confuse you. Stay tuned into Me, keep Me company and walk about doing good. In that way, nothing shall catch you by surprise and you will have more than enough oil in your lamp at that fateful hour.*

*"Examine your hearts, your conscience and behavior, but don't become obsessed with it. Rather, take a glance - where you see evil, repent and ask for the grace to overcome yourself. I tell you the truth, the only real enemy you have is yourself. Conquer yourself and the other enemies on the outside will gain no foothold. Though unpleasant things may happen to you, your charitable response will shut the door in their face...as they look to start a root of bitterness or resentment. Above all, maintain sweetness of soul and the enemy on the outside will find you so frustrating to work with. Things just won't go their way, and you will cause them constant confusion and frustration.*

*"As you look around you at those who do not know what is about to happen, do not allow pride to enter in...do not look down on anyone. Rather, if that thought enters your mind, immediately crush it by recounting all the virtue that person has that you don't have. And if you have a difficult time assigning virtue to them, imagine if you were brought up in a heavy drug and violence environment, where your mother was prostituting herself for drugs and where different men abused and hated you, where you were poor and never had decent food to eat or warm clothing. Imagine 15 years of that and what sort of person you would not be.*

*"Each soul I bring into the world has graces that accompany them. Some who are born into holy, ministering families came with 60 graces. Others who were born to prostitutes and drug addicts came into this world with only 6 graces.*

*"It is not what I gave you to begin with, but what you did with them that counts. How does that translate? That woman you know who is manipulative and sneaky is that way for a reason. She began life with inadequate means, and to survive she had to be sneaky. Some would be full blown criminals robbing, raping and destroying everything they could get their hands on. That she is just a little sneaky... well, that's nothing compared to what the demons wanted her to become and how they tempted and*

taunted her. But she used those 6 graces, she made the decision to be 'mostly' honest and good to others.

*"Whereas another, raised in a well provided for household, with a university education, might be self-centered, proud and harbor resentment towards the poor and have failed to use the 30 graces they were given. Because without love, you have nothing."*

There must be a reason you would give one more than another in graces?

*"That for now must remain a mystery, but it will be revealed to you one day. Suffice it to say, I am a just God and that everything in Heaven is ordered by Perfection.*

*"You can always find ways to elevate others above yourself. Though I was in the form of God, I did not consider equality with God something to be grasped at. I did not come into this world born of nobility in royal surroundings. I preferred the poor, the simple and humble to be My parents and companions. The only well-educated apostle was the one who betrayed Me. That should tell you something. The Pharisees missed Me because they, too, were looking for nobility, worldly power and means.*

*"In this way, I was readily recognized by the poor, the sincere and the humble. But there was nothing in Me to appeal to nobility and class. Rather, to them I was merely a carpenter from Nazareth, and after all, can any good thing come from Nazareth?"*

*"So you see, I preferred humility, anonymity, to be of no account to the world. And I am perfecting My Bride in these traits because they safeguard the soul and make her a worthy companion to Me. And not that you should seek this, but in the end you will be more loved for your littleness than your greatness.*

*"Yes, I want My Brides, My Blessed ones, to go around elevating others above themselves, in their thoughts and actions. (not verbally) I want them to take the last place, to be the lowest and to seek the interest of others rather than their own. Tall order? For some, yes. Lacking in grace? No, I am providing it as these words are received into your hearts, as you say 'be it unto me according to your will,' this grace is being given and taking root within your heart.*

*"You will find in this practice, that you have many judgments against others: rich, poor, lame, whole. It will be a challenge for you. And a good one at that. All your thoughts in Heaven will be revealed...purify your heart now and it will not be such a shock to you. These are finishing touches, My dear ones. They will make you shine like the stars in the firmament.*

*"Go now and put your hearts into it. I am with you. Let this new grace, this new blessing take root, deep in your hearts and bear sweet, sweet fruit."*

## **Division in The Body Is Grieving the Lord**

December 27, 2015

The Lord be with you, precious Heartdwellers.

Today's message has to do with a situation (I wanted to make it clear) in Brazil with a few groups that have started monitoring and following the teachings on Heartdwellers. And I guess there's been

some confusion and some dissention, and it has really grieved the Lord. It's interesting, for the last week the Lord keeps quickening Scriptures to me about division, and...well, I'll share the Scriptures with you as I get into this. But this is a good teaching that He gave us to go along with any situation where there is gossip going on, or where there's accusation going on, that kind of thing.

