

# ORO 2.5

BY BCROASTERS.COM

The ORO 2.5 is a great roaster for a small coffee shop or as a sample roaster and for advanced home roasting. It can roast from 4oz. to 3lb. per roast and up to 4-5 roasts per hour. It has all the features of the big commercial roasters including Double wall SS drum with front and back cast iron plates. It has 2 FUJI digital temperature controls on the panel for quick viewing of both BT & ET. It has the option of a variable drum speed control and precise airflow control via the MDDS (manual damper) system. Laser cut body with glossy powder coated finish in choice of black, red or cream white. Direct-Connect chaff unit for efficiency & reduced footprint. An LED Lamp provides illuminated viewing. Choice of Stainless steel finish and housing colors.
