RE: Cable Television Rate Increase Notice

Dear Mayor Cole,

Vyve Broadband has continued to invest in its networks during 2018 in an effort to bring the communities it serves next-generation services. As we make plans for the remainder of 2018, we have evaluated our expenses and determined that the amount we pay to bring popular video programming to our customers has increased significantly again this year.

Depending on a customer's subscription choice, the following rate increases will take effect on billing statements received by customers after January 1, 2019:

Non-Promotional Video Expanded Service	\$3.00
Broadcast TV Fee	\$2.30
DTA	\$0.25
Movie Tier	\$0.30
Spanish Tier	\$0.30
Sports and Entertainment Tier	\$0.30

We hope you are aware that we are very sensitive to the impact that any increase in the rates we charge has on our customers, and take our obligation of providing communication services in your community seriously. We will continue to work hard to provide the greatest quality of service at the best possible value, and you have our pledge that we will work daily to enhance your experience with Vyve Broadband.

Please feel free to contact me at 405-395-1184 if you have any questions.

Sincerely,
