

URSCC 2017 Annual Meeting
January 7, 2018
Vandalia Village Hall
Vandalia, MI

Membership Committee (Cathy LaPointe, chair)

URSCC membership remains steady at about 400. Members come and go yearly, but the base of our membership is steadfast and very supportive. Membership has a basic cost of \$25 per year, but members are asked to give as they can. Our donations average around \$100 per member, and form the bulk of URSCC income.

A periodic update is emailed to URSCC members, and a membership renewal letter and donor card is mailed once per year. We update our members on other matters they might find of interest, such as the Cass County historic courthouse. We feel we have a personal relationship with our members and value their interest and support for our mission and goals.
