## The Features, Advantages and Benefits of an Arsenal Building:

### IAS AC472 & CSA-A660 CERTIFIED!

Certification of Quality Engineering - Drafting - Manufacturing

**✓ Anchor Bolt Drawings in Just a Few Days! STANDARD!**  
Getting anchor bolt drawings to you quickly is an Arsenal priority! Our engineers and drafters work hard to have drawings for most projects out in just a few days.

**✓ Buildings Delivered in 4 to 6 Weeks!\* STANDARD!**  
Before we were manufacturers, we were (and still are) contractors. We know the importance of fast turnaround times. \*Except for very complex projects, most Arsenal Buildings deliver in 4 to 6 weeks.

**✓ State-of-the-Art Manufacturing Facilities! STANDARD!**  
IAS AC472 (USA) and CSA-A660-10 (Canada) Certified quality-controlled fabrication.

**✓ Galvanized Purlins, Girts and Door Jambs! AVAILABLE!**  
Protects against red rust during and after construction. Extends the life of your project. Brighter, cleaner appearance. Lower maintenance costs.

**✓ Premium Gray Mainframes! AVAILABLE!**  
Present a clean, bright, contemporary look. Compliments the galvanized purlins & girts. Can lower or eliminate painting costs.

**✓ 35-Year Limited Warranty Finish! STANDARD!**  
All Arsenal panels feature this strongly-bonded KYNAR or TRINAR finishes. With unparalleled gloss and color retention, our finish provides excellent UV, heat and chemical resistance. Matching trim available.

**✓ I-Beam End Wall Framing! AVAILABLE!**  
Provides strength and stiffness. Easy to erect as they stand alone -- less bracing. Stronger hot-rolled sections -- easier to handle than cold rolled.

**✓ Pre-Welded Clips, Purlin Bearing Rib (PBR) on Roof & Walls! STANDARD!**  
Pre-welded clips result in dimensionally correct alignment -- Fewer parts, faster and easier erection, reduced labor costs. Our PBRs create a solid side lap seal, reducing moisture infiltration and air leaks. Provides a stronger, weather-tight fit and lower maintenance costs.

**✓ Guaranteed On-Time Delivery! STANDARD!**  
Most orders are shipped on our own trucks. Delivery times are scheduled based on builder convenience. Efficient crew scheduling saves you time and money.
