

The Greens of Elgin

July 2021 **Notes and News** Elgin, IL

Notes from the Board President

Dear Friends,

In looking back at The Newsletter for July 2020, I was surprised to learn that we have been back eating together in the Dining Room for one year. This was after 3 months of having a closed Dining Room; one of those months the whole kitchen was actually closed due to COVID-19. Many of us are enjoying eating together at either 4:45PM or 6PM, Monday through Friday, 5PM on Saturday and 11:30AM on the 1st Sunday of the month and 1PM on the balance of the Sundays in each month. Still, we don't have the same number of residents coming to the Dining Room that we had before COVID.

I would like to invite those of you who are not yet coming to eat together, to join us in the Dining Room. It is often in sharing a meal that friendships are developed, and that is what makes The Greens a community. Those of you getting meals delivered will be pleasantly surprised at the presentation Chef James and the kitchen staff are able to artistically prepare for those eating in the Dining Room. Hope you will join us!!

Please check page 11 in our Resident Handbook Rules and Regulations. Two items to remember are: please silence cell phones in the Dining Room, and no hats are allowed in the Dining Room except for medical necessity.

Janet and the Activity Committee have many fun plans for us and I'm happy to say that I think we are back to pre-COVID with regard to activities. Just a reminder that if you move tables or chairs in the Activity Room or elsewhere, please put them back as they were. If the room has been set up by staff during regular business hours, staff will take care of resetting the room.

We always welcome your suggestions and ask you to deposit them in the Suggestion Box in the Activity Room near the sink. Please sign your name to your suggestion so we can address the answer directly to you.

Thanks to our wonderful staff. We appreciate all you do for us. Thanks as well to all the residents who volunteer their time to make this a great place to live.

I think we were all praying for rain; I know I was. Well, our prayers have been answered and now I'd like to pray for some sunshine in between all the rain. Hopefully, the month of July will bring us some beautiful summer days. Let's all enjoy them.

God bless everyone at The Greens!

Note from the Manager

Hello Everyone,

We are officially 50% done with 2021. I hope the first half of this year brought you blessings and joy. July is certainly my favorite month of the year as we celebrate our independence. America became free from British rule in 1776. Congress voted on July 2nd, 1776 to declare our freedom from Britain on July 2nd, and two days later officially declared independence on the 4th of July. I am forever grateful to those who originally fought to make us free, those who have preserved that freedom throughout our history, and those that keep us safe today!

The landscape enhancement work has been completed and the property is looking beautiful. Window washing is scheduled to begin July 6th. Asphalt sealcoating is being scheduled and bids are being received for balcony staining. As always, notices will be posted with additional information on these services as they get scheduled.

Also, please feel free to use the suggestion box or come see me if you have any questions or wish to discuss any Association matters.

Enjoy the day!

Housekeeping this month is short again. Eva had to resign her job with us here at The Greens. We are working hard to find a replacement. We have had a few applicants apply and interview but have not had any luck. We greatly appreciate all who have canceled cleaning so that someone else can be cleaned. Thank you. With all units filled it is hard to get extra units cleaned. I am terribly sorry for the inconvenience. Housekeeping is working hard to get all units cleaned and the ladies are exhausted. When you see Maria and Debbie, please give them a pat on the back for the hard work they do.

I would like to inform you about the following units we have either For Sale or For Rent. If you have any friends that are interested in a unit this is what is available as of now.
