

STUDENT HEALTH SERVICES**POLICY**

The Board of Education recognizes that good student health is vital to successful learning and realizes its responsibility, along with that of the parents, to protect and foster a safe and healthful environment for the students.

The school shall work closely with the student's home to provide detection and preventive health services. In accordance with law, the school will provide vision, hearing and scoliosis screening. Problems shall be referred to the parents who shall be encouraged to have their family physician provide appropriate care.

Schools shall also provide emergency care for students in accidental or unexpected medical situations.

A permanent student health record shall and should follow the student from grade to grade and school to school along with his/her academic record. This record folder shall be maintained by the school nurse.
