The Monuments Are Coming!

The long-awaited Lake Ridge monuments project is on track and later this year or the first half of 2019 you will see Lake Ridge monuments installed at 2 locations.

Note the rendering of our Lake Ridge Civic Association (LRCA) monument newsletter. The monument design and engineering phases are complete. The monuments are 7 ft high with a 3 ft base. The original monument design was sketched by former LRCA resident and Board Member Wayne Gilbert. The LRCA monument committee and Fort Lauderdale Office of Neighbor Support (ONS) collaborated and modified the design for production feasibility. The **LAKE RIDGE** design

portrays sails (to signify the **LAKE** at the east boundary of the neighborhood) and railroad tracks (to signify the FEC/Brightline RR tracks on the **RIDGE** and the west boundary of the neighborhood).

Background

In 2010 LRCA submitted a Neighborhood Community Investment Program (NCIP) grant request for 4 monuments to be constructed and installed at the entries/boundaries of our neighborhood. Lake Ridge owes a huge *thank you* to Orlando Moreno LRCA resident and former Board Member for writing the grant proposal. In 2011, the \$35K LRCA monument grant request was approved and along with \$35K in matching funds (federal funds for a blighted area –

PRESIDENT'S MESSAGE

By Michael Albetta

Hello Residents of Lake Ridge:

As you know, we are in July and the lazy, hazy days of Summer are here. It is hot outside and it is HOT in Lake Ridge as well

Hurricane season is upon us; storms *Beryl* and *Chris* have kicked off the season. Check out Page 7 as we have dedicated it to Hurricane Awareness and Preparedness information you will need in order to prepare. Thank you Barbara Bennett and Juliette Rocque for giving away free Hurricane Preparedness bags at Publix this past June.30th

As you have read on page 1; our Lake Ridge monuments will finally become reality. Thank you Lynn Elsasser for chairing the committee who assisted the LRCA in making the late Chuck Black's (our past President) dream come true.

Our clean-ups are happening and a special THANK YOU to the James Club Recovery Men's Group in Fort Lauderdale with Ray Rapaglia for assisting the LRCA in making it happen (see Page 4).

If you did not get a chance to attend our fabulously awesome " TASTE OF ITALY" event at Cafe Vico in Lake

In Many Ways, A Special Day.

By Juliette Rocque

Fort Lauderdale Cares Day had a special meaning for me this year. Originally scheduled for Saturday, April 28th, we moved it to Friday, April 27th to include Rose Mather, a Lake Ridge resident and her crew, whose company, Weatherby Healthcare, gives their employees time off to work in the community. It did not hit me until I announced the date change at the March General Membership meeting... April 27th is the anniversary of my older brother's birthday, he would have been 61! I mentioned it to Lake Ridge President, Michael Albetta and suddenly the day took on a new life fueled by the memory of Michael Anthony Botchway, FC3, USS Claude V. Ricketts, Norfolk, VA.

Michael Anthony Botchway
FC3, USS Claude V. Ricketts,
Norfolk, VA.

The road closures at 7th, 9th and 10th Avenues would be beautified in his memory and honor. If you knew Michael Anthony, you would know just how appropriate this was. He was all about community he walked the talk and would have rolled up his sleeves to weed, prune or

whatever needed to be done.

Tackling three road closures in one day is a tall order, but Albetta had a plan. At about 10 am, I looked up and saw a sea of yellow shirts descending

upon the 7th Avenue road closure. 15-20 residents of the James Club Recovery came ready to work! How appropriate. Michael Anthony had his struggles in life and was able to overcome them leaning on the love and support from his family. Not everyone has that network. The James Club provides that for men who are serious about turning their life around. To find out more about the James Club go to <https://jamesclubrecovery.com>.

Want to know what LRCA members, Weatherby employees and the James Club accomplished, take a look at the photos. Hopefully it will inspire you to roll up your sleeves. Ready

Day, June 30th and Make a Difference Day, October 27th are your perfect opportunities. Many hands make the load light, so put your hand in!

per the 2000 census Lake Ridge was blighted.) From 2011 – 2017 there were a series of starts and stops to the LRCA monument project, with the resignation of one Monument Chair, the passing of another Monument Chair. Additionally, the 2010 census removed Lake Ridge from the blighted list and put our matching funds at risk. Currently our grant funds will cover 3 or 3 ½ monuments. The LRCA community intends to raise the funds needed to ultimately install all 4 of the monuments planned. Additionally, LRCA will do the landscaping at each monument site once they are installed.

Current Plan/Timetable

LRCA/ONS will be installing 4 monuments in the neighborhood. There are 4 permanent locations identified for the monuments.

- Flagler Drive & Sunrise Blvd
- Flagler Drive & 11th Avenue (Just in from 13th Street)
- 15th Avenue and 13th Street (In the median that will be completed in 2026)
- 15th Avenue and 12th Street (in the median that will be completed in 2026)

LRCA and ONS are working on an aggressive timetable to install monuments at the first two sites within the next year. LRCA and ONS are simultaneously working to identify temporary locations for the other monuments. This is an ongoing initiative and several locations are still under review.

Your LRCA Monument Committee includes:

- Hal Barnes, ONS
- Ryan Henderson, ONS
- Lynn Elsasser, Monument Committee Chair (and former Board Member)

- Michael Albetta, Committee member (and Board President)
- Steve Jacobson, Committee member (and Board Member)
- Juliette Rocque, Committee member (and Board Treasurer)

We will continue to provide brief updates of the monuments in our quarterly newsletter.

