

YOUR FIRST VISIT

WELCOME TO OUR PRACTICE! During your first visit, Dr. Tetz will provide a preliminary diagnosis. Dr. Tetz will answer some common questions, such as: Is treatment needed? When is the best time to start? How long will it take? What type of treatment is appropriate? This 15-minute appointment is looking only and will not hurt in any way.

The medical history and information forms are very important for this visit. Please complete these forms for us prior to the appointment.

For the First Visit:

1. PLEASE ARRIVE **30 MINUTES** PRIOR TO YOUR APPOINTMENT TIME.
2. PLEASE BRING THE COMPLETED HEALTH HISTORY FORM.
3. A PHOTO ID AND INSURANCE CARD(S).
4. WE WILL NEED AN X-RAY CALLED A **PANOREX OR PANORAMIC X-RAY** FOR THE FIRST VISIT. THIS IS IMPORTANT FOR THE FIRST EXAM SO THAT WE MAY SEE ALL OF THE TEETH AND ROOTS. THIS X-RAY NEEDS TO BE **NO OLDER THAN ONE YEAR**.
5. *PLEASE CONTACT YOUR DENTAL OFFICE FOR THIS X-RAY.
6. *IF THE PATIENT **DOES NOT HAVE A CURRENT PANOREX**, PLEASE HAVE ONE TAKEN AT THE PATIENT'S DENTIST BEFORE THE FIRST VISIT. IF THE PATIENT'S DENTIST DOES NOT HAVE A PANOREX X-RAY MACHINE, PLEASE CALL AND WE WILL GIVE INSTRUCTIONS AS TO WHERE TO HAVE ONE TAKEN.
7. 4. YOUR FIRST VISIT WILL BE **COMPLIMENTARY AT NO CHARGE!**