He began:

*"I truly am grieved by what Satan has managed to accomplish in this small, budding group. It started so pure, but you are not there to monitor the situation and one thing led to another. Rather than coming to you directly and asking, assumptions were made, conclusions were drawn and those who bore witness were divided against those who reacted without clarifying.*

*"I have given you My input. I am grieved that My Body, once again, is divided. When will it ever stop? When will men and women realize they are only men and women and not Me, that they should not go about judging others as if I had called them to take My place on the throne???"*

Well, Lord, it was a matter of doctrine and you want us to examine and compare it to biblical truth?

*"The problem is simply they are biased and do not know Scripture independent of men telling them what I said and how to interpret it. If they would submit their intellects to Holy Spirit, this kind of division would not even happen to begin with. But men insist on taking My place on the throne and making pronouncements based on half-truths and lies. Now is not the time to plow into this, My Love. I am merely telling you I am deeply grieved."*

Then He quoted the Scripture from I Corinthian 3: "...you are still fleshly. For since there is jealousy and strife among you, are you not fleshly, and are you not walking like mere men? For when one says, 'I am of Paul,' and another, 'I am of Apollos,' are you not mere men? What then is Apollos? And what is Paul? Servants through whom you believed, even as the Lord gave opportunity to each one...."

And that's the Scripture, guys, that's He's been giving me for a week, and I had no idea where it applied until I got a letter from Brazil explaining the division.

*"Little children, Satan has gained the mastery over you, I have called you to unity, yet you are accustomed to making judgments and pronouncements. This site is about living in Heaven now, in fulfillment of My command, 'Let it be on Earth as it is in Heaven.' Yes, there are all denominations in Heaven...does that surprise you?*

*"Well, it shouldn't. Is it not about the heart...the true Love of God and Love of Brother? All enter through the sheepfold. All enter through Me. I turn no one away because of their ignorance or error. And may I say, most of you are quite ignorant? Someday you will see that.*

*"But rather than pull the veil from your eyes, for it is not time..."*

He paused at that point and gave me another Scripture, further on:

"And I, brethren, could not speak to you as to spiritual men, but as to men of flesh, as to infants in Christ. I gave you milk to drink, not solid food; for you were not yet able to receive it. Indeed, even now you are not yet able, for you are still fleshly. For since there is jealousy and strife among you, are you not fleshly, and are you not walking like mere men?..."

He continued here: *"Precious ones, I want you to consider the fruits of your accusations and how you have divided My Body. What was meant to be a blessing has instead become a curse to you. So, I am asking you all to repent and beg forgiveness from one another, get back on the right track, let your sanctity remain intact and moving forward. For now you have lost all and those who fall into the pit with the Accuser of the Brethren, and wish to stay there, will not be taken in the Rapture. So be aware, mend your ways, mend the divisions and return to the sweetness of fellowship."*

Another thing that we were given were readings from Rick Joyner's book. (The Final Quest) Sometimes I see a book, and I feel the anointing on it, I pick it up and pray and ask the Lord for something I need to hear. And this is what came up:

Here he (Rick Joyner) had been in the Judgment Hall in Heaven.

With each encounter, a veil is being removed so that you can see Him more clearly. You are not changed just by seeing His glory, but by seeing it with an unveiled face. Everyone who comes to the true judgments of God walks a corridor such as this to meet those who can help them remove whatever veils they are still wearing; veils that will distort their vision of Him.

I had already absorbed more understanding than I felt like my many years of study on Earth had given me. I then began to feel that all of my study and seeking on Earth had only led me forward at a snail's pace. How could many lifetimes prepare me for the Judgment? My life had already disqualified me more than all of those whom I had met, and they barely made it here!

Then another man emerged from the ranks. He had been a contemporary of mine, and I did not know that he had died. I had never met him on Earth, but he had a great ministry, which I respected very much. Through men that he had trained, thousands had been led to salvation, and many great churches had been raised up. He asked if he could just embrace me for a minute, and I agreed, feeling a bit awkward. When we embraced I felt such love coming from him that a great pain that was deep within me stopped hurting. I had become so used to the pain that I did not even notice it until it stopped. After he released me I told him that his embrace had healed me of something. His joy at this was profound. Then he began to tell me why he was in the lowest rank in Heaven.

