

## **MGA Member Meeting March 28, 2024**

President Mike Bagnato called the Meeting to order and led the group in the pledge of Allegiance.

Mike noted the passing of Charlie Thibodeau's wife.

Mike then recognized all past Presidents, Vice Presidents, and Committee Chairmen and asked them to stand.

The following items were discussed:

Reading minutes from prior meetings was skipped.

Treasurers Report – Dan Ritchie noted that our current balance of money on hand was \$3,658, not including what will be paid for today's luncheon.

Handicap Committee – Bruce McKnight noted that due to the weather today some did not complete their round. However, for any cards turned in, the handicap system calculates projected scores for holes not played.

Membership Committee – No Report.

Registration Committee – Tim Hill noted that monies from the weekly 50/50 raffle are used to supplement the cost of luncheons.

Rules Committee – No Report.

Food Committee – Kevin Hammah asked if anyone has suggestions or comments regarding our luncheons, they should contact him to discuss.

There were no old business items to discuss.

Under new business, Jim Walsh reported for the tournament committee. He asked that members wanting to golf that were not able to sign up during our regular Thursday play, should contact the clubhouse by 8 AM on Wednesdays. This is a change from our current policy, so we voted on his motion and passed it. In addition, Jack Narhi said members could text him prior to 8 AM Wednesdays to be added to the sign-up sheet.

With no other items to discuss, Mike adjourned the meeting.

Respectively submitted: Lee Pereksta, MGA Secretary
