

**The Garden District
Mazyck-Wraggborough Neighborhood Association Notes April 17,
2017**

Helen announced that the website is up and running and that in addition, they will be putting out a monthly newsletter which will come out before the monthly meetings.

The evening centered on the upcoming BZA meeting where the Dewberry rooftop was to be presented for approval. Approximately 30 neighbors indicated that they planned to be at the BZA hearing. The goal of the neighborhood was for the 11 conditions that are in place stay in place.

Mr. Dewberry has claimed that the bar would in no way impact the neighborhood, but just the morning of the 17th, the Dewberry Hotel was fined \$1,000 at Livability court for excessive noise at a wedding reception on March 25. There was extremely loud amplified music which is prohibited by the 11 conditions. Vangie said we would only have about 10 to 15 minutes to present our case, so everyone who wished to speak should be concise.
