GOOD BYE

May will be the last month for some of our students and we wish them well as they go on to grammar school. The children have grown and learned so much while they have been at our school and our hope and wish is that the foundation they have started with us will serve them well not only next year, but throughout their lives.

PLEASE HELP

Take a moment to check your child's cubby to make sure there is a set of extra clothes and that they are weather appropriate. Also as a reminder please no sandals, or shoes with holes in them such as "crok" type shoes at school, it is very uncomfortable of the children when they fill up with sand and bark.

LUNCHES

As the weather warms up please remember to put an ice pack in your child's lunch, and include utensils if needed.

Summer Plans

If you have not done so already please let us know what your summer plans will be. When you have any vacation plans, if your child will be taking the summer off but returning when school begins again in the fall, or if your child's schedule will remain the same.

Tuition will be pro-rated for the months of June, July and August, please let us know so we can adjust accordingly.
