

Leslie is a licensed Acupuncturist and published author in Colorado. She is certified in Microneedling, Injection Therapy and Dao Needle Therapy (a technique of acupuncture). She is a graduate of the Colorado School of Traditional Chinese Medicine, and holds a Master's of Science degree in Acupuncture. This highly specialized training includes CBD therapy and adjunctive therapies such as moxibustion, tui-na (massage), acupressure, cupping, auriculotherapy, dietary and lifestyle recommendations.

Leslie is the ONLY Acupuncturist in the United States to incorporate CBD in her Microneedling treatments and massages. This unique treatment sets her apart from other practitioners and she blazes the trail for other practitioners to follow. The CBD that Leslie uses has no THC, so it will not produce any psychoactive effects. Her treatment office is in Littleton, CO

Leslie is a Diplomat in Acupuncture, by the National Certification Commission for Acupuncture and Oriental Medicine (NCCAOM) and she is a member of the Acupuncture Association of Colorado.

Leslie enjoys spending time outdoors with her two children and their dog "Ziggy". Being Natives of Colorado, they love enjoying this beautiful state, hiking, festivals, concerts, anything outdoors, the arts and new

adventures. She is especially close with her family and friends and loves travelling. Her hobbies include watercolor painting, working out, spending time in the sauna, swimming, and volunteering.
