In May 1968, a car bomb was set off at the Vietnamese TV station which was right next to AFVN Saigon. There was some damage to AFVN but it was minimal compared to this.

A couple of days before they went up country, Johnny Grant, Vicki Lawrence, Melody Patterson and Karen McKorey came to the Saigon station to do some promo work. Needless to say, just about everyone was excited. They next day, Lou was on his way to Pleiku and the three girls, Johnny Grant and a bevy of PAO officers got on the same C-130.
