

Colorado State Fair Foundation Outstanding Service Award

Since 2012, the Colorado State Fair Foundation (CSFF) has been busy building programs for youth as well as raising capital for renovation projects throughout the state fairgrounds. The CSFF has completed over \$350,000 in capital renovation projects, including the Growing Minds 4-H and FFA dormitories and Livestock Pavilion. The CSFF has raised more than \$1,000,000 in the past 6 years to support youth programs and more specifically youth involved in 4-H and FFA.

The Colorado State Fair Foundation Outstanding Service Award recognizes the exceptional leadership of an individual in providing, promoting, or advocating for Colorado Youth.
