Covid-19: The symptoms of infection for the new coronavirus are often similar to those of other respiratory virus infections, such as influenza. Symptoms can include fever, cough, or shortness of breath. Most people will only have mild symptoms, but some can become very sick. If you have any symptoms or health problems such as respiratory or heart problems, you should stay at home.

Philanthropy Project:

- Attached to the CALL is a list of items needed for the Transitional Living Center Hospitality House.

Garden Tour Entries: Please register Entries for the "**Live Hawaiian Flower Show**" by 8:30 a.m. The Categories will be:

- Home grown flower arrangements
- Self-made dried floral arrangements
- Self-made/grown succulent arrangements
- Mini-Tropical Island Gardens
- One Perfect Rose

Lovely "Lei"-dies Contest

Prizes will be given for 1) the most Hawaiian ensemble—outfit and accessories, 2) the best self-made floral lei, and 3) the best self-made non-floral lei.

Motions: If you wish to present a motion, please contact Sharon Hughes, Recording Secretary.

Directions to The Contemporary Club in Redlands
173 E. Eureka, Redlands

909-307-0091

Coming from Upland, Ontario, Rialto, Colton

Take the I-10 East to exit 79 Orange St. At the end of the off-ramp, turn right onto Eureka St. Destination will be on the left.

Coming from Yucaipa

Take the I-10 West to E. Cypress Ave. Turn right onto Cajon St. Turn left onto W. Fern Ave. Turn right onto Eureka St. Destination will be on the right.

Coming from Barstow, Victorville

Take I-15 S. Keep right at the fork to continue on I-215 S. Follow signs for San Bernardino/Riverside. Take exit 40 to merge onto I-10 East toward Redlands/Indio. Take exit 79 Orange St. At the end of the off-ramp, turn right onto Eureka St. Destination will be on the left.

I got these instructions from google maps. Coming from Barstow you might consider taking the 210 east to the 10 and stay in the right lane when merging onto the 10, as the Orange St off-ramp is right there. Instead of coming all the way down to the 10 from I-15. When merging from there, it's usually backed up. You can also google it yourself.
