

Douglas Athletic Booster Club

Extracurricular activities in our schools help students achieve success and personal growth in a variety of opportunities. The Athletic Programs at Douglas High & Middle Schools are a way many students are able to participate and pursue that growth and success. The Booster Club's primary objective is to support athletic activities for our students to instill a sense of school pride and school spirit in our community.

The Athletic Boosters have committed to raise funds to cover budgetary shortfalls to make athletic opportunities both possible and more fulfilling for student athletes in Douglas. **The need for your help and support is ongoing. We depend on monetary donations, in-kind concession item donations, and volunteerism from the members of our community to make our mission possible. Please take a moment to consider providing a Sponsorship Donation now, and/or be on the lookout for our "calls to action" throughout the year when we are in need of event volunteers and concessions donations.**

The Booster Club meets monthly and all are welcome to attend - our meeting schedule will be published on the website with location, dates, and times for the year.
