

QUALITY POLICY

To facilitate a solid reputation for producing quality parts, achieving timely delivery, and providing competitive pricing, our organization has developed a quality management system to better satisfy the needs of its customers and to continually improve the overall management and success of the company. In doing so, this Quality Policy has been formulated, implemented, and is committed to:

- Consistently meeting customer requirements,
- Always providing our customers with the best products available,
- Continually improving the quality management system and the service we provide to our customers, and

Adhering to all Customer and Interested Party requirements, as well as those defined in the International Standard.
