911 Address Application

ALL STEPS BELOW MUST BE COMPLETED BEFORE THE PROPERTY ADDRESS WILL BE GIVEN

1. The Septic Permit and Building Permit must be completed and included with the application to obtain an address.
2. The driveway must be completed/drivable from the roadway to the building site.
3. Post a temporary sign with the applicant's last name at the beginning of the driveway.
4. Mark the corners of the structure (wooden post or flags); this will also help with the perk test.
5. Fill out the address application and sign the New Construction Acknowledgement (page 3)
6. Pay addressing fee online through our website www.hickman911.com. Cash is not accepted in the office.

Once the above steps are completed, please email all finished paperwork to E911@bellsouth.net

****The following needs to be included with the application before the property address can be given.****

- Site plans, drawings or subdivision plats, Septic permit, Building permit.-

Address assignment may take up to seven (7) business days once all required paperwork is complete. The property address will use exact GPS coordinates; therefore, access to the building site is necessary.

Hickman County 911 Acknowledgment

New Construction/ Private Roads

This acknowledgment page explains the rules and regulations for Hickman County, Tennessee.

Please read and sign this page stating that you have a full understanding.

I understand that at any time, if more than two dwellings are built off the same driveway a private road will have to be established, and the following rules will apply.

-I understand that the property being addressed is located on a private road that is not maintained by the Town of Centerville or the Hickman County Road Commission.

-I understand that the property owner is responsible for the maintenance of the private road and the purchase, installation, and maintenance of the **Blue Road Sign**.

-I understand that if I live on a private road and do not have a mailbox at the end of my driveway, I am responsible for marking my dwelling and driveway with the minimum size of 3-inch address numbers.

-I understand that the 911 addressing office must be notified when any new construction or roads are added in a subdivision.

-I understand that it is the property owner's responsibility to disclose this ordinance to the buyer when selling property located on this private road.

-I understand that at any time, my 911 address is subject to change.
