

Ms. Leah's Dance Newsletter

March 2026

This month...

Picture Day is March 22nd! Be certain that dance costumes are pressed and altered, if needed, prior to this date. A schedule for the day will be released. Please arrive 15 minutes early for your time slot, dressed and ready to go. We do not require hair or makeup to be any certain way for photos.

Recital dances are complete! The remaining weeks of class will be about “cleaning up” areas of messy arms or memorization issues. Attendance is very important this time of year, as we prepare for the recital. Please make an effort to be at class every week, if possible.

Please practice at home! Practicing once per week during class is not sufficient enough. Email me, if you have not already, to have recital music files sent to you for practicing at home. My email address is leahdoyl@gmail.com

PLEASE REMEMBER:

- **Use the restroom BEFORE class**
- **Hair must be UP in a pony tail**
- **No gum in class**