"I became so arrogant near the end of my life that I could not imagine that the Lord would do anything of significance unless He did it through me. I began to touch the Lord's anointed, and do His prophets harm. I was selfishly proud when the Lord used one of my own disciples, and I became jealous when the Lord moved through anyone who was outside of my own ministry. I would search for anything that was wrong with them which I could attack. I did not know that every time I did this, I only demoted myself further."

"I never knew that you had done anything like that," Rick Joyner said, surprised.

He continued: "I incited men under me to investigate others and do my dirty work. I had them scour the Earth to find any error or sin in the life of others to expose them."

Now, my aside here is, mind you - this is MAN'S idea of an error. This is not necessarily God's idea of an error that he was looking for. So, it's like HIS opinion caused him to think certain things were error, but

in fact, before God they may not have been error. But he found fault with them because they didn't agree with what HE believed.

Continuing on:

"I became the worst thing that a man can become on the Earth-a stumbling block who produced other stumbling blocks. We sowed fear and division throughout the church..."

Boy, I mean how many times does that happen? Fear and Division. I have seen it so many times, because someone is trying to correct what they call an error in someone else, and it causes everyone to freak out and they're all afraid now of all the good that that person did. Because of one man's opinion! I mean, this is just so common. And it's SO grievous to the Lord.

So, going back over that again,

"I became the worst thing that a man can become on the Earth - a stumbling block who produced other stumbling blocks." (God help us!) "We sowed fear and division throughout the church. in the name of protecting the truth. In my self-righteousness I was headed for perdition. In His great mercy the Lord allowed me to be struck by a disease that would bring about a slow and humiliating death. Just before I died, I came to my senses and repented. I am just thankful to be here at all. I may be one of the least of His here, but it is much more than I deserve. I just could not leave this room until I had a chance to apologize to those of you that I so wronged."

"But you never wronged me," Rick Joyner said.

"Oh, but I did indeed," he replied. "Many of the attacks that came against you were from those whom I had agitated and encouraged in their assaults on others. Even though I may not have personally carried the attacks out, the Lord holds me as responsible as those who did."

"I see." Rick Joyner said. "Certainly I forgive you."

I was already beginning to remember how I had done this same thing, even if on a smaller scale. I recalled how I had allowed disgruntled former members of a church to spread their poison about that church without stopping them. I knew that by just allowing them to do this without correcting them, I had encouraged them to continue. I remember thinking that this was justified because of the errors of that church. I then began to remember how I had even repeated many of their stories, justifying it by saying it was only to enlist prayer. Soon a great flood of other such incidents began to arise in my heart. Again, I was starting to be overwhelmed by the evil and darkness of my own soul.

"I, too, have been a stumbling block!" I wailed, dropping again to my knees. I knew that I deserved death, that I deserved the worst kind of hell. I had never seen such ruthlessness and cruelty as I was now seeing in my own heart.

"And we always comforted ourselves by actually thinking that we were doing God a favor when we attacked His own children," came the understanding voice of this man. "It is good for you to see this here, because you can go back. Please warn my disciples of their impending doom if they do not repent. Many of them are called to be kings here, but if they do not repent they will face the worst judgment of all - that of the stumbling blocks. My humbling disease was grace

from God. When I stood before the throne, I asked the Lord to send such grace to my disciples. I cannot cross back over to them, but He has allowed me this time with you. Please forgive and release those who have attacked you. They really do not understand that they are doing the work of the Accuser."

Okay, so - I just want to insert here. The idea is that there were good things going on in that church, as well as maybe things that other people didn't agree with. But by viciously attacking that other church, it caused the good to be discounted and people to fall away. And God wanted them in that church. This was not God's will that that church should come under division. Certain people have to be taught in a certain way, and the Lord knows the path they have to take.

So, when someone else self-righteously says, "Well, that's not right, that's wrong." And then is convincing the people that are there that are innocent and have come for ministry are scandalized and they go running off. And who knows where they go. So, it's a terrible thing to divide the church, guys. It's a serious, serious offense to God.

