JACK L. WEAVER
ELEMENTARY SCHOOL

Dear Weaver Friend:

Thank you for your on-going support of Weaver Elementary School and our children by providing them exceptional educational experiences. Your commitment to our school community is a VITAL part of the success achieved by Weaver and its students, and why our school has been rated #1 in Orange County!

As you may know, the mission of Friends of Weaver (FOW) is to continually strengthen the spirit of our Weaver community and provide additional educational opportunities, such as funding Weaver's STEAM teacher or providing supplemental programs and tools that accelerate student learning opportunities.

This mission is solely supported by FOW's fundraising events held throughout the school year. Our most important fundraising event – Weaver's Annual Gala - is just around the corner. This year's event "SATURDAY NIGHT WEAVER" will be held on March 26th. We are excited to announce that our event will be IN-PERSON! Get ready to get down and boogie all night long! This year's gala is expected to be the biggest event yet.... which provides a promotional opportunity for your business.

To continue to support Weaver and promote your business, we are hoping that you will consider donating physical items and/or experiences that can be included in our gala's raffle or 'Silent and Live' auction. We also welcome any monetary contribution. Money raised from the gala will be used to continue to fund our STEAM teacher, and other programs and tools for our students. Please see the advertising and social content generation opportunities in our sponsorship packages included in this letter.

Thank you again for your on-going generosity to Weaver & FOW's mission. We hope that you will continue to support us today by completing the enclosed donor form (the form is also available via the electronic form using the QR code).

With Deepest Appreciation,

Tricia Boylan

About Friends of Weaver

OUR ORGANIZATION: Friends of Weaver (FOW) was founded in 1999 as a non-profit, parent-led organization dedicated to providing support and tools to Weaver students and staff in order to create learning opportunities focused on STEAM (Science, Technology, Engineering, Arts and Music) and ensure all students are successful. Our mission is to create a greater interest in science and inspire the next generation of science engineers. It is run by a Board of Directors comprised of parent volunteers in conjunction with the school Principal.
