

Hi everyone,

Below is your homework, including:

1. Writing. Write six Chinese characters, there is a writing sheet in google share folder "L1B-WRITING", file named "WRITING-LESSON10". Please find the writing sheet and practice. Be familiar with their radicals and stroke order, and keep good writing habits.
2. Please preview the "Sentence Pattern" of Lesson 10, that is, pages 57 to 58 of the textbook. Try to read each sentence, and fill in in the missing part of the sentence.

Have a nice week, see you on Sunday.
