

## Election Integrity

“We oppose the National Popular Vote Interstate Compact and any other scheme to abolish or distort the procedures of the Electoral College “

“Honest elections are the foundation of representative government. We pledge to protect the voting rights of every citizen, as well as their rights of conscience when they are harassed or denied a job because of their contributions to a candidate or a cause. We support state efforts to ensure ballot access for the elderly, the handicapped, military personnel, and all legitimate voters. We urge state and local officials to take all appropriate steps to allow voters to cast their ballots in a timely manner. We are concerned, however, that some voting procedures may be open to abuse. For this reason, we support legislation to require proof of citizenship when registering to vote and secure photo ID when voting.”

“The members of our Armed Forces must not be denied the basic rights that they are defending for others. Our troops, wherever stationed, must be allowed to vote in a timely manner.”
