

Once in a Lifetime

Sunrise, sunset.
You can run, but you can't hide.
Time is stalking all of us.
Time is not on our side.

Once in a lifetime.

Spring fades to summer,
Autumn falls,
Winter chases close behind.
The days grow shorter everyday.
Soon only stars will shine.

I hear the clock ticking in the dark.
I see the dreams slipping past.
I wasted the early years.
I don't want to waste the last.

Once in a lifetime.

Sunrise, sunset.
You can run, but you can't hide.
Time is stalking all of us.
Time is not on our side.

Once in a lifetime.

Do not go gently into the night.
Do not go gently into day.
Don't give up without a fight.
Don't make the same mistakes I made.