Now, it's interesting, because a lady who I consider a very good prophet, Lana Vawser, put out a word today. And it confirms everything that I've been saying to you in this message so far, and everything the Lord has been drawing my attention to.

There is a move going on right now, from Satan, to cause division in the Body.  
And here is what Lana had to say:

A WARNING OF LOVE TO MOVE IN THE OPPOSITE SPIRIT TO A MURDEROUS SPIRIT  
by lanavawser

This morning I heard the Lord say that the same murderous spirit that operated between Cain and Abel and Joseph and his brothers has been operating in the body of Christ in this season in a greater way to bring death, division and disunity because the enemy knows that the people of God are about to see inheritances taken in significant ways.

This is a crucial moment to be pressing into the heart of Papa God as greater revelations and impartations of His love are being released and He is purifying and cleansing, healing and restoring hearts. From that place, I believe He is calling us to be even more intentional in our love, honour and speaking life over one another.

Any issues of the heart, any offenses, hurts, unforgiveness, bitterness, hatred, as the people of God move forward in repentance and giving the Lord permission to bring healing and freedom, He is performing momentous healing and breakthrough.

I felt the Lord highlighting Proverbs 18:21

Words kill, words give life; they're either poison or fruit - you choose. (The Message)

I felt the Lord highlighting that this murderous spirit is causing false accusations, word curses and poison against many, but we are to move in the opposite spirit. Declare BLESSING, declare LIFE!

The Lord is moving powerfully in connecting His people, bringing greater unity, a further taking of inheritances and open doors to destiny. His LOVE in us and through us is going to disempower this murderous spirit as we move in the opposite spirit... His Spirit!

I felt this as a warning for us as the body of Christ today. The Lord is doing a deep purifying work in hearts and in the body of Christ and one thing that could bring delay is partnering with this spirit through word and action.

He is moving and working to bring us further into John 10:10...LIFE and life AMONGST US!!!

He is calling us to partner with Him! He is bringing freedom to any wounds and soul issues where this murderous spirit has landed.

He is bringing healing as we press in and He is bringing His people to a place of moving in celebration and declaring life over one another but we must CHOOSE to partner with Him in choosing to love, forgive, honour, restore and bless, especially those who curse you.

This murderous spirit is stirring up trouble and strife. This spirit is attempting to murder and abort, but greater is HE that is in us than He that is in the world (1 John 4:4) and as we partner with Him, He is bringing His people to a place of moving deeper and further forward into taking their inheritance and new levels of destiny.

"United we stand, divided we fall"... He is asking us to link arms in unity and love, honouring, blessing and embracing one another in the love of Christ even in our differences and uniqueness.

Yeah, I want to repeat that: "even in our differences and uniqueness." And my comment on that is simply, who are we to presume that we are absolutely right and they're absolutely wrong? Isn't that God's job?

She continues here:

I felt His heart wanting to bring reconciliation and restoration across the body of Christ. The choice is ours as to what we align ourselves in and what spirit we move in.

Let us partner with Him to see a greater move of unity, love, honour, blessing and restoration released across the Body of Christ.

In conclusion dear Heart dwellers...now that we know these things, blessed will we be if we do them. Knowledge of our sin makes us responsible to repent and fix the damage. Let's all put our hearts into unity and return the Lord's heart to joy...doesn't He suffer enough grief from the terrible things taking place in the world??

I love you all dearly. May His Blessing bring you Peace.

## **Maintain Your Purity and Light, My Bride**

December 29, 2015

The Lord is blessing us and truly with us, Heartdwellers. And He had a message today which was kind of comical. I had to laugh at one point. And I'll read it to you and you'll understand why I had to laugh.

He began:

"When I tell you these things about timing and being ready, it confuses the enemy just as much as it confuses you. But you trust Me, so I don't worry about your confusion. Each one of these Rapture warnings serves many purposes. Yes, I am toying with the enemy. Yes, I am building virtue, trust, faith and hope in My

waiting Bride and yes, I am asking you to be vigilant over yourselves and keep your eyes on the horizon. Each time I bring this up with great seriousness, it's not just for those reasons, it also carries the weight of truth with it. Had it not been for the intervention of Australia, it would have happened earlier.

