DESCRIPTION: Repaired Tri-State.USAC bow.
Green limbs. No cracks; limbs appear straight.
Overlays and tips are in OK condition. The top of
the tip overlays have been repaired. Two profes-
sionally filled sight holes on the face (see pic). No
chips, dings or cracks. No stress lines or crazing.
A few scratches, scuffs and blemishes on the
limbs. No Tri-State logo. The Jaguar decal is a re-
production, but you can still see the greatly faded
original logo on the limb. This is a serviceable bow
that we have shot without issue.
