## SOUTH CENTRAL WISCONSIN DIVISION—NMRA

The SCWD is a 50+ year old, non-profit organization with over 150 members. Members come from all walks of life and all ages. In addition to presenting this show, the SCWD holds monthly meetings, an annual awards banquet, and a picnic in July.

As a non-profit organization, the SCWD conducts a free Model Railroad School every January that includes clinics, demos and a Make & Take freight car clinic for kids. We invite anyone interested in our hobby to attend a monthly SCWD meeting as our guest. Visit our web site for more information about these activities and much more at: [www.nmra-scwd.org](http://www.nmra-scwd.org).

Anyone can join the SCWD by signing up for membership in our parent organization, the **National Model Railroad Association**, a worldwide educational organization of 20,000 members dedicated to promoting all aspects of model railroading. The NMRA creates standards for manufacturers, archives railroad history, organizes conventions, publishes a monthly magazine, and provides many other services for its members. To experience what the NMRA has to offer sign up at the Show Office for the **NMRA Rail Pass**, a 9-Month Full Membership for **only \$19.95**.

**Thank you for coming & enjoy the show!**