"But now certain things are passing by the point of no return, and for that reason I want you to stay prepared and alert. Yet I have told you, you have a little time. Get things done that are still hanging. Don't leave this Earth with any remorse...'I should have done this, I should have done that.' Finish it all off. Not only will you have deeper peace, but those who receive your packages will be amazed that you knew in advance and prepared so much for them. "Nevertheless, don't stress over what you cannot complete. Do what you can and rest in My presence, and I will make up the remainder in grace.

"One of the most serious preparations you can make, any of you can make, is to prepare your hearts for Heaven. In Heaven there is no slander, no backbiting, no jealousy, no fear, no gossip, no hopelessness, and no depression. In Heaven there is supreme bliss. And as you choose to dwell in Me, you will have a taste of this bliss. Each day you will be tempted to enter into gossip, tale bearing, lust and all the other sins that have plagued your whole life.

"These are exercises in virtue and a sign to the world as well, that this is not your homeland. You come from a different place with a different culture, a God culture. The sweetness of your spirits is the most convincing sign that I am real. Through all the troubles and contradictions of life, if you maintain this sweetness, it will be substantial proof of your God, that He is real and He is love.

"This is why I do not want you getting involved in the dark side of what's transpiring in the world. Everyone is talking about that, but who is rising above it with supernatural power? My Bride. She does not soak in the scum of the Earth, these intrigues, genocides and conspiracies. No, she rests in Me and brings light, not darkness to the world. Those who have spent their lives investigating all these things planned by Satan to destroy mankind and the Earth, are deeply embittered, angry, depressed and hopeless. You see, this kind of knowledge only makes it more real and overpowering to a man. And that's no kind of Christian witness. To say that these things are real and acknowledge them is just speaking truth, but to swim in that cesspool of evil leaves a noxious odor that obscures My indwelling presence in you. You are My light bearers, how can that light shine if it is submerged in the wicked doings of the world? You carry the fragrance of your presence in your hearts. Don't allow it to be obscured by the wicked things of the world.

"So you see, I have very, very good reasons for limiting you from these things. And evil always has a certain kind of magnetic attraction that causes men to be curious, and more curious. To want to know more, to excel in conversations with new and ever deepening mysteries of iniquity. But you, My Brides, must excel in charity, humility and actions that prove you belong to the Light of the World. As you step forward in purity and devotion to Me, you carry this light which to some is inexplicable, but real nonetheless. You are the living mystery of My Love for mankind...yes, in you the light of hope reaches out to those who are wandering around lost in the darkness.

"So, carry the Light forward. Carry the fragrance forward. And leave a lasting impression of the sweetness of your God that will be remembered by all."

## **Prepare for Your Wedding Day 2**

December 30, 2015

The Lord bless you, precious Youtube Family.

Boy, I'll tell you, it's been spotty lately, hasn't it? Well, it's not because of the Lord. We're just getting massive opposition.

But in the midst of it all, I'm offering it to Him as a fast offering for all of you, and some wonderful, beautiful things are happening. Plus, I'm learning my equipment REALLY well! (smile)

So, what happened yesterday, I had no idea. I was a five minute long word from the Lord, and when I bounced it, it came out to one minute. I did it three times and each time it was one minute. So, I had to totally re-do it and it finally went through. There was no reason for it, except demonic intervention. So, I hope you enjoyed the message, 'cause it sure was a lot of work to get it out to you.

So, this morning, I sought the Lord for just a few moments, and I picked up one of my books. I happened to open to Prepare for Your Wedding Day. Now, the Lord has told us that we have a little time. I'm just moving on that, I've made some plans to do a few things. And when I say a "little" time, I think maybe...oh, a month or two or three - something like that.

So, He told us we have a little time, He didn't specify. So, here's the thing. When I opened to this message, it's message 11 in my first book, Prepare For Your Wedding Day, actually, it's the second book. It was done on May 10th, 2015. When I get done here I'm going to feature this video for you so that you can listen to it. The Lord is calling our attention to the preparations we need to make spiritually now. I've been moved several times to go out of my way to be really kind to people, and I know it's Holy Spirit. He talks about wedding gifts to Him and that's what these are - when we do little acts of kindness and go out of our way for people and make little sacrifices. They're like little wedding gifts for our Wedding Day to Him. And He talks about that in this message.