FLPD JOINS 'NEIGHBORS' BY RING

The Fort Lauderdale Police Department is excited to announce our new partnership with Neighbors, the first of its kind in the entire state of Florida. Neighbors is a neighborhood watch app from home security company Ring that provides real-time, local crime and safety information.

The Neighbors application (app) creates a network of connected neighbors that can communicate in real time about neighborhood safety. The Fort Lauderdale Police Department will use the network as a new way to gather information and share crime and safety alerts with our neighbors.

This partnership will enhance the Department's effectiveness in our continuing efforts to reduce crime and improve safety throughout our city.

How It Works

- Download the Neighbors app on iOS and Android
- Opt-in to join your neighborhood.
- Customize the geographic area you want to receive notifications for (users must verify where they are located and cannot participate in other neighborhoods).
- Receive real-time alerts from your neighbors, local law enforcement and the Ring team that inform of crime and safety alerts as they happen.
- View local crime and safety posts via a live feed or interactive map.
- Share text updates, photos and videos taken on any device, including Ring's home security devices.

Work with your community to make neighborhoods safer.

The Fort Lauderdale Police Department encourages our neighbors to download the Neighbors application (iOS/Android), join their neighborhood and discover the power that can emerge from combining neighbors, cameras and the Fort Lauderdale Police Department. Visit www.flpd.org/ring to learn how to download the Neighbors app by Ring.

UNITY IN THE COMMUNITY

Love: Desi's Legacy

by Robert Miller

This story is about Desi, a senior dog. He came to be a hospice foster and was so completely broken, we thought he only had weeks to live. Yet thanks to a caring home and a loving heart, Desi thrived and stayed around for another 2 1/2 years. **DD's Senior Sanctuary** is dedicated to the hospice care of dogs who like Desi, are 14+ and / or terminally ill and who have been abandoned by their

previous families.

We are a legitimate 501c3 Non-profit with an all-volunteer staff and in desperate need to find caring, loving families that would open their homes and hearts to one of our rescues and provide them with the hospice care they deserve. We provide all the medical care, food and financial support for any costs associated with their care. So many of these fur babies are abandoned and surrendered every day at each of the 3 main shelters in South Florida. At the Miami -Dade location for instance, it is heartbreaking to see the seemingly endless lines of people surrendering their pets on almost a daily basis. Even worse, most dogs are simply dumped out near the Everglades and in the Redlands to fend for themselves. Our focus is to work with shelters to see that these seniors do not die on a cold metal table without dignity or regard. Most have been so severely neglected that it takes a bit of time and medical care to get them comfortable. One of our seniors was actually found tied to a dumpster in horrid conditions during Hurricane Irma.

Our hope is that the more awareness we can create about

this situation, the bigger the chances of finding foster families and the more of these loving, trusting and defenseless creatures we can help in their time of need. Can they count on you?

In Desi's name, "to the moon and back!"

ATTENTION ENVIRONMENTALLY CONSCIOUS RESIDENTS IN LAKE RIDGE

By Lynn Elsasser

Lake Ridge Needs You! Raise your hand, Step up, Make a Difference in our City and our Community!

For the last 10+ years, I have served as LRCA's Green Your Routine volunteer AKA your "Green Queen."

Effective March 31st, I stepped down from that role both because I needed a change and because I want to focus on other projects for our community.

Prior to my "reign" as your Green Queen, for nearly 20 years longtime volunteers and residents Steve and Gail Jacobson served as Lake Ridge's Green Your Routine volunteers. Our Community is truly indebted to them for their longstanding service.

We now seek a new volunteer to become LRCA's "Green Your Routine" representative with the City of Fort Lauderdale. If you are environmentally conscious, can offer at least four hours per month, and want to help earn funds for our neighborhood (typically about \$1000 annually); please raise your hand and become LRCA's next Green Your Routine Volunteer. GYR volunteers work with City staff and local associations to promote recycling, environmental stewardship and resource conservation. For Lake Ridge, over the last several years, the funds raised through this program have helped fund the LRCA News. Prior to that the funds have been used for projects like quarterly neighborhood cleanups (buying mulch and other supplies to help us maintain our road closures).

City wide for FY 2015-2016, \$23,691.15 in grant funds were distributed among 28 Fort Lauderdale Civic Associations, representing over 800 hours of volunteer service.

As a GYR volunteer, you work directly with the City Recycling Program Coordinator & with other Neighborhood's GYR volunteers.

GYR volunteers meet to receive information from the City, share experiences, trade helpful materials and knowledge, and just to get to know each other.

Meetings are the SECOND Monday of EVERY OTHER

month at 7 p.m. at the City of Fort Lauderdale Sanitation Administration Building, located at 220 SW 14th Avenue.

The GYR volunteer also educates LRCA residents at our four (4) general meetings each year. Additionally, you will volunteer at various city events and

recruit other LRCA residents to assist you. For example, working the Starlight Music Festival, the Sunday Jazz Brunch, the HH Hazardous Waste Events or the quarterly Tree Giveaways, to name a few.

It takes a Village to make our community a better place. Please step up and become our next GYR representative. Volunteering provides opportunities to meet new people in and outside of your neighborhood, to get involved in City government and to participate actively in the City's sustainability efforts-- all while having fun.
