The Money-Changers that rule the world with their Mammon or ill-gotten 'gain' of monetary wealth has been obtained by greed. They perpetrate wars, murder, slavery, extortion and sorcery in the guise of 'illumination' but are steeped in the their allegiance to Lucifer who is the god of this world, the Ala-Lu of Mars, Mercury that bestows this temporal kingdoms on Earth while he can. The Bible states that Jesus defeated Lucifer on the Cross and by His resurrection has sealed Satan's doom. Until Christ's return, Lucifer has built his kingdom on such sacred geometry as the Pleiades that awaits his coming 'anointed one', the False Messiah or AntiChrist. To this end and 'Great Work, a Temple in Jerusalem will be built for him. These patterns are found in all the major Luciferian world capitals like Astana, Canberra, Washington DC, the Vatican, etc.
