Letter from the Prez...

Well, this is my last note to the Phlock. It has been a great run but you know change is a good thing. Kelley and I moved to Orange County in 2001 leaving all our friends behind in Canyon Lake (for those who don't know it's by Lake Elsinore). The first thing Kelley told me "we need to meet some people". I was checking the internet one day and found the OC Parrot Head Club. Knowing how much I like JB music I checked it out. We went to our first phlocking in 2003 and were welcomed to the club by Ginger Blake and we sat with Donna and Frans Barnhoorn. I went to my first board meeting (not a member of the board) at Nellie's home and was asked if I would like a beer. I thought OMG I've found a home. I joined the board in 2004 as the member at large. I've held a few positions on the board, communication director and vice president.

We've met a lot of great people in the years that we've been in the club and a few we've traveled to Cabo with. It was my honor to serve as the president of our club the last four years. I know that I'm going to miss the interaction with the board; but, I feel that I've left the club in good hands with Lisa Morris as your new president and you know that Debi will be back (the heart and soul of our club) as is Vikki Swanson our Treasurer and Kelly Harker as the Member at Large. Welcome new board members: Dan Watts as your Vice President, Jackie Algazy as your Secretary and Mark Lokovic as Director of Communications. I want to wish the 2015 board all the best and I know that you'll all be successful!

OK, enough about me...let's all meet together in January and continue to "Party with a Purpose". Oh and a reminder..... membership renewals are due on January 1st. you can renew at our club web page at ocphc.org or see Debi at our January phlocking and write her a check. \$40 for the family and \$30 for a single.

See ya in January...Joe

November Phlocking

Before our November Phlocking, we gathered at Angel's Stadium to participate in the annual Alzheimer's' Walk in support of one of our former club leaders, Nellie Carlen Jones, who is suffering from this dreaded disease. We had quite a turnout and partied with a purpose afterwards in Nellie's honor!

MORE November Phlocking

Last November, we tried out a new place ...**LOPEZ AND LEFTY'S SPORTS CANTINA** and it quickly became "our OCPHC Place" for PHUN and "Partying with a Purpose"!!!

We elected our new Board!!
Check out a little info about them later on in the newsletter!

And we kicked up our heels with Jerry, too!

DECEMBER Phlocking

Outgoing Prez, Joe, gives a warm welcome wave to incoming Prez, Lisa!!!

The Boys and Girls Club of OC was our charity for the December Phlocking and we collected lots and lots of giftcards and other gifts to help brighten some kids' holidays!!!

We brought some awesome ornaments to share...there were santas on surfboards, seashells and more that are sure to decorate many Parrot Head trees this season!!!

DECEMBER Phlocking cont.

And we celebrated our Top of the Phlock for 2014:

Camille Harker, Jason Morris, and Lisa Morris

And recognized those who served the club in 2014 and wished Joe a fond farewell and thanked him for his years of service!

A note from Mette:

I wanted to wish everyone a very Happy New Year and want to let you know that the newsletter torch is being passed on to Mark Lokovic.

It has been my pleasure serving the OCPHC Phlock for the past couple of years and I wish Mark much success in 2015 and beyond.

I just wanted to remind everyone that this is not my newsletter nor will it be Mark's...it's all of ours and the only way for you to keep this club fresh and alive is to make it yours and participate!!!

That could mean just sending in a picture or two from an event or maybe an article you found that you'd like to share with the phlock, or perhaps some pictures from a recent tropical vacation, or maybe a visit to another Parrot Head club's phlocking...

The board is also looking for some new ideas for events, charities, etc.—so, let's keep this awesome club alive and “

Partying with a Purpose” for years to come!

Happy New Year 2015!!!

YOUR OCPHC 2015 BOARD BIOS

PRESIDENT-LISA MORRIS

I joined OCPHC in 2012
 We joined OCPHC because it looked like fun and you do a lot of charity work that we also like to do.
 My favorite song is Treat her like a Lady
 My wish for the club is to bring back the fun, build up our camaraderie and to see OCPHC out in our communities doing more activities and supporting our charities!

VICE-PRESIDENT-DAN WATTS

I joined 6 or 7 years ago because I was listening to Radio Margaritaville and heard about "Meeting Of The Minds" and really wanted to go. I also thought it was pretty cool that the fan club had phlockings, playing Jimmy tunes, socializing and "Partying with a Purpose". That, and Mette paid my first membership as part of a birthday present. Favorite song is a tough one, and could be different on any given day. Most days I would say Changes In Latitude; "If I couldn't laugh, I just would go insane" says a lot to me. For 2015, I'd like to see the club grow a little bit and stay focused on why we joined the club.

TREASURER-VIKKI SWANSON

(from Mette) Vikki has been a member of the OCPHC Phlock for many years and she is an integral part of the club managing our funds and making sure we don't over-spend! Although I don't want to put words in her mouth, I know one of her goals is to keep the club alive and kicking and get some fresh ideas injected into the club for 2015!!!

MEMBERSHIP-DEBI STEPHENS

I joined the OCPHC in 1999 I think.
 I wanted to be a part of the "Jimmy Buffett Parrot Head Band of Do-Gooders, to party with a purpose!
 My favorite song is Last Mango in Paris or Perfect Partner, so hard to decide!
 My hopes are that our club will rebound with new hands-on charity activities and we figure out a way to get more people to want to participate in the club fun and charity activities.

YOUR OCPHC 2015 BOARD BIOS-cont.

SECRETARY-JACKIE ALGAZY

I joined last summer a couple months before my first Jimmy Buffet concert. We thought it would be cool to go with a group but that didn't happen until this year....dead beats last year.

I joined because my then fiancé and his friends the Lokovics were members about 15 years ago. Join. It'll be fun, they said.

My favorite song is Hula Girl. I used to live on Oahu.

Vision for 2015....less drama and more purpose!!!

COMMUNICATIONS-MARK LOKOVIC

I joined the OCPHC originally in the late 90s. When our children started getting involved in school, scouts and sports, our time was consumed by being parents. Now that they are grown, we have re-joined the club. I went to my first Jimmy Buffett concert in the late 70s. He was on stage at The Anaheim Convention Center with a cast on his leg. My favorite Jimmy Buffett song is "That's What Living is to Me", because Jimmy thanks me at the end of the song. I hope the OCPHC grows in membership in 2015. I'm excited to be a member of the board!!!

MEMBER AT LARGE-KELLY HARKER

I've been a member for 10 years and joined because the club was active in participating in local charity projects. The members were friendly and had a positive attitude. "Changes in Attitudes, Changes in Latitude" is one of my many favorite songs

A big CONGRATULATIONS
to our 2015 OCPHC Board and a
huge THANK YOU to the
outgoing 2014 board!
