

# HARDLINES DESIGN COMPANY

## Capability Statement

Hardlines Design Company is a firm that offers the advantages of stability, nationwide project experience, and a multi-disciplinary team in the fields of **architecture, planning, and historic preservation.**

In addition to being able to provide the full spectrum of architectural services, HDC has a thorough understanding of **cultural resources management, resource evaluation procedures, and mitigation activities.**

We use the highest professional standards and the latest technology to create solutions that are functional, cost-effective, and memorable. Our management approach is fully integrated, ensuring that complex tasks are completed ahead of schedule and within budget.

## Differentiators

- ♦ HDC maintains an experienced team of professionals with deep expertise in all phases of architecture, planning and historic preservation.
- ♦ HDC is committed to providing our clients with architectural design, feasibility studies, and preservation planning all with a thorough understanding of the Secretary of the Interior's standard.
- ♦ By integrating our diverse expertise, we are able to deliver innovative solutions to a variety of client concerns including historic tax credit application and design.
- ♦ HDC has a variety of clients and have successfully worked with several federal, state, and municipal organizations across the county.
