### March Director's Message

The weather was a little iffy for our H-2 gathering on Tuesday night, but for most of us the rain held off until we returned home. We heard an update on the members unable to attend and a note from Rosy Stinemates. She hopes to visit us this summer with her daughter driving her from Florida for a stay. We are looking forward to seeing her again.

Visiting us were Brad and Dedra Mannon. Brad's parents Dwight and Jackie were former members of H-2 and have both passed. In looking through their parents' files, materials, and memorabilia,

they began to realize that Dwight and Jackie had made many trips on their trike with us. They then found Jackie's phone with many beautiful scenic pictures of places they had visited. (Dwight and Jackie never elaborated on the many places they had ridden with our chapter.) We spent some time reminiscing of the many trips that Dwight and Jackie had been on with the chapter and of the states we travelled through from Billings, MT, to Knoxville, TN, and many other trips. Brad and Dedra then presented the chapter with a gift of money for keeping their parents safe in their travels with the chapter. Brad and Dedra, our chapter sincerely appreciates the thanks and love we shared with you and hope to see you again soon on a ride with our chapter.

The weather this past week has been more on the winter side but predictions for next week are for warm and sunny days, some perhaps in the 70's! May be a good time to uncover the bikes, move them out, and go for a short ride. I know I am ready!! I also am due for a driver's license renewal so must get it done in the next 10 days. Not looking forward to that but it must be done. I'm looking at next Monday or Tuesday if I can get an appointment.

When you do get the bike out and have checked it over, be careful on that first ride. Go a little slow and deliberate at first to get your "feel" for the bike again, getting used to the controls, cornering, stopping, etc. Also, it is a good time to have your bike serviced for those jobs you may not be able or want to do such as changing the clutch and brake fluid systems, greasing the drive shaft u-joints, and a general safety inspection.

(continued on page 2)
