Happy St. Patrick's Day!

Thank You Giving Hope Network!

Thank you once again to the **Giving Hope Network** for their incredible support of our students!

This wonderful organization's "**Hear Me Now**" program has been the major donor of Augmentative Communication technology to HLVS during the past several years. This past month, they donated more than 50 iPads and cases to us. This donation could not have been more timely, as many of the devices that we are currently using are becoming outdated and unable to support the essential applications that our students require.

St. Patrick's Day Gift Bags

Thank you to our incredible **Parent Association Board** and to **Sammy Feingold** for helping to make St. Patrick's Day a special occasion for our students! Together, they organized and created themed gift bags that were distributed to every student to take home. They succeeded in creating many smiles!

*A Special Visit From a Leprechaun - Room 6 Teacher **Nataly Giannuzzi***

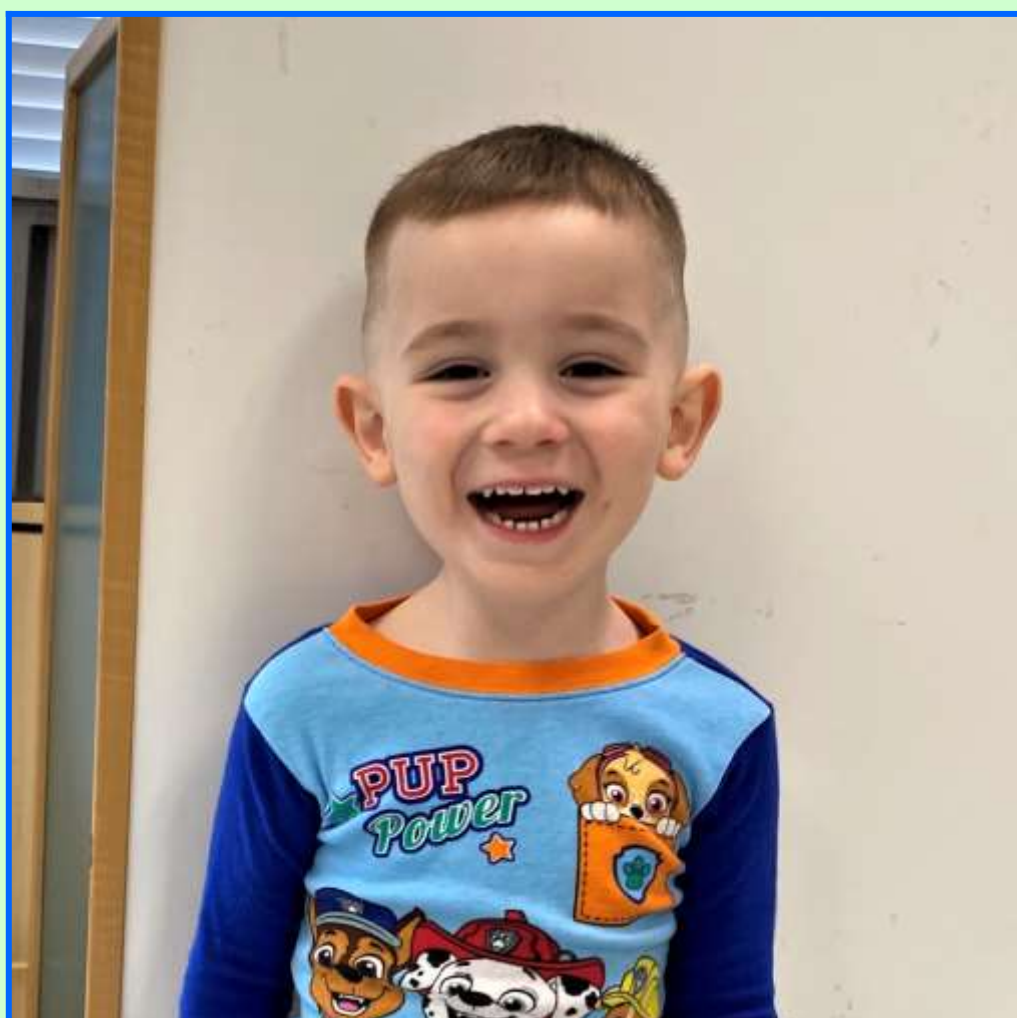

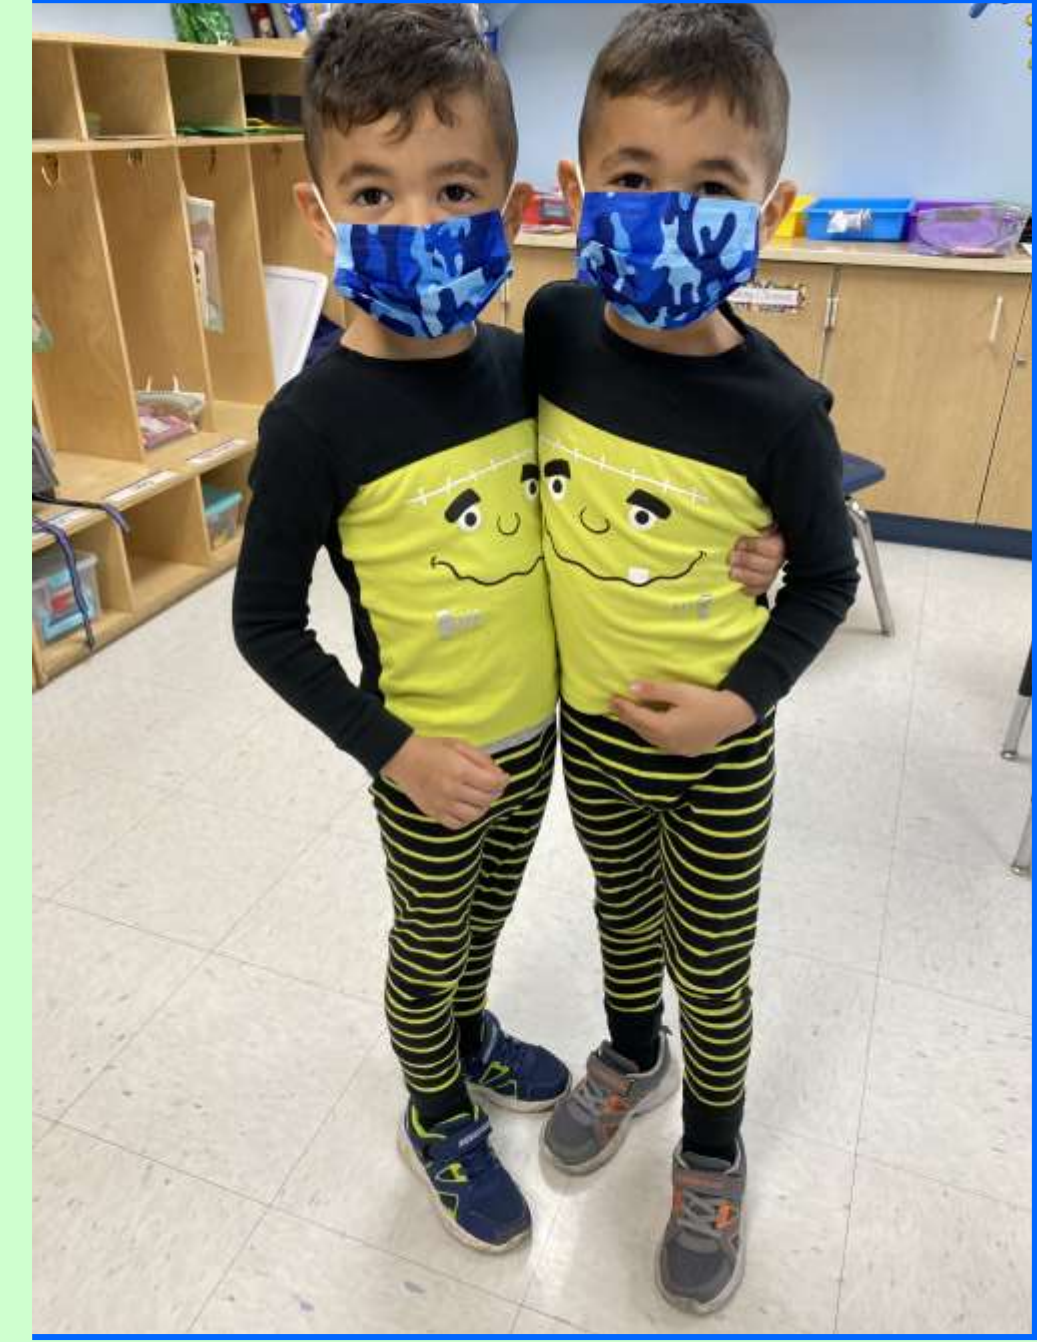

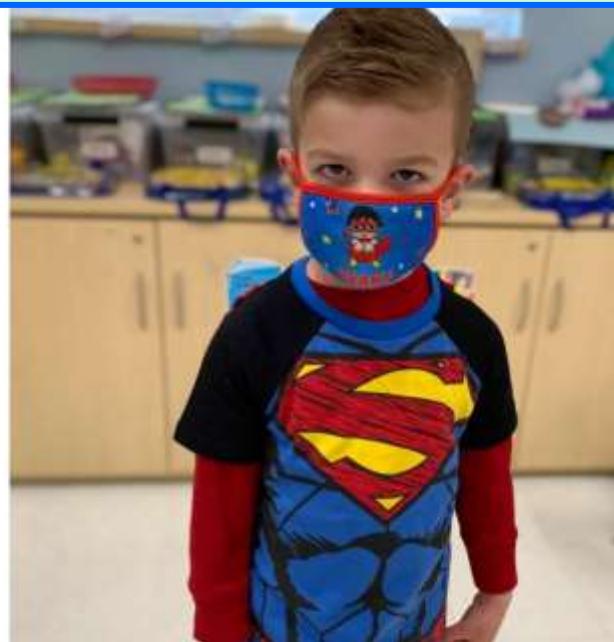

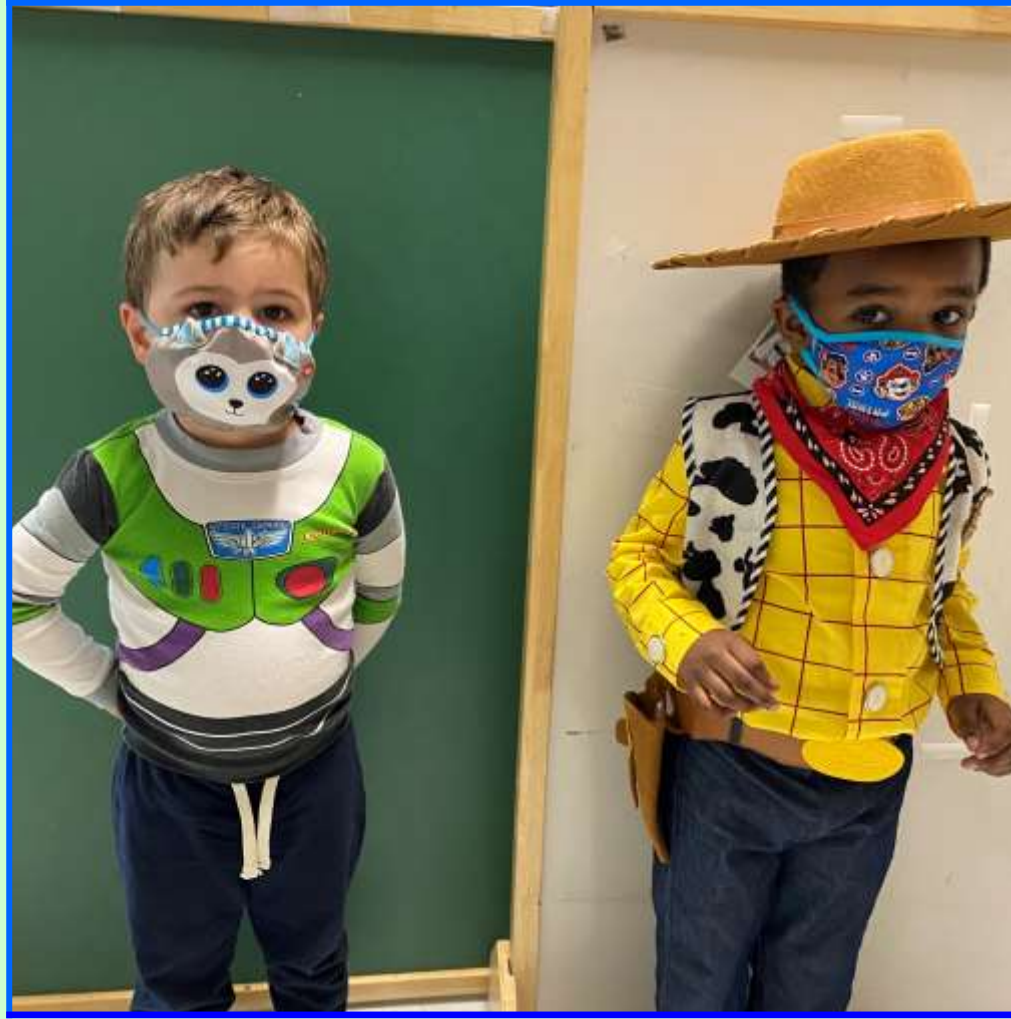

Room 64 got a visit from the leprechaun! He made a mess of our room! So we made special lookers to find him and a trap to catch him! He came back and made even more of a mess! This time he left us a special gift. Magic rocks! We had to do special science to find out what was inside them. Gold coins!