So, I'll be really honest with you and tell you that yesterday I struggled with technical issues until 10:00 at night, from the time I got up at 7:00 until 10:00 at night. And I've got a lot of them worked out. So I didn't get a chance to get into worship and get a message yesterday. But I'm going to be doing that now.

First of all, I didn't want to disappoint you, and I wanted to give you something to think about, because this is what the Lord drew MY attention to.

So, the Lord bless you and you have a precious, wonderful day thinking about the time you're going to be together in Heaven with your Spouse.

Love you all! I'm going into prayer for you now, for another message.

## **Prowling Lions and Your Three Enemies**

December 31, 2015

Well, my precious Heartdwellers, the Lord is truly with us and still instructing us. I guess there've been a few prayers put up for longer messages, because He kept me longer tonight.

Just to give you a little background on this message - have you ever had something that was real special and useful, and it broke down and you couldn't use it anymore? And you wanted to get it fixed and restored to full working order?

Yep - well, that's my situation right now with my recording interface. I know the anointing is more important on the message, but it is a little hard for me not having my recording program and I worked all day today trying to work the bugs out of this system...to no avail...

So, I came into prayer very, very sad and frustrated.

I said:

Oh Lord is there any hope? (tears, frustration, deep deep frustration over ProTools not working.)

He replied, *"Use what you've got, My Love."*

But, Lord - it's so frustrating!

*"It won't be long, things will get resolved. But for now, use what you have, leave the rest for Me. You know I can do all things, even re-arrange neurons."*

Mine or the machine's?

*"How about both? Is there anything too difficult for God?"*

Not hardly.

*"That's right. Where is your faith?"*

Oh, stuck somewhere between a firewire and a microphone.

*"Very funny."*

Well, if I don't laugh I will cry.

*"Don't cry, help is on the way."*

I know it's partly artistic snobbery.

*"Partly??"*

OK, more than partly.

*"Okay, more than partly. And isn't that the part I'd like to kill off in you...and don't you want it dead, too?"*

Now that you ask, it is a pain.

*"A pain I can fix."*

Oh, Jesus, I am totally leaning on You.

*"You know the part I like?"*

Ummm let me guess...Oh yea...when I do an Abraham and Isaac?

*"Good guess. Very, very good guess. You're getting better at reading My thoughts all the time."*

You've given me your Mind, Jesus.

*"Yes, I have. But you don't always listen to Me. That is more the source of your frustration than the technical issues themselves."*

Well, I think I've made a mountain out of a molehill.

*"You can say that again."*

I've made a mountain out of a molehill?

*"Indeed you have. What did I say about the faith of a mustard seed?"*

Ok, I'll try.

*"Try? Ugh...stand strong and you will yet see the deliverance of your God."*

Thank you, Jesus.

*"I love you, Clare. I only allow these things to test and try you and find out if you truly will yield to My wisdom. You've got a very strong head about you, Child."*

All the more to love You steadfastly, Jesus.

*"True...but a real challenge to deal with. My Blessed one, come here and let Me hold you, I know you are hurting."*

I cried and I said, "I'm my own worst enemy."

*"Hush now, just receive My comfort, Clare." He held me tightly over His heart, my eyes and nose were red from crying, I didn't realize what a toll all this had taken on me.*

*He responded, "Give it up Clare, give it to Me. There is a fix in the works. Just be a little patient with Me, please? A wedding present, remember?"*

I responded to the Lord when He told us that He wanted us to give Him wedding presents, to make sacrifices to Him for our wedding day. And I said, "You mean you will give me my 003 back?" That's my recording interface.

He said, *"In a little time, I will. I enjoy it, too, you know."*

You do?

*"Yes. But you must understand the anointing is on the message as well, and for now, what you have will do."*

(Deep sigh.)

*"Now, about the message. I have heard the prayers for a longer message...they are so eager to listen to Me. So will you wait on Me just a little longer?"*

Oh yes Lord. I will.

