Kiwanis Club GBASO/Nicolet School event on March 17th, 2025

We celebrated St. Patrick's Day in a very special way! It was our second ever trip to the GBASO skatepark with the third graders from Nicolet School. And a wild time was had by all!

Overall, I think we did a pretty good job handling the chaos. We split the approximately 50 kids into two groups. One played bingo and Jenga and ate snacks. The other suited up for skateboarding and received expert instruction from our member Eric Peters and his group of dedicated volunteers. After an hour or so, the groups switched. Check out our website and the end of these notes for pictures.

Attending and helping out from our club were Anne, Maria, Ann, Pat, Ben G., and Rick, in addition to Eric. Afterward, most of this group went across the street to Pizza Ranch for lunch and to catch our breath!

Kiwanis owes a very special "thanks" to Eric for opening up GBASO to children who would otherwise never have this amazing action sports experience, and his volunteer instructors who patiently and expertly passed along introductory skateboarding skills. I noticed that many of the kids worked up quite a sweat!

Our next club meeting will be at noon on Monday, April 7th at the Hyatt Regency. Ben G. and Rick will be the program. They will have just returned from the Kiwanis District midyear conference in Wausau and will have news to report on projects, fundraising, and membership. See you then!
