Moroz Family donates \$10,000 in Memory of Clinton L. Moroz

Yorkton – Clinton Moroz of Norquay, who was born December 16 1982, passed away earlier this year on May 25, 2018.

His parents Bill and Colleen Moroz made a donation of \$10,000 in Clinton’s name, and directed the funds be used in the hemodialysis program.

“This is a very generous donation,” said Ross Fisher, Executive Director of The Health Foundation. “We appreciate how difficult a time this is for the family and are grateful for their generosity of spirit in that they wish to help others while remembering their son.”