*"Well...tonight I want to talk about My words, 'Deliver us from evil.' The evil of the enemy, the evil of self will, the evils of this world. This is one prayer you can say immediately, and I will respond. You remember the UFO and how quickly it was escorted out of sight?"*

"Yes, Lord - I really remember that. How could I forget it?" It was a night when I was resting and watching the night-time sky, as I often do in between prayer, just to wake up a little bit. I saw this object off in the eastern sky and I knew immediately what it was, because it would move erratically, but then it came to rest in certain place. And just bubbling up and out of me, not even realizing what I was saying, I said, "Deliver us from evil." And immediately this object disappeared. I mean, it was GONE. I've never forgotten that. So, yes that's a powerful prayer! Very powerful.

"I do remember that, Lord. It was truly amazing."

Jesus answered me, and He said, *"Yes, that prayer is amazing. I taught it to you and it carries great power when spoken in faith to Me, especially by a soul who truly knows Me. The beauty of this prayer is that it addresses the evil on all fronts; the evil in your own soul, the evil of the enemy and the evil in the world. It's not like you are praying against a demon, you are ultimately pulling yourself back in alignment with My Holy intentions for your life. It gives Me permission to adjust those things in you which are not pleasing to Me and counterproductive to personal holiness."*

*"Yes, I like this prayer very much, and I wish for My Bride to use it in utter faith, more often. It addresses the evil of the moment, whereas the binding prayer addresses the entire day."*

So, the binding prayer is good for 24 hours?

*"Well, except when more demons arrive on the scene...then you need to pray it again with strong intention. When your mind wanders during the prayer, repeat that part of the prayer again. Intention is everything in all prayers, but especially when opposing the enemy. There is an energy in your prayers against evil. There is actually a force field that goes out from within you and throws up a hedge against it. And yes, the warring angels stand to attention."*

*"You see, many times they watch you, to see if you will recognize what is going on in the spirit and if you will rise up to fight it off. They respond in obedience when called to action, but they wait for you to arise, as well. Well, not strictly speaking, they also act on their own when given instructions to do so. Yes, you can instruct them, that others say you cannot instruct them is not true. When they have been assigned, you may instruct them, or call for their assistance. 'Holy angels, will you help me? Holy angels, will you escort that ambulance and help those people?'"*

There are those who will refute that, Lord.

*"Have I not said, 'And Jesus came up and spoke to them, saying, 'All authority has been given to Me in heaven and on earth. 'Go therefore and make disciples of all the nations, baptizing them in the name of the Father and the Son and the Holy Spirit. Matthew 28: 18-20'"*

But that doesn't mention angels.

*"These signs will accompany those who have believed: in My name they will cast out demons, and are not these demons the fallen ones? And My angels, 'Are they not all ministering spirits, sent out to render service for the sake of those who will inherit salvation?'" Hebrews 1:13*

*"They are sent out and assigned and you may indeed enlist their assistance. As I was saying, many times they wait for you to perceive and act on the evils surrounding you. I have given you My authority, My Name and My Blood. There is nothing that will not yield to this. However, it is true there are times of more focused prayer and self-denial, when that's appropriate."*

*"In all things spiritual, you are to respect the powers of the air, but never fear them. Oh, how they hate those who quote Scripture to them and based on that authority demand that they cease and desist."*

*"Yet, I have not taken My Spirit from you. I am forever present to you, and also diligent in watching your responses when confronted with evil. Clare, you can feel evil in a room. But most, including yourself, do not take the time to perceive it. However this is a skill you can cultivate, as long as it does not lead to pride. You are so very used to being in My Little Cocoon, and blocking out the exterior doings of spirits, you really don't make the effort. I understand your single mindedness and focus, but being sensitive to those who would create more trouble for you and others is not always the best practice."*

*"There is yet so much for you to learn. And learn you will. Yes, I Myself am your teacher, and I shall acquaint you with these dynamics if you ask."*

Lord, I only want to know what you want me to know. I don't wish to know much beyond that, even though I do have a hunger for knowledge on other levels. I know what it is like to feel puffed up and I hate it.

*"Well, you are continually walking in a war zone and you know when a negative thought or feeling comes your way, that's the time to take authority. It means you are in the presence of evil which has been assigned to cause you and others harm. Be alert, My Doves. Be watchful, your enemy is truly like a prowling lion and you are his next meal.*

*"I am with you. Exercise your gifts in My Name and I shall deliver you."*
