Welcome!

Welcome to the 2018 Missions for Humanity Annual Benefit Dinner & Auction. It is great to see so many former, new, and prospective mission team members, families, friends and supporters of all kinds. We have a great evening planned. Sharing time with friends and perusing the many new and exciting items in the auctions and Lucky Draw will make for an exciting evening.

Tonight's auction is possible because of the efforts of a multitude of people who have been working very hard to assure that you have a great evening. Whether it be soliciting donations, organizing tables, designing the auction book or any of the other many jobs that must be done for this evening to happen, people have put in countless hours of hard work because they, as you, believe in the mission of MFH. To all those who have helped in any way, I say thank you. Your efforts are truly appreciated. Sponsors and donors, I am overwhelmed by your unending generosity.

It is because of the generosity of supporters such as you that MFH has been able to accomplish all that it has. So, soak in the excitement and Bid! Bid! Bid! Help us to make this year's Benefit Dinner & Auction the best yet!

Thank you for coming and supporting our efforts.

Missions for Humanity (MFH) is a 501(c)(3) nonprofit organization dedicated to providing medical, dental and humanitarian aid to those in the world's neediest communities. Rooted in the teachings of the Catholic faith, we serve with utmost respect for the preservation of human dignity. We provide care for all people regardless of religion, gender, race, or ethnicity. MFH is an ever-growing organization built by the hard work of volunteers. Over 95% of all monies raised goes directly to the mission trips/projects and the people we serve.

Since 2004, MFH mission teams have cared for over 27,000 people, restored and pulled over 5,500 teeth, distributed 11,500 pairs of eyeglasses and collected and donated well over one million dollars in medications and supplies. In the past three years alone, MFH has not only provided medical and dental care, but has also provided textbooks for students in four outlying Tanzanian village schools which had previously never had books, built a solar-powered well to give students clean drinking water at Kichangani primary school, and built a solar-powered well in the village of Golani so the women would not have to walk two hours to find water. MFH has built toilets at the village schools of Muhimblili, Vumilia Ukooni and Kijaka; supplied pregnant goats for families to use for fertilizer and milk; and helped build a dental clinic and renovate the school at the mission in Guaimaca, Honduras. Currently MFH is building a Health Clinic in the village of Kajaka, Tanzania, a very poor village where, at present, the people must walk two hours to receive any sort of medical care. It is through the efforts of supporters such as you that Missions for Humanity has been able to accomplish all that it has. Please continue to help MFH add programs/projects and better help those in need.

Missions for Humanity would like to share an email our president, Kathy Crosson, received from Gladys, project coordinator for Caritas, our partners in Tanzania, after receiving word that MFH agreed to fund the health clinic in Kajaka:

Dear Kathy Happy New Year.

Truly this is breaking good news!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!

I am extremely happy for this news and Mr Christian too is happy and i just braked the information to the village chair man and he was crazy shouting like he is crying, Kathy your going to serve a thousand life of women especially pregnant and children, this project is more than anything i cant even explain but God knows.

Thanks so much mission for Humanity we appreciate so much for the social support your giving to our target group.

Thanks again for the goats project again this is super project it is changing people life, the goat drops are being used for manure for Gardening and from gardening they get income to cover their daily expenses.

Yes \$ 70 will cover the goat cost . I liked the approach/ idea you have used to fund raise for goats !!!

About pictures no problem i will send as much as i can all stages you must get the pictures , we will take to Kavuma village we have a very active group of women in this village who have never received the goats their time has rely come.

Wishing you all the best
Gladys
