850-547-0102

So you're involved in the drilling industry in some way, shape, or form - GREAT! You probably did some farming, even if it's now hobby farming. Got tools / equipment of any kind? Bring them here and get them SOLD! No photos? No problem. Put a text ad in and have them call you for photos. Rates are low and we prepare your ads!

All Text ads are \$8.00 per line - with 8 line minimum - All Display ads (photo, logo, box/border) are \$50 per column inch and \$15 for color. Blind Box Ads are \$5.00 flat rate each in addition to the regular rate. (What is a "Blind Box

Ad"? - It is one which the advertiser chooses to have the *WWR* Team take the potential Buyer(s) information and forward it to the Seller(s).) We all know how busy we can get and this will enable the Seller(s) to continue working and still get their information.
