

To All Titans and Prospective Members:

In 2021, the Titans Board opened our membership to those individuals who were in the Revere Golf Club and our adjoining communities to increase our membership like the Women's Golf Club had done. In addition, the Board wanted to accommodate a few Titans who had been signing up with the "Revere Golf Club" as opposed to the "Revere Men's Golf Club."

Therefore, new membership guidelines were established as follows:

1. Must be male, 55 or older.
2. Must provide a GHIN number by maintaining membership in either a USGA recognized club or a local USGA golf association. This must be completed annually.
3. Expected to play 12 Titans Golf Tournaments a year in Titans Uniforms. (Note: This a minimum play recommendation, play as often as you can, the more the better.)
4. Must pay all required Titans fees.
5. Be approved for play by the Titans Board.

There are a number of possible choices for establishing and maintaining a USGA GHIN number.

1. For those of you who play with the Revere Men's Golf Club, there is no change. Sign-up and renew with the Men's Club.
2. For those who are members of another club, the GHIN number from that club is acceptable for the Titans. You will need to provide that GHIN number to one of our tournament Directors, Rich Lepke or Larry Day. Understand that if you also play with the Revere Men's Golf Club, you will also need to sign up with them as well.
3. For those of you who do not play or associate with the Revere Men's Golf Club, you may obtain and maintain your GHIN number through the Revere Golf Club at the Revere pro shop, through a SNGA eClub or through the USGA directly.

To sign up with the SNGA, go to the SNGA web site, and click on Join or Renew then choose one of the available eClubs. The 1967 Club tends to be the least expensive. Sign up, pay the fees, and provide your GHIN number to Rich or Larry. Make sure you provide your existing GHIN number if you are renewing. Keep in mind that eClub membership are renewed on a 12-month cycle from the time you join. All regular clubs are billed on a calendar year.

To obtain a GHIN number directly through the USGA go to the USGA website and under Handicapping there is a link to obtain a GHIN number.

Lastly, you should consider the following: If you sign up with anyone other than

the Revere Men's Golf Club, and if a circumstance occurs wherein an adjustment to your posted record needs to be made, you will be responsible to make that change. The Titans tournaments directors who oversee that function for our group do not have access to the data base where your records are being kept. It is up to you.

You might also consider that the Revere Men's Golf Club occasionally has meetings where beer and hot dogs are the order for the day for all members in attendance. They also sponsor a number of social activities other than golf that you might consider.

If there are further questions about membership in the Titans, contact Bill Edwards by e-mail at Titansgolfbe1@aol.com or 702-813-9938.
